Positive Discipline Robin Murphy, 2019-09-30 Do you feel like you are failing to properly discipline your child Are you failing to discipline your child trying different discipline tactics but nothing seems to work tired of controlling your child failing to teach your kids good manners and behavior exhausted of dealing with the chaos they do everyday almost ready to give up on parenting You are one lucky mom or dad POSITIVE DISCIPLINE is the new generation of effective parenting People talk about discipline like it is a bad thing involving pain and suffering They fail to understand that discipline is good while punishment is something we have to avoid as much as possible Children are children as they say Discipline seems hard and challenging Sometimes it feels hopeless But parents should know that these kids need the guidance that starts at home Teaching children good and bad behavior starts as soon as we welcome them from birth You need to deal with all the unexplainable tantrums attitude and behavior that they put out as they learn to live life Most of the time you feel like you failed in raising your children You feel like your children betrayed your rules your wishes and your requests You feel defeated as if your child controls the way you should react That is normal You are a parent You are entitled to feel that way BUT THAT SHOULD NOT BE THE WAY IT IS Do you know About 26% of parents spank their children About 65% punish their kids by taking away their toys About 67% of parents yell About 70% of parents use time out And about 90% of parents provide explanation when disciplining their children Parents worldwide impose different discipline tactics But at one point they will tell you how much they wish to do better Children in this generation mature faster It is your job to make a positive impact when disciplining them Now think of this new effective way to make your children behave well Understand that there is a tactic beneficial for their growth And this is exactly what you need When disciplining a child Remember that the most important thing is not your child s behavior The most important thing is your child Look beyond behavior and connect with your child Issa Waters In the book Positive Discipline you ll learn How to become a fine parent Why you need to positively discipline your child How to make a positive impactful approach How to build good behavior How to maintain quality relationship with your child How to address and understand misbehavior How to impose logical consequences How to positively communicate and many more It is about time that you become the parent does parenting right Soon enough you ll enjoy a happy home and happy kids Positive discipline will benefit you much more than you think it will You have to believe and see what it can do in formatting your child s attitude and behavior Find out how to Positively discipline become a positive parent and solve everyday parenting problems Scroll up and click ADD TO CART

Positive Discipline for Preschoolers: Laying the Foundation for Raising a Capable, Confident Child, Everyday Parenting Problems G. P.

Clifford,2021-06-26 Parenting is one job that does not come with a handbook or a supervisor to train you While other parents may give you advice it is up to you to choose how you will raise your child This can be one of the hardest things you do in life because you will not know how well you did until your child is an adult This book is here to give some more advice tips and tricks to raising your child using positive discipline The way you were raised may not be the best to raise your child You could also have made the conscious decision not to raise your child in the same way This book will give a fresh view on discipline that is meant to help your child become a well rounded adult One of the biggest problems with old fashioned discipline and spankers and non spankers alike are guilty of this is that people want to focus on everything their child does wrong While children do need to be corrected when they do wrong you can t expect them to know what to do if you don t tell them In this book you are going to learn What exactly positive discipline is and why so many parents are learning about it How to fill in communication gaps between you and your children to prevent them from misbehaving The importance of focusing on the strengths and not solely on their weaknesses How to diffuse a power struggle How to work with your child s teacher to ensure they behave at home and at school The difference of parenting a teen And much more
