Post-Cold War America, 1992-Present, Volume 9 James Haley, 2002-07 Presents articles and primary documents on twenty seven key historical and cultural events in America spanning 1992 2001 from the Rodney King verdict to the September 11 terrorist attacks and includes an introduction chronology and selected bibliography **The Cold War Period, 1945-1992** Leora Maltz, 2003 Presents nearly thirty essays and primary documents on the political cultural and social struggles and changes that shaped America in the years of the Cold War from 1945 to 1992 and includes a detailed chronology and a The Cold War Period, 1945-1992, Volume 8 Leora Maltz, 2002-10-07 Presents nearly thirty essays and primary documents on the political cultural and social struggles and changes that shaped America in the years of the Cold War from 1945 to 1992 and includes a detailed chronology and a *NATO's Post-Cold War Trajectory* M. Webber, J. Sperling, M. Smith, 2012-08-20 Two decades since the watershed of the Cold War this book investigates NATO's staying power This book investigates how the Alliance has adapted and managed to attend to new roles and purposes through the lens of International Relations theory The Alliance will continue but will remain subject to ongoing crises and challenges of change East Asian Security in the Post-Cold War Era Sheldon W. Simon, 2016-06-16 This edition adds chapters on Burma and Vietnam and updated material throughout reflects the current economic crisis in the region The Age of Reform and Industrialization, 1896-1920, Volume 6 Roman Espejo, 2002-10 Looks at important writings and moments in American history during the the Spanish American War annexation of the Philippines and other territories and the Industrial Revolution

**The Weapons Legacy of the Cold War** Dietrich Schroeer, Alessandro Pascolini, 2019-01-15 First published in 1997 this volume builds its discussion on a technological base along with policy implications and constitutes a review of the current situation in international security created by the Cold War and how the end of the Cold War is likely to change the situation As the close of the Cold War created a multitude of changes in international security resulting in a broad range of topics tackled in this collection It features specialists in military technology physics political science public and international affairs

**China's Security Interests in the Post-Cold War Era** Dr Russell Ong, Russell Ong, 2013-12-19 Concentrates on the economic and political aspects of China's security agenda which have to a certain extent been given less prominence in most security studies on China **American Foreign Relations Reconsidered** Gordon Martel, 2002-11 Brings together 12 scholars of US foreign relations Each contributor provides a concise summary of an important theme in US affairs since the Spanish American War US policy process economic interests relations with the Third World and the nuclear arms race have been highlighted **The End of the Cold War and The Third World** Artemy Kalinovsky, Sergey Radchenko, 2011-04-19 This book brings together recent research on the end of the Cold War in the Third World and engages with ongoing debates about regional conflicts the role of great powers in the developing world and the role of international actors in conflict resolution Most of the recent scholarship on the end of the Cold War has focused on Europe or bilateral US Soviet relations

By contrast relatively little has been written on the end of the Cold War in the Third World in Asia Africa and Latin America How did the great transformation of the world in the late 1980s affect regional conflicts and client relationships Who won and who lost in the Third World and why do so many Cold War era problems remain unresolved This book brings to light for the first time evidence from newly declassified archives in Russia the United States Eastern Europe as well as from private collections recent memoirs and interviews with key participants It goes further than anything published so far in systematically explaining both from the perspectives of the superpowers and the Third World countries what the end of bipolarity meant not only for the underdeveloped periphery so long enmeshed in ideological socio political and military conflicts sponsored by Washington Moscow or Beijing but also for the broader patterns of international relations This book will be of much interest to students of the Cold War war and conflict studies third world and development studies international history and IR in general

Subordinating Intelligence David P. Oakley, 2019-03-15 In the late eighties and early nineties driven by the post Cold War environment and lessons learned during military operations United States policy makers made intelligence support to the military the Intelligence Community's top priority In response to this demand the CIA and DoD instituted policy and organizational changes that altered their relationship with one another While debates over the future of the Intelligence Community were occurring on Capitol Hill the CIA and DoD were expanding their relationship in peacekeeping and nation building operations in Somalia and the Balkans By the late 1990s some policy makers and national security professionals became concerned that intelligence support to military operations had gone too far In Subordinating Intelligence The DoD CIA Post Cold War Relationship David P Oakley reveals that despite these concerns no major changes to national intelligence or its priorities were implemented These concerns were forgotten after 9 11 as the United States fought two wars and policy makers increasingly focused on tactical and operational actions As policy makers became fixated with terrorism and the United States fought in Iraq and Afghanistan the CIA directed a significant amount of its resources toward global counterterrorism efforts and in support of military operations
