Patterns of Economic Behavior Among the American Poor Efraim Gutkind,1986 **Patterns of Economic Behaviour Among the American Poor** Efraim Gutkind,1986-06-18 **The Poverty Matrix** Efraim Gutkind,1983
Recent Social Trends in the United States, 1960-1990 Theodore Caplow,Howard M. Bahr,John Modell,Bruce A. Chadwick,1994-03-21 On Rachel Carson and her work and on current environmental challenges The four authors present information on various American trends demographic macroeconomic and macro technological Descriptions tables and graphs trace the dynamics of population specifically in relation to the expansion which followed the 1982 83 recession and analyze achievements in intelligence genetic engineering and space travel Annotation copyrighted by Book News Inc Portland OR **Beyond the Resources of Poverty** Sebnem Eroglu,2016-04-08 This groundbreaking volume researches the lives of gecekondu settlers in the capital city of Turkey in order to understand how households cope with poverty and why some households are more successful than others in reducing their deprivation It takes a critical stance towards existing conceptions such as household survival livelihood and coping strategy and develops an alternative model based on four types of household response to poverty income generation income allocation consumption and investment In explaining household responses and their outcomes for poverty the book demonstrates the role of different resources beyond income including social economic and cultural capital It emphasises broader structural factors such as labour market processes and state policies which influence the availability and or benefit delivery capacity of household resources and thereby moves beyond the dominant view which overemphasises the resilience of the poor Gender divisions within the household are also examined The book adopts an innovative method for measuring poverty The new method combines objective and subjective dimensions of deprivation to develop a unique way of addressing two central questions what are those standards of living whose absence indicates deprivation and how can the value of each standard of living be determined *Rural Poverty in India* Bhoopal Chandra Mehta,1993 Mexican Americans and the U.S. Economy Arturo Gonzalez,2002 As workers and consumers Mexican Americans are a viable and valuable part of the broad U S economy Despite that many are hindered by low education and consequently low wages and limited opportunities they have continuously struggled for and continue to seek better days and the opportunity to realize their share of the American dream This book examines the problems that Mexican Americans have experienced in attaining economic parity with non Hispanic whites It examines four major topics of particular concern to the economic status of the Mexican American community immigration reviewing the Bracero Program the Immigration Reform and Control Act of 1986 legislation from the 1990s and the problems faced by immigrants today education stressing the importance of economic incentives to invest in education wealth and poverty evaluating opportunities and roadblocks as Mexican Americans aspire to middle class standards of living the labor market covering such topics as employment income and discrimination Arturo Gonzalez has drawn on recent census data to present for the first time in one

volume a detailed economic analysis of three generations of Mexican Americans These statistics reveal a people who are steadily improving economically and provide evidence that stereotypes of Mexican Americans are outdated or erroneous Mexican Americans and the U S Economy shows that economics is an important aspect of the Mexican American experience The book helps broaden students understanding of the community s ongoing struggle putting the quest for buenos d as in clearer perspective Tribe, Poverty and Exploitation Jagannath Rath,2022-01-01 The present study is designed with analytical sophistication theoretical soundness and empirical grounding to bring in deeper critical insights into an understanding of the incidence of poverty and nature of exploitation of tribes in the process of development with the Kandhs of Koraput district in Odisha as case study Undoubtedly the volume will be useful to those interested in equitable participatory inclusive and sustainable tribal development Work in America United States. Congress. House. Select Committee on Children, Youth, and Families,1986 *Family Investments in Children's Potential* Ariel Kalil,Thomas DeLeire,2004-07-22 The papers in this volume bring together a cross disciplinary mix of researchers developmental psychologists evolutionary biologists economists anthropologists and sociologists working on the common theme of investments in children The interdisciplinary conceptual framework adopted by this collection of papers is loosely built around the idea that there are two broad dimensions of parental investments These include resources e g income wealth on the one hand and behaviors e g parental instrumental support and parental activities that promote warmth socialization and cognitive stimulation on the other Believing that parental investments yield a return in improved child and young adult outcomes the papers discuss how parents differ in terms of the resources they have available to invest the choices parents make the behaviors they engage in and relevant policy and program interventions More specifically core questions addressed by the authors include Why do some families invest while others do not and are differential investment patterns related to biology economics or social factors What constitutes a successful investment portfolio How are investments measured and or characterized Are different investments interchangeable compensating or off setting Given a set of resources why are some families able to make more effective investments in child outcomes How well do these investments affect outcomes for children and for these children as young adults Can interventions or public policies help families build assets or become better investors in their children s potential Developing a better understanding of what investments matter when they matter and how resources can be successfully invested in children s potential is key to shaping efficient interventions and social policies Knowledge of how parents invest and what strategies are effective may help policies which seek to further empower and enable parental involvement and choice for their children
