Patterson's History of Victoria County, Cape Breton, Nova Scotia George Geddie Patterson,1978 **Patterson's History of Victoria County, Cape Breton, Nova Scotia ; with Related Papers** George Geddie Patterson,1978

Beyond the Atlantic Roar Donald Fraser Campbell,Douglas F. Campbell,R. A. MacLean,1974 Blending the skills of sociology and history the authors focus on the changing values of the Scots and the threatened disappearance of their distinctive lifestyle **In the Morning** W. James MacDonald,Bonnie Thornhill,1999 [The Island of Seven Cities](#) Paul Chiasson,2025-10-16 The Island of Seven Cities unveils the first tangible proof that the Chinese settled in the New World before Columbus In the summer of 2003 architect Paul Chiasson decided to climb a mountain he had never explored on Cape Breton Island where eight generations of his Acadian family had lived One of the oldest points of exploration and settlement in the Americas with a written history dating back to the first days of European discovery Cape Breton is littered with remnants of old settlements But that day Chiasson found a road that was unique Well made and consistently wide and at one time clearly bordered with stone walls the road had been a major undertaking But he could find no record of it In the two years of detective work that followed Chiasson systematically surveyed the history of Europeans in North America and came to a stunning conclusion the ruins he had stumbled upon an entire townsite on a mountaintop did not belong to the Portuguese the French the English or the Scots And they predated John Cabot s 1497 discovery of the island Using aerial and site photographs maps and drawings and his own expertise as an architect Chiasson re creates how he pieced together the clues to one of the world s great mysteries a large Chinese colony existed and thrived on Canadian shores well before the European Age of Discovery He addresses how the ruins had been previously overlooked or misunderstood and how the colony was abandoned and forgotten in China and in the New World And he discovers the traces the colony left in the storytelling and culture of the Mi kmaq whose written language clothing technical knowledge religious beliefs and legends he argues expose deep cultural ties to China A gripping account of an earth shaking discovery The Island of Seven Cities will change the way we think about our world **Reappraisals of British Colonisation in Atlantic Canada, 1700-1930** Kehoe Karly Kehoe,2020-05-01 This collection offers new perspectives on the legacy of British colonisation by concentrating on Atlantic Canada Nova Scotia New Brunswick Newfoundland and Prince Edward Island a region that was pivotal to safeguarding Britain s imperial ambitions between 1750 and 1930 New and established researchers from Canada Scotland and the United States engage with the core themes of migration dispossession religion identity and commemoration in a way that diverges markedly from existing scholarship The research shines much needed light on groups traditionally excluded from Britain s broader imperial narrative highlighting the indigenous experience and the presence and agency of slaves free people of colour and religious minorities **Catalogue of the Library of King's College, Windsor, Nova Scotia, with Occasional Annotations by Harry Piers** King's College, University of, Windsor, N.S. Library,1893 *Cape Breton in the*

Long Twentieth Century Lachlan MacKinnon, Andrew Parnaby, 2024-03-26 The emergence dominance and alarmingly rapid retreat of modernist industrial capitalism on Cape Breton Island during the long twentieth century offers a particularly captivating window on the lasting and varied effects of deindustrialization Now at the tail end of the industrial moment in North American history the story of Cape Breton Island presents an opportunity to reflect on how industrialization and deindustrialization have shaped human experiences Covering the period between 1860 and the early 2000s this volume looks at trade unionism state and cultural responses to deindustrialization including the more recent pivot towards the tourist industry and the lived experiences of Indigenous and Black people Rather than focusing on the separate or distinct nature of Cape Breton contributors place the island within broad transnational networks such as the financial world of the Anglo Atlantic the Celtic music revival the Black diaspora Canadian development programs and more In capturing the vital elements of a region on the rural resource frontier that was battered by deindustrialization the histories included here show how the interplay of the state cultures and transnational connections shaped how people navigated these heavy pressures both individually and collectively *Dictionary of Cape Breton English* William J. Davey, Richard MacKinnon, 2016-01-01 The first regional dictionary devoted to the island s linguistic and cultural history the Dictionary of Cape Breton English is a fascinating record of the island s rich vocabulary **Subject Catalog** Library of Congress, 1979
