Paul And Jesus:

Paul and Jesus James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today

Paul, the Apostle of Jesus Christ Ferdinand Christian Baur, 2021-05-28 Baur's Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, 'The Life and Activity of the Apostle Paul', consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, 'The Epistles of the Apostle Paul', is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deutero Pauline epistles, Ephesians, Colossians, Philippians, Thessalonians, Philemon, and the Pastoral Epistles 1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, 'The Apostle's Theological Framework', draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek. Baur on Paul truly becomes available in English for the first time.

Paul and Jesus David Wenham, 2002 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus' teachings. David Wenham has written convincingly against this view and in this new book he introduces readers to the true Paul. Rooted in a thorough knowledge of the New Testament, this book fulfills two important purposes. First, it provides a superb introduction to Paul himself. Wenham describes Paul's early life, shows the importance of his conversion, and follows him on his missionary journeys. Second, the book explores Paul's relation to Jesus. Writing in dialogue with those who wish to distance Paul from Jesus, Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism. What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world.

Jesus, Paul, and the Gospels James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well-integrated and illuminating approach to a variety of basic issues in the study of the New Testament. Provided by publisher.

Jesus and Paul Reconnected Todd D. Still, 2007-10-15 The six essays in this volume consider the relationship between Jesus and Paul from diverse angles, bringing fresh insights into an area of study that has long lain dormant. Written by established scholars, *Jesus and Paul Reconnected* explores historical congruity between Christ and his apostle and examines potential connections in their thought, relationships, and practices. Topics considered include the grace of God, treatment of the poor, law and gospel, Peter's connection between the

two the Last Supper and the death of Christ Todd Still brings these superb scholars together in hopes of encouraging further conversation and contributing to this growing area of New Testament research The result is a new and stimulating exploration of these two extraordinary figures of the faith Contributors John M G Barclay Markus Bockmuehl Beverly Roberts Gaventa Bruce W Longenecker Francis Watson Stephen Westerholm Jesus Have I Loved, but Paul? J. R. Daniel Kirk, 2012-01-01 Readers of the Bible are often drawn to Jesus's message and ministry but they are not as positively inclined toward Paul What should people who love Jesus do with Paul Here Pauline scholar J R Daniel Kirk offers a fresh and timely engagement of the debated relationship between Paul's writings and the portrait of Jesus contained in the Gospels He integrates the messages of Jesus and Paul both with one another and with the Old Testament demonstrating the continuity that exists between these two foundational figures After laying out the narrative contours of the Christian life Kirk provides fresh perspective on challenging issues facing today's world from environmental concerns to social justice to homosexuality

Paul and Jesus Alexander J. M. Wedderburn, 2015-01-29 The relationship between the messages of Jesus and Paul once dubbed by one scholar the second founder of Christianity must count as one of the most central issues in the study of the New Testament The essays collected in this volume first survey the history of the study of this problem and look at some of the main evidence for supposing that the connection between Jesus and Paul was slight notably the paucity of Paul's references to Jesus teachings and his seeming disinterest in the earthly Jesus Other essays take up the question of the continuity between the teaching and the manner of life of the two men and raise the question how this continuity may have been mediated from one to the other A final essay raises the question how far Paul's statements about Christ were related to the earthly life of Jesus This volume brings together a number of substantial contributions to this question by Professor V P Furnish of Dallas by two scholars from the German Democratic Republic Professor N Walter and Dr C Wolff and by the editor

When Paul Met Jesus Stanley E. Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9:1-9 and its parallels 1 Corinthians 9:1 and 2 Corinthians 5:16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again **The Gospel** P.
