Paul Celan Paul Celan, 2005-03-14 The best introduction to the work of Paul Celan this anthology offers a broad collection of his writing in unsurpassed English translations along with a wealth of commentaries by major writers and philosophers The present selection is based on Celan's own 1968 selected poems though enlarged to include both earlier and later poems as well as two prose works The Meridian Celan's core statement on poetics and the narrative Conversation in the Mountains This volume also includes letters to Celan's wife the artist Gisèle Celan-Lestrange to his friend Erich Einhorn and to Ren Char and Jean Paul Sartre all appearing here for the first time in English *Under the Dome* Jean Daive, 2020-11-03 An arresting memoir of the final years and tragic suicide of one of twentieth century Europe's greatest poets published on the centenary of his birth Daive's memoir sensitively conjures a portrait of a man tormented by both his mind and his medical treatment but who nonetheless remained a generous friend and a poet for whom writing was a matter of life and death The New Yorker Jean Daive's memoir of his brief but intense spell as confidant and poetic confrère of Paul Celan offers us unique access to the mind and personality of one of the great poets of the dark twentieth century J M Coetzee Paul Celan 1920-1970 is considered one of Europe's greatest post World War II poets known for his astonishing experiments in poetic form expression and address Under the Dome is French poet Jean Daive's haunting memoir of his friendship with Celan a precise

yet elliptical account of their daily meetings discussions and walks through Paris a routine that ended suddenly when Celan committed suicide by drowning himself in the Seine Daive's grief at the loss of his friend finds expression in *Under the Dome* where we are given an intimate insight into Celan's last years at the height of his poetic powers and as he approached the moment when he would succumb to the debilitating emotional pain of a Holocaust survivor In *Under the Dome* Jean Daive illuminates Celan's process of thinking about poetry grappling with questions of where it comes from and what it does invaluable insights about poetry's relation to history and ethics and how poems offer pathways into a deeper grasp of our past and present This new edition of Rosmarie Waldrop's masterful translation includes an introduction by scholars Robert Kaufman and Philip Gerard which provides critical historical and cultural context for Daive's enigmatic timeless text *Under the Dome* breathes with Celan while walking with Celan walking in the dark and the light with Celan invoking the stillness the silence of the breathturn while speaking for the deeply human necessity of poetry Michael Palmer author of *The Laughter of the Sphinx* The fragments textured together in this more than magnificent rendering of Jean Daive's prose poem by this master of the word Rosmarie Waldrop grab on and leave us haunted and speechless Mary Ann Caws author of *Creative Gatherings Meeting Places of Modernism* and editor of the *Yale Anthology of Twentieth Century French Poetry* Rosmarie Waldrop's brilliant translation resonates with her profound knowledge of both Celan's and Daive's poetry and the passion for language that she shares with them The text brings these three major poets together in a highly unusual and wholly successful collaboration Cole Swensen author of *On Walking On* Rosmarie Waldrop takes up Celan's question to Jean Daive as her own I cannot unread her inimitable ease in these pages This is a book that contends with time Fady Joudah author of *Footnotes in the Order of Disappearance* Daive's writing is a highly punctuated recollection a memoir perhaps a testimony but also surely a way of attending to the time of the writing the conditions and coordinates of Celan's various enunciations his linguistic humility Celan's death what Daive calls really unforeseeable remains as an undercurrent in the conversations recollected here gathered up again with an insistence and clarity of true mourning and acknowledgement Judith Butler author of *The Force of Nonviolence*

Contemporary Translation in Transition Maria Khotimsky, Friederike Reents, Henrieke Stahl, William Waters, 2025-01-07 This book investigates the hybrid multiform nature of contemporary poetry with particular emphasis on recent Russian lyric and its translations into German and English Poetry translation thriving and obstinately open ended is not so much a defined process as a practice of ongoing transit across linguistic and national borders The book's innovative format invites contemporary poets into dialogue with literary translators editors publishers and scholars the conversations among their wide ranging essays poems and exchanges both model and investigate the work of transcultural dialogue As a kind of transition poetry translation engages the composition and disintegration of forms revises relations of producers to receivers mixes and rethinks genres and media translates itself as multilingual writing or language experiment Multiple translations of a poem do not compete but interact reshaping the putative gulf between

source and target language In the end this volume underscores the aesthetic productivity of poetry translation and the need to nurture it A must read for anyone interested in the dynamic interplay of poetry language and culture **Miyazawa Kenji** Kenji Miyazawa,2007-05-30 The poet Miyazawa Kenji 1896 1933 was an early twentieth century Japanese modernist who today is known worldwide for his poetry and stories as well as his devotion to Buddhism Miyazawa Kenji Selections collects a wide range of his poetry and provides an excellent introduction to his life and work Miyazawa was a teacher of agriculture by profession and largely unknown as a poet until after his death Since then his work has increasingly attracted a devoted following especially among ecologists Buddhists and the literary avant garde This volume includes poems translated by Gary Snyder who was the first to translate a substantial body of Miyazawa s work into English Hiroaki Sato s own superb translations many never before published demonstrate his deep familiarity with Miyazawa s poetry His remarkable introduction considers the poet s significance and suggests ways for contemporary readers to approach his work It further places developments in Japanese poetry into a global context during the first decades of the twentieth century In addition the book features a Foreword by the poet Geoffrey O Brien and essays by Tanikawa Shuntaro Yoshimasu Gozo and Michael O Brien Publications of the Modern Language Association of America ,2005 The Poetry Review Stephen Phillips,Galloway Kyle,Harold Monroe,2005 Jose Lezama Lima José Lezama Lima,2023-11-15 Recognized as one of the most influential Latin American writers of the twentieth century Jos Lezama Lima born in Cuba in 1910 is associated with the Latin American neo baroque and has influenced several generations of writers in and out of Cuba including such prominent poets as Severo Sarduy and N stor Perlongher Lezama Lima s vision of America in a continental sense stands at the fertile confluence of indigenous African and European influences A crucial experimental writer he has been known in English chiefly for his novel Paradiso while little of his poetry has been translated This anthology is a comprehensive introduction to Lezama Lima s poetry It presents for the first time in English a generous selection of his poems as well as an interview essays and critical work on his poetics Ernesto Livon Grosman has selected elegant and precise translations by James Irby G J Racz Nathaniel Tarn and Roberto Tejada His insightful introduction places the poet in the wider context of Cuban and Latin American cultural history Recognized as one of the most influential Latin American writers of the twentieth century Jos Lezama Lima born in Cuba in 1910 is associated with the Latin American neo baroque and has influenced several generations of writers in and out of Cuba incl **Uniting Regions and Nations through the Looking Glass of Literature** Karoline Szatek-Tudor,2017-03-07 This volume of essays emphasizes the common theme that bodies of water may segregate but ironically also unite nations and their readers through the literature that authors from various countries produce It reveals the importance of valuing literature that over time has travelled down bubbling streams across lakes along ocean waves and white water rivers because fiction drama and poetry know neither actual nor artificial boundaries and therefore they cross fertilize and even transform beliefs practices and roles across cultures Topics examined here range from South Africa s on
