Paul, the Community, and Progressive Sanctification James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God s transformative activity culminates with the community rather than the individual the goal of which is to reveal God s glory to the broader creation

Apostle on the Edge Michael R. Cosby, 2009-10-20 Author and teacher Michael R Cosby provides a wonderful guide to Paul s letters helping students relate them to their own cultural setting and figure out for themselves what they mean Irreverent entertaining engaging and fun yet grounded in sound theology Cosby s textbook full of pictures questions and insights is certain to be a most popular educational tool
