Patience & Gratitude ShaykhPod Books, The following short book discusses Two Aspects of Noble Character Patience and Gratitude Adopting Positive Characteristics Leads to Peace of Mind

Exercising Patience and Expressing Gratitude IDP Research Division, 2018-09-16 This work deals with the closely related topics of patience and gratitude As is shown in the book patience and gratitude are two sides of the same coin closely related attitudes which the Muslim should seek to foster in every aspect of his or her life This kind of spiritual advice is something that today s Muslims so desperately need Far from being a set of empty rituals and nit picking legal technicalities or a set of words to be repeated or chanted ad nauseam Islam is a holistic way of life if it is applied only partially imbalance will result A most important aspect of Islam which must always accompany the formal rituals and the recitation of du as and dhikr is constant remembrance of Allah and constant contact with the Divine Developing a truly Islamic attitude of patience will enable us to do this We believe that Islam has the answer to many of the psychological

problems that trouble mankind today such as anxiety depression lack of confidence addictions etc This book will Insha Allah bring the spiritual and psychological benefits of our Islamic heritage to Muslims who do not have access to the works of the scholars in the original Arabic This book has been written to highlight the urgent need for patience and to explain that our happiness in this life and our salvation in the Hereafter depends on patience This book is filled with benefits and readers will benefit from its advice and teachings What is good and correct in this book is by the help of Allah and what is mistaken in it is from the Shaytan May Allah forgive us Allah is the Greatest Helper and we put our trust in Him Contents of the Book Introduction Prologue The Definition of Patience Different Perspectives on Patience Five Categories of Patience Good Patience and Bad Patience The Patience of Noble and Ignoble People Ways of Strengthening Patience Man Cannot Do Without Patience The Most Difficult Type of Patience Patience in the Qur an Patience in the Ahadith Sahabah on the Virtues of Patience Patience at the Time of Bereavement Patience is Half of Eman Patience and Loving Allah Gratitude in the Qur an Gratitude in the Ahadith The Sahabah and Tabi in on Gratitude Visit our eBook Store at www.payhip.com idebooks@gmail.com Contact us at islamicdigitalpublishing@gmail.com **Wings of Faith** Omar Suleiman, 2024-07-30 In today s world fueled by immediate gratification the concept of patience is alienating Very few people are willing to wait prepare and suffer temporary hardships to get to their goals With the rise of social media which further promotes this deterioration of mind by providing instant likes to your recently posted photos it is not a wonder that this dangerous culture leads to the decay of gratitude Unfortunately Muslims are amongst the victims abandoning the means of salvation *abr* and *shukr* patience and gratitude which are two sides of the same coin This work is a successful attempt to discuss these two important concepts in such a profound manner When *abr* is often rigidly translated as patience *Wings of Faith* Patience and Gratitude touches on its broader and deeper meanings *Shukr* on the other hand is a concept that should run parallel with *abr* which without one imbalance will result The relationship between these two means is also highlighted debunking the belief that patience is beneficial with hardships and gratitude with blessings This is not always the case Both patience and gratitude are essential in the face of adversity and grace
