Paul Green:

Paul Green, Playwright of the Real South John Herbert Roper, 2003 Drawing on his complete access to Green's papers and on interviews with surviving family members John Herbert Roper covers all the important aspects of Green's life and career By word and deed Paul Green spread the faith of liberalism across the New South which he insistently called the Real South Long after literary fashion had left him behind he wrote daily and remained at the forefront of causes concerning race relations militarism women's and workers rights and capital punishment **BOOK JACKET** **A Southern Life** Paul Green, 1994 A selection of letters that sums up the life of a literary Southerner who veered away from the commonly held views of his segregated town Paul Green's Wordbook Paul Green, 1990 The culmination of more than sixty years of observing and collecting superstitions customs cures riddles games stories songs and beliefs Paul Green's Workbook An Alphabet of Reminiscence was published in 1990 A personal collection of folk traditions Paul Green thought that these common idioms served to showcase the heritage of mankind With roots in eastern North Carolina Green took inspiration from his peers to write down the traditions of his home state in 1600 pages The first rendition of Paul Green's Workbook was released in March 1937 by the University of North Carolina at Chapel Hill and tentatively titled Folk Beliefs and Practices in Central and Eastern North Carolina 1926-28 It took Green most of his life to revise the workbook until it was in its final state in 1990 **Watering the Sahara** James R. Spence, 2008 Based primarily on previously unpublished interviews with Paul Green Watering the Sahara is a compelling study that chronicles the dramatist's life from childhood in rural Harnett County to military service in World War I the beginnings of his career as both educator and writer his work as a Hollywood screenwriter and the theater collaborations that culminated in the creation of the symphonic drama The Lost Colony Extensive quotation from the interviews provides the reader with new insight into the complexity of North Carolina's leading playwright *Richard Wright's Native Son* Harold Bloom, 2009 Richard Wright is one of the greatest African American writers of the 20th century His masterpiece Native Son is analyzed in this volume of essays Richard Wright Hazel Rowley, 2008-02-15 Skillfully interweaving quotations from Wright's writings Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work In this lively finely crafted narrative Wright passionate complex courageous and flawed comes vibrantly to life Two 8 page photo inserts *We the People* by Pulitzer Prize-winning Playwright Paul Green Maryland Outdoor Drama Association, Paul Green, 1976* *American Writers* Elizabeth H. Oakes, 2004 American Writers focuses on the rich diversity of American novelists Red States Gina Caison, 2018-10 Red States uses a regional focus in order to examine the tenets of white southern nativism and Indigenous resistance to colonialism in the U S South Gina Caison argues that popular misconceptions of Native American identity in the U S South can be understood by tracing how non Native audiences in the region came to imagine indigeneity through the presentation of specious histories presented in regional literary texts and she examines how Indigenous people work against these

narratives to maintain sovereign land claims in their home spaces through their own literary and cultural productions As Caison demonstrates these conversations in the U S South have consequences for how present day conservative political discourses resonate across the United States Assembling a newly constituted archive that includes regional theatrical and musical performances pre Civil War literatures and contemporary novels Caison illuminates the U S South s continued investment in settler colonialism and the continued Indigenous resistance to this paradigm Ultimately she concludes that the region is indeed made up of red states but perhaps not in the way readers initially imagine **Thunder on the Stage** Bruce Allen Dick, 2024-03-26 Richard Wright s dramatic imagination guided the creation of his masterpieces *Native Son* and *Black Boy* and helped shape Wright s long overlooked writing for theater and other performative mediums Drawing on decades of research and interviews with Wright s family and Wright scholars Bruce Allen Dick uncovers the theatrical influence on Wright s oeuvre from his 1930s boxing journalism to his unpublished one acts on returning Black GIs in WWII to his unproduced pageant honoring Vladimir Lenin Wright maintained rewarding associations with playwrights writers and actors such as Langston Hughes Theodore Ward Paul Robeson and Lillian Hellman and took particular inspiration from French literary figures like Jean Paul Sartre Dick s analysis also illuminates Wright s direct involvement with theater and film including the performative aspects of his travel writings the Orson Welles directed *Native Son* on Broadway his acting debut in *Native Son* s first film version and his play *Daddy Goodness* a satire of religious charlatans like *Father Divine* in the 1930s Bold and original **Thunder on the Stage** offers a groundbreaking reinterpretation of a major American writer
