Paul Roos Beyond 300 Paul Roos,1997 *Merger* William Westerman,2021-06-01 In 1996 the 113 year old Fitzroy Football Club played its final game in the AFL Financial pressures brought about by the steady professionalisation of the AFL respected neither the worth of the club s history nor the passion of its fans Out of time and money on 4 July 1996 Fitzroy was forced into a merger with the Brisbane Bears creating the League s first and thus far only merged club **MERGER** tells the story of that fateful year from boardroom drama and intrigue to the wind and mud of the Whitten Oval capturing the profound tragedy of Fitzroy s doomed plight The demise of Fitzroy is a deep wound rather than a scar A tear in the fabric of the game that will never truly repair from the Foreword by Gerard Whateley *Favourite Footy Yarns: Expanded and Updated* Ken Piesse,2020-08-04 How much did it originally cost to sign up the King Wayne Carey Which Carlton player only found out he d retired when he read it in the papers What did Buddy Franklin carry with him on the Kokoda Trail Find out in *Favourite Footy Yarns* Packed full of hilarious mostly true stories fascinating facts bloopers and stats this updated edition from Australian sport s master storyteller Ken Piesse will have you laughing out loud The perfect book for any footy fan it covers the biggest names in the game from Barassi Whitten and Ablett to Riewoldt Fev and Cripps International Books in Print ,1986 Whitaker's Cumulative Book List ,1983 *Forthcoming Books* Rose Army,2002 **Chandragupta Maurya** Sushma Jansari,2023-06-01 We take it for granted that some historical figures become heroes and others do not Chandragupta Maurya evolved from obscure ruler to contemporary national icon The key moment in the making of this Indian hero was a meeting by the banks of the River Indus between Chandragupta and Seleucus founder of the Seleucid empire and one of Alexander the Great s generals in c 305 3 BC This significant event was a moment of peace making at the end of conflict But no reliable account exists in early sources and it is not even clear which ruler was victorious in battle This uncertainty enabled British and Indian historians of the nineteenth and twentieth centuries to interpret the sources in radically different ways With Chandragupta representing India and Seleucus standing in for Britain British scholars argued that Seleucus defeated Chandragupta while Indian academics contended the opposite The writing and reception of history fundamentally influences how we engage with the past and the evolving colonial and post colonial relationship between Britain and India is crucial here In India the image of Chandragupta as an idealised hero who vanquished the foreign invader has prevailed and found expression in contemporary popular culture In plays films television series comic books and historical novels Chandragupta is the powerful and virtuous Hindu ruler par excellence The path to this elevated standing is charted in this book **Literary Performances of Post-Religious Memory in the Netherlands** Jesseka M. Batteau,2021-10-11 This book offers an in depth study of iconic literary narratives and images of religious transformation and secularisation in the Netherlands during the 1960s and 1970s Jesseka Batteau shows how Gerard Reve Jan Wolkers and Maarten t Hart texts and performances can be understood as instances of religious and post religious memory with a broad

public impact They contributed to a widely shared perspective on the Dutch religious past and a collective understanding of what secularisation consists of This uniquely interdisciplinary approach combines insights from literary studies memory studies media studies and religious studies and traces the complex dynamics of the circulation of memory and meaning between literary texts mass media and embodied performances within a post religious society Cumulated Index Medicus,1999 **Whitaker's Books in Print** ,1998
