Pauls Letters From Prison Philippians Colossians Philemon And Ephesians

George B. Caird

Pauls Letters From Prison Philippians Colossians Philemon And Ephesians:

Paul's Letters from Prison, 1976 The letters Paul wrote to the Ephesians Philippians Colossians and Philemon have one feature in common that distinguishes them from the other letters he wrote in them Paul calls himself a prisoner This thought provoking study examines closely the metaphorical and literal meaning of Paul's bonds and chains Through analysis of the letters themselves Caird considers whether Paul was actually behind bars when he wrote them and if so in which prison or prisons whether he may have been referring to himself figuratively as a prisoner of Jesus Christ and whether he was the actual author of all four letters In assessing these issues Caird outlines each letter's intended audience vocabulary style historical setting literary references and theology Paul's Letters from Prison James Leslie Houlden, 1977 Modern translations have made it clearer than ever that many of Paul's assumptions and ideas are utterly foreign to us This commentary guides the reader into a new understanding of Paul's letters and a new appreciation of his theology and ethics as having meaning for us in today's world Paul is important at two levels At the level of events it was he who brought the Church out of its Jewish cocoon At the level of doctrine it was Paul who first provided a way of formulating the significance of Jesus which made it possible to universalize his mission Paul also brought simplicity and directness into the relationship of the individual with God Finally Paul the Hellenistic Jew was able to go far in expressing the Christian gospel in terms congenial to Greeks to launch the Church's teaching safely on non-semitic waters Jacket flap *Paul's Letters from Prison (Ephesians, Philippians, Colossians, Philemon)* George B. Caird, 1984 *Paul's Prison Epistles* James K. Crews, 2016-12-07 The book of Acts closes with Paul languishing under house arrest being guarded by Roman soldiers while awaiting Caesar's decision about his life What could he do but greet visitors and write letters We have the following four letters he wrote during this time **EPHESIANS** He explained believers are seated with Christ in the heavens far above all governments authorities or powers Regardless of our condition or status on earth we are present and exalted in the spiritual realm with Christ He further instructed Christ's followers how to stand against the wiles of spiritual forces of wickedness **PHILIPPIANS** Paul highlighted Christ's submission to the will of God to set forth the ideals of Christian maturity Paul described the guiding force of his life namely to know Christ to experience the power of His resurrection the fellowship of His suffering and ultimately to run with meaning and purpose to attain the rewards that Christ provides He urged his readers to pursue these same attitudes and maturity to maximize their fruitfulness for the kingdom of God **COLOSSIANS** He warned of false teachers who were teaching empty philosophies instead of Christ He strongly and explicitly spoke of the preeminence of Jesus Christ He urged believers to keep their attention and focus on Christ and Him alone He richly expressed the centrality of Jesus person work and all He provides believers In Him all things were created and all things hold together In Him dwells the sum total of divine perfection Through Christ comes peace from the blood of His cross and ensures believers will be presented to God holy blameless and beyond reproach **PHILEMON** Paul pleads with a slave owner to take back a run away slave This

personal letter is a model of the grace of Jesus Christ as Paul tactfully appeals to Philemon to receive Onesimus without punishment Paul generously assumes all the debts and obligations Onesimus incurred in running away At the same time he subtly reminds Philemon that Paul was responsible for bringing the message of salvation to him and his family Paul's letter is a healing balm for Onesimus who could have been severely punished or even put to death for his actions These letters have been extremely influential for the Church of Jesus Christ For centuries they have profoundly edified encouraged and exhorted believers since Paul wrote them Their influence to the Church and even to our western culture has been inestimable and profound As you use this Study Guide for LIFE you will be helped by three specific tools 1 explanatory notes which offer insight into difficult or controversial passages 2 searching questions which direct you back to the text for answers and 3 probing questions that expand the context and challenge you to apply the truths in these letters to your own life and culture Our goal is that you will know what the text says what it means and will be able to apply it appropriately Through these tools you will discover and understand the purpose power and passion that invigorated Paul during this dark time of his life It is our hope that you will be able to use these discoveries to experience the same closeness and intimacy with the Lord Jesus Christ who was his ever constant always present Lord and Savior These Study Guides are appropriate for the study efforts of individuals small groups or teachers preparing to explain this book Whether you are a curious seeker or a professional minister A Study Guide for LIFE will direct your studies deeply into the Word of God and ultimately into the life and intimacy of Jesus Christ May it also stir your own heart to expand the influence of Christ in yourself your circle of friends and into the uttermost parts of the earth For in this day Jesus is purifying the church and drawing to Himself the last of the lost in anticipation of His soon return to establish His Kingdom on earth
