Maltese in Michigan Joseph M. Lubig,2011-09-13 Maltese in Michigan is an enlivening volume depicting the struggles and accomplishments of a singular culture an immigrant narrative at once recognizable and enigmatic Without realizing it most Americans are probably familiar with the Maltese people through the cross displayed by firefighters which bears a strong similarity in design and meaning to the one used by the Knights of Malta The noble qualities embodied by the Maltese Cross are reflected in the pride and accomplishments of Maltese immigrants in Michigan a small but vibrant ethnic group Rooted in the post World War II experiences of the 20th century the Maltese established themselves in the city of Detroit and thrived due to a strong work ethic and Catholic faith while maintaining a strong central identity This volume is a tribute to the Maltese of Michigan and all who have begun anew in an unfamiliar land and culture *Children's Books In Print*
