Positive Hero In Russian Literature Second Edition

Stanley Dale Krebs

Positive Hero In Russian Literature Second Edition:

Through the Russian Prism Joseph Frank, 1990 Essays probe the culture that spawned the great novels of Dostoevsky and explore the author's influence on world literature *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *The Routledge Companion to Russian Literature* Neil Cornwell, 2002-06-01 The Routledge Companion to Russian Literature is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women's writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike **The Cambridge Companion to Modern Russian Culture** Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past *The Cambridge Companion to the Classic Russian Novel* Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel **Stalin and the Literary Intelligentsia, 1928-39** A. Kemp-Welch, 2016-07-27 Stalin's fascination with writers was fully reciprocated as the many Odes to Stalin show During the 1970s a hugely elaborated system was established for the regulation of belles lettres based on institutions ideas and individuals This original study ten years in preparation is based on extensive access to Soviet archives Much new evidence has been uncovered about the inner workings of cultural policy in the Stalin period and documents by Stalin himself are published for the first time *Alexander Solzhenitsyn: Cold War Icon, Gulag Author, Russian Nationalist?* Elisa Kriza, 2014-10-01 **Unattainable Bride Russia** Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as

a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths **The Soviet Novel,**

Third Edition Katerina Clark, 2000-08-22 A new Afterword brings the history of Socialist Realism to its end at the close of the 20th century **Erotic Nihilism in Late Imperial Russia** Otto Boele, 2009-11-24 Banned shortly after its publication in 1907 the Russian novel *Sanin* scandalized readers with the sexual exploits of its eponymous hero Wreaking havoc on the fictional town he visits in Mikhail Artsybashev's story the character Sanin left an even deeper imprint on the psyche of the real life Russian public Soon Saninism became the buzzword for the perceived faults of the nation Seen as promoting a wave of hedonistic decadent behavior the novel was suppressed for decades leaving behind only the rumor of its supposedly epidemic effect on a vulnerable generation of youth Who were the Saninists and what was their teaching all about Delving into police reports newspaper clippings and amateur plays Otto Boele finds that Russian youth were not at all swept away by the self-indulgent lifestyle of the novel's hero In fact Saninism was more smoke than fire a figment of the public imagination triggered by anxieties about the revolution of 1905 and the twilight of the Russian empire The reception of the novel Boele shows reflected much deeper worries caused by economic reforms an increase in social mobility and changing attitudes toward sexuality Showing how literary criticism interacts with the age-old medium of rumor *Erotic Nihilism in Late Imperial Russia* offers a meticulous analysis of the scandal's coverage in the provincial press and the reactions of young people who appealed to their peers to resist the novel's nihilistic message By examining the complex dialogue between readers and writers children and parents this study provides fascinating insights into Russian culture on the eve of World War I

Dystopian Fiction East and West Erika Gottlieb, 2001-07-04 Gottlieb juxtaposes the Western dystopian genre with Eastern and Central European versions introducing a selection of works from Russia Poland Hungary and Czechoslovakia She demonstrates that authors who write about and under totalitarian dictatorship find the worst of all possible worlds not in a hypothetical future but in the historical reality of the writer's present or recent past Against such a background the writer assumes the role of witness protesting against a nightmare world that is but should not be She introduces the works of Victor Serge Vassily Grossman Alexander Zinoviev Tibor Dery Arthur Koestler Vaclav Havel and Istvan Klima as well as a host of others all well known in their own countries presenting them within a framework established through an original and

comprehensive exploration of the patterns underlying the more familiar Western works of dystopian fiction **Toxic Voices**

Eric Laursen, 2013-01-30 Introduction Scrounging in the Soviet garbage pit Writing a precarious balance He does not love us when we are dirty Things that should not be found Lost in translation Conclusion Writers forward Soviet Composers and the Development of Soviet Music Stanley Dale Krebs, 2024-11-26 Soviet Composers and the Development of Soviet Music 1970 is a thought provoking review of Soviet music and musicians This scholarly and readable distillation of factual information and well reasoned conclusions is the result of many years of exhaustive study of reference works monographs and journals as well as musical scores both published and unpublished all supplemented by interviews and personal participation in Soviet musical life The author presents a cogent critical analysis of the relationship between extra musical pressures and the theory and practice of artistic autonomy The lives and works of some two dozen major Soviet composers are discussed and insight is provided into Soviet thinking about music and thinking about the arts *The Feminine in the Prose of Andrey Platonov* Philip Bullock, 2017-12-02 Andrey Platonovich Platonov 1899 1951 is increasingly regarded as one of the greatest writers of the Soviet period His linguistic virtuosity philosophical rigour and political unorthodoxy combined to create some of the most captivatingly absurd works of literature in any language Unsurprisingly many of these remained unpublished in his lifetime and indeed for many years thereafter In this lively and original study Philip Bullock traces the development of feminine imagery in Platonov s prose from the seemingly misogynist outrage of his early works to the tender reconciliation with domesticity in his final stories and argues that gender is a crucial feature of the author s audacious utopian vision **One Hundred Years of Masochism** , 2022-06-08 Just over a century has passed since the sexologist Richard von Krafft Ebing coined the term masochism in a revised edition of his *Psychopathia Sexualis* 1890 Put into circulation as part of the fin de si cle process through which sexuality and sexual practices considered deviant became medicalized this suspicious concept grew in significance and explanatory power in the expanding new context of psychoanalytic discourse Today the study of masochism shows signs of becoming a discipline in its own right the political social and cultural ramifications of which exceed and indeed render problematic traditional psychoanalytic perspectives on the phenomenon The essays in this volume demonstrate however that the concept of masochism still offers a point of entry into psychoanalytic theory that while revealing a number of its most vexing insufficiencies and problematic constructions evokes also a sometimes surprising illuminative potential and capacity to adapt to changing social realities And as the volume s title is meant to suggest the authors represented here tend to agree that the continued rich viability of psychoanalytic theory in cultural analysis is best appreciated and ensured through engaging the theory s own social historical and cultural contexts The volume includes clinical perspectives on masochism and articles on medieval romance Goethe Sacher Masoch Krafft Ebing s *Psychopathia Sexualis* Turgenev Tolstoy Multatuli Fassbinder and masochism and postmodernism

Common Places Svetlana BOYM, Svetlana Boym, 2009-06-30 What is the real Russia What is the relationship between

national dreams and kitsch between political and artistic utopia and everyday existence Commonplaces of daily living would be perfect clues for those seeking to understand a culture But all who write big books on Russian life confess their failure to get properly inside Russia to understand its doublespeak Svetlana Boym is a unique guide A member of the last Soviet Generation the Russian equivalent of our Generation X she grew up in Leningrad and has lived in the West for the past thirteen years Her book provides a view of Russia that is historically informed replete with unexpected detail and everywhere stamped with authority Alternating analysis with personal accounts of Russian life Boym conveys the foreignness of Russia and examines its peculiar conceptions of private life and common good of Culture and Trash of sincerity and banality Armed with a Dictionary of Untranslatable Terms we step around Uncle Fedia asleep in the hall surrounded by a puddle of urine and enter the Communal Apartment the central exhibit of the book It is the ruin of the communal utopia and a unique institution of Soviet daily life a model Soviet home and a breeding ground for grassroots informants Here privacy is forbidden here the inhabitants defiantly treasure their bits of domestic trash targets of ideological campaigns for the transformation perestroika of everyday life Against the Russian and Soviet myths of national destiny the trivial the ordinary even the trashy take on a utopian dimension Boym studies Russian culture in a broad sense of the word she ranges from nineteenth and twentieth century intellectual thought to art and popular culture With her we go walking in Moscow and Leningrad eavesdrop on domestic life and discover jokes films and TV programs Boym then reflects on the 1991 coup that marked the end of the Soviet Union and evoked fin de siècle apocalyptic visions The book ends with a poignant reflection on the nature of communal utopia and nostalgia on homesickness and the sickness of being home **The Gambler Wife** Andrew D.

Kaufman, 2022-08-30 FINALIST FOR THE PEN JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY Feminism history literature politics this tale has all of that and a heroine worthy of her own turn in the spotlight Therese Anne Fowler bestselling author of *Z A Novel of Zelda Fitzgerald* A revelatory new portrait of the courageous woman who saved Dostoyevsky's life and became a pioneer in Russian literary history In the fall of 1866 a twenty year old stenographer named Anna Snitkina applied for a position with a writer she idolized Fyodor Dostoyevsky A self described girl of the sixties Snitkina had come of age during Russia's first feminist movement and Dostoyevsky a notorious radical turned acclaimed novelist had impressed the young woman with his enlightened and visionary fiction Yet in person she found the writer terribly unhappy broken tormented weakened by epilepsy and yoked to a ruinous gambling addiction Alarmed by his condition Anna became his trusted first reader and confidante then his wife and finally his business manager launching one of literature's most turbulent and fascinating marriages *The Gambler Wife* offers a fresh and captivating portrait of Anna Dostoyevskaya who reversed the novelist's freefall and cleared the way for two of the most notable careers in Russian letters her husband's and her own Drawing on diaries letters and other little known archival sources Andrew Kaufman reveals how Anna protected her family from creditors demanding in laws and her greatest romantic rival through years of penury and exile We watch as she

navigates the writer's self-destructive binges in the casinos of Europe even hazarding an audacious turn at roulette herself until his addiction is conquered And finally we watch as Anna frees her husband from predatory contracts by founding her own publishing house making Anna the first solo female publisher in Russian history The result is a story that challenges ideas of empowerment sacrifice and female agency in nineteenth century Russia and a welcome new appraisal of an indomitable woman whose legacy has been nearly lost to literary history

Western Crime Fiction Goes East Boris Dralyuk, 2012-09-06 This volume examines the staggering popularity of early 20th century Russian detective serials traditionally maligned as Pinkertonovshchina and posits the red Pinkerton as a vital missing link between pre and post Revolutionary popular literature

Popular Theater and Society in Tsarist Russia E. Anthony Swift, 2002-12-30 This is the most comprehensive study available of the popular theater that developed during the last decades of tsarist Russia Swift examines the origins and significance of the new people's theaters that were created for the lower classes in St Petersburg and Moscow between 1861 and 1917 His extensively researched study full of anecdotes from the theater world of the day shows how these people's theaters became a major arena in which the cultural contests of late imperial Russia were played out and how they contributed to the emergence of an urban consumer culture during this period of rapid social and political change Swift illuminates many aspects of the story of these popular theaters the cultural politics and aesthetic ambitions of theater directors and actors state censorship politics and their role in shaping the theatrical repertoire and the theater as a vehicle for social and political reform He looks at roots of the theaters discusses specific theaters and performances and explores in particular how popular audiences responded to the plays

Russian Novelists in the Age of Tolstoy and Dostoevsky J. Alexander Ogden, Judith E. Kalb, 2001 Provides a detailed portrait of the styles concerns and historical involvement of the novel in Russia in the second half of the nineteenth century representing an artistic range from master stylists to those who were more a part of popular culture and are important as a reflection of the flavor of the era rather than as artistic exemplars

Eventually, you will entirely discover a supplementary experience and completion by spending more cash. nevertheless when? do you endure that you require to get those all needs afterward having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more not far off from the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your no question own times to action reviewing habit. among guides you could enjoy now is **Positive Hero In Russian Literature Second Edition** below.
