Tryphonopoulos, Stephen J. Adams, 2005-04-30 Ezra Pound forever changed the course of poetry The author of a vast body of literature his enormous range of references and use of multiple languages make him one of the most obscure authors and because of his Fascism anti Semitism and questionable sanity one of the most controversial This encyclopedia is a concise yet comprehensive guide to his life and writings Included are more than 250 alphabetically arranged entries on such topics as Arabic history Chinese translation dance Hilda Doolittle Egyptian literature Robert Frost and Pound's publications The entries are written by roughly 100 expert contributors and cite works for further reading Ezra Pound forever changed the course of poetry His vast body of poetry and critical works make him one of the 20th century's most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings T. S. Eliot and the Ideology of Four Quartets John Xiros Cooper, 1995-12-14 Criticism of Eliot has ignored the public dimension of his life and work His poetry is often seen as the private record of an internal spiritual struggle Professor Cooper shows how Eliot deliberately addressed a North Atlantic mandarin fearful of social disintegration during the politically turbulent 1930s Almost immediately following publication *Four Quartets* was accorded canonical status as a work that promised a personal harmony divorced from the painful disharmonies of the emerging postwar world Cooper connects Eliot's careers as banker director and editor to a much wider cultural agenda He aimed to reinforce established social structures during a period of painful political transition This powerful and original study re-establishes the public context in which Eliot's work was received and understood It will become an essential reference work for all interested in a wider understanding of Eliot and of Anglo American cultural relations Artists All Burton Raffel, 2010-11-01 **Art of Translating Poetry** Burton Raffel, 2010-11-01 *Ezra Pound and Italian Fascism* Tim Redman, 1991-03-29 This fascinating account of Ezra Pound and Italian Fascism allows the reader to understand the causes and results of Pound's ideology and actions *Ezra Pound as Literary Critic* Emeritus Professor K K Ruthven, K.
