Paul Robeson The Life Times Of A Fre:

Paul Robeson Virginia Hamilton,1974 A biography of the world famous actor and singer who lost much of his popularity when he became a champion of communism **Paul Robeson Speaks** Paul Robeson,1978 The ideas of the world renowned Black American are represented on the arts civil rights socialism and other topics *The Safety of the Kingdom* J. Michael Martinez,2015-08-25 The horrendous events of September 11 2001 heightened awareness of terrorism unlike all but a handful of major catastrophes in American history Like the Japanese attack on Pearl Harbor on December 7 1941 and President Kennedy s assassination on November 22 1963 9 11 is a date forever enshrined in our national memory But 9 11 once again raised the question What should government do to eliminate or reduce the likelihood of a future attack How should national leadership balance its responsibility to protect the civil liberties of U S citizens with its sworn duty to protect their lives In *The Safety of the Kingdom* J Michael Martinez takes up the question of how the United States government has responded to terrorist attacks and in the absence of an attack the fear of foreign and subversive elements that may harm the nation In some cases the government overreaction led to a series of abuses that amplified the severity of the original threat Rather than selecting every instance of government reaction to threats Martinez examines representative cases from the alien and sedition acts in the eighteenth century to the post 9 11 war on terror Edward Snowden s disclosure of classified information related to the NSA s surveillance program brought to the fore an important debate about government scrutiny of its citizens As J Michael Martinez makes clear in this book it is a debate that has been ongoing for centuries Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Popular Music Roman

The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. VII Marcus Garvey,1983 Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey 1887 1940 Volumes I VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s Now the long awaited African volumes of this edition Volumes VIII and IX and a forthcoming Volume X demonstrate clearly the central role Africans played in the development of the Garvey phenomenon The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement They also represent the most extensive collection of documents ever gathered on the early African nationalism of the inter war period Here is a detailed chronicle of the spread of Garvey s call for African redemption throughout Africa and the repressive colonial responses it engendered Volume VIII begins in 1917 with the little known story of the Pan African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA Volume IX continues the story documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism **Nothing**

but Love in God's Water Robert Darden,2014-10-21 The first of two volumes chronicling the history and role of music in the African American experience Nothing but Love in God s Water explores how songs and singers helped African Americans challenge and overcome slavery subjugation and suppression From the spirituals of southern fields and the ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham sacred song has stood center stage in the African American drama Myriad interviews one of a kind sources and rare or lost recordings are used to examine this enormously persuasive facet of the movement Nothing but Love in God s Water explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet **African Americans and the Haitian Revolution** Maurice

Jackson,Jacqueline Bacon,2013-09-13 Bringing together scholarly essays and helpfully annotated primary documents African Americans and the Haitian Revolution collects not only the best recent scholarship on the subject but also showcases the primary texts written by African Americans about the Haitian Revolution Rather than being about the revolution itself this collection attempts to show how the events in Haiti served to galvanize African Americans to think about themselves and to act in accordance with their beliefs and contributes to the study of African Americans in the wider Atlantic World
