Casey Sherman,Dave Wedge,2025-04-08 The thrilling behind the scenes account of how the NFL s most sensational scandal culminated in sports history s greatest comeback featuring dozens of exclusive interviews with Patriots players including Tom Brady himself In January 2015 rumors circulated that the New England Patriots a team long suspected of abiding by the if you ain t cheating you ain t trying philosophy had used under inflated footballs in their playoff victory against the Indianapolis Colts As evidence began to build however a full on NFL investigation was launched exploding an unsubstantiated rumor into an intense scandal that would lead news coverage for weeks As shockwaves rippled throughout the NFL system the very legitimacy of one of the league s most popular teams and their star quarterback began to erode even as the Patriots and Brady went on to win that year s Super Bowl But as the celebrations gave way to the offseason the investigation only intensified reopening old wounds between the Patriots powerful owner Robert Kraft and the NFL commissioner Roger Goodell Brady was devastated and seemingly more nervous in front of a judge that on a game winning drive When the dust settled Brady would be able to play again but only after watching the first four games of the 2016 season from his couch The pressure couldn t have been more intense Brady s legacy was at stake If he failed to return to his usual self all the critics and even the history books would have to put a giant asterisk next to his name signifying one thing he was a cheater 12 is the propulsive story of this gritty comeback It s a drama that unfolds in the locker room the court room and under the brightest lights in all of sports the Super Bowl Now for the first time readers will have an exclusive look into Tom Brady s experience and the NFL s shocking strangle hold on their players With unprecedented access to Brady himself his teammates and his lawyers we will see just how a football legend went up against one of the largest corporations in the world to stage the greatest comeback in NFL history and emerge a god of the gridiron      *Mediaeval Pageant* John Revell Reinhard,1939 Examples of Medieval literature by various authors      **The Patriots and the People** Allan Greer,1993-12-15

The Lower Canadian Rebellion of 1837 has been called the most important event in pre Confederation history. Previously it has been explained as a response to economic distress or as the result of manipulation by middle class politicians. Lord Durham believed it was an expression of racial conflict. *The Patriots and the People* is a fundamental reinterpretation of the Rebellion. Allan Greer argues that far from being passive victims of events, the habitants were actively responding to democratic appeals because the language of popular sovereignty was in harmony with their experience and outlook. He finds that a certain form of popular republicanism with roots deep in the French Canadian past drove the anti government campaign. Institutions such as the militia and the parish played an important part in giving shape to the movement and the customs of the maypole and charivari provided models for the collective actions against local representatives of the colonial regime. In looking closely into the actions, motives and mentality of the rural plebeians who formed a majority of those involved in the insurrection, Allan Greer brings to light new causes for the revolutionary role of the normally peaceful French Canadian peasant. By doing so, he provides a social history with new dimensions.
