Patterns Ways To Develop A God Filled Life:

Patterns Mel Lawrenz, 2003 A good pattern progressively builds you up A bad pattern relentlessly erodes your humanity Patterning is a focused commitment to making a few habits and character traits the normal the daily the consistent All life is built in patterns Nature has its orderly patterns from the bee building its honeycomb to the DNA encoded in genes The Bible offers patterns for living a godly life There are also patterns in every human life As children of God we have the power to choose the patterns we wish to follow We can build patterns of behavior into our lives that shape our character form our reputation and determine our satisfaction in life Anything we do in life with any kind of repetition is a life pattern whether it builds us up or tears us down says author and pastor Mel Lawrenz Being unaware of our life patterns is about the biggest gamble any of us can take *Patterns* looks at two essential sets of biblical patterns that can help you create a God filled life First come the building blocks of character love joy peace patience kindness goodness faithfulness gentleness and self control Then the book looks at devotion patterns the acts that draw you closer to God such as prayer spiritual reading and worship You ll see how the different patterns relate to one another and how you can become more aware of your own life patterns so you can make a conscious choice to develop a richer more vibrant relationship with God You ll learn how to practice good life patterns that offer a design for spiritual health and strength order for spiritual direction and consistency for an intimate dialogue with God *Patterns* challenges you to cultivate habits of life deeply rooted in the love and grace of God Lawrenz says The idea of patterning is that if we follow the designs God has described in great detail if we follow those blueprints and keep steady in those rhythms we will experience life with a fullness and soundness that comes only from God just like building a home according to the plan of a master architect *Patterns* is a handbook for spiritual development that encourages you to discover the patterns of your own life and how you can nurture God inspired life patterns that build and strengthen your Christian faith *Putting the Pieces Back Together* Mel Lawrenz, 2009-05-26 Ideal for small groups and classes as well as personal use Includes questions for discussion and reflection Discover the grand pattern of God s intention and purpose for your life If you feel that your life is a pile of puzzle pieces and you don t know where to begin *Putting the Pieces Back Together* can help you discover God s pattern for integrity wholeness and reconciliation You ll gain a richer understanding of the Christian faith and how God can help you put the pieces together into a coherent pattern With biblical insight inspiring stories of real people and thoughtful questions for discussion this guide takes you on a journey through the major themes of Christian belief as they intersect with real life issues *Putting the Pieces Back Together* will help you build a solid foundation of faith that nothing can ever shake or destroy *Spiritual Disciplines Handbook* Adele Ahlberg Calhoun, 2015-11-19 Adele Calhoun s *Spiritual Disciplines Handbook* has become a standard for those who want to expand their knowledge of spiritual practices Now this beloved resource has been revised throughout and expanded to include thirteen new disciplines along with a new preface by the author giving us practical guidance in our continuing journey
