Ted Hopf

Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology:

Post-communist Studies And Political Science Frederic J. Fleron, Erik P Hoffmann, 1993-04-25 In this first extended reassessment of Sovietology in over two decades the authors argue that the field's isolation from the social sciences has diminished analysts' ability to explain the dramatic changes in the USSR

Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Postcommunist Studies and Political Science Jr Fleron, Erik P Hoffmann, 2021-06-02 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Russian Studies, Political Science, and the Philosophy of Technology Guoli Liu, Joanna Drzewieniecki, 2022-04-18 This volume presents state of the art creative scholarship in political science and area studies with an emphasis on Russia The contributors all well known in their specialties share the conviction that advancement in the social sciences can only be achieved through plural methodological approaches and interaction with various disciplines Their work in this collection provides critical analyses of key issues in Russian and post Soviet studies It explores the most fruitful ways of studying Russia with particular emphasis on the federal system politics in the era of Putin challenges of Russian foreign policy and Russian attitudes toward democracy The vagaries of democracy are also explored in articles on Georgia and Turkey Additionally this book examines the philosophy of technology with an emphasis on critical theory eco domination and engineering ethics

Beyond Post-communist Studies Terry D. Clark, 2016-07-08 This book makes the case that several East Central European countries have emerged as fully consolidated democracies As such they may be integrated into the mainstream of political

science research and not consigned forever to a transitional category encompassing countries that are now fully democracies as well as some that are not democratic at all The author outlines the steps of another transition from post communist studies to political science research He demonstrates how institutionalist or rational choice theories can be applied to the analysis of political processes in the successfully democratized countries and proposes a new research agenda for political scientists studying the region The results of this work can enrich political science as well as our understanding of both democracy and the politics of contemporary Eastern Europe

The Fall Steven Saxonberg, 2017-07-05 With a foreword by Seymour Lipset Hoover Institution and George Mason University USA The Fall examines one of the twentieth century's great historical puzzles why did the communist led regimes in Eastern Europe collapse so quickly and why was the process of collapse so different from country to country This major study explains why the impetus for change in Poland and Hungary came from the regimes themselves while in Czechoslovakia and East Germany it was mass movements which led to the downfall of the regimes

Democracy and Its Alternatives Richard Rose, William Mishler, Christian Haerpfer, Christian W. Haerpfer, 1998-10-16 The collapse of Communism has created the opportunity for democracy to spread from Prague to the Baltic and Black Seas But the alternatives dictatorship or totalitarian rule are more in keeping with the traditions of Central Europe And for many post Communist societies democracy has come to be associated with inflation unemployment crime and corruption Is it still true then as Winston Churchill suggested a half century ago that people will accept democracy with all its faults because it is better than anything else To find out political scientists Richard Rose William Mishler and Christian Haerpfer examine evidence from post Communist societies in eastern Europe Drawing on data from public opinion and exit polls election results and interviews the authors present testable hypotheses regarding regime change consolidation and prospects for stabilization The authors point out that the abrupt transition to democracy in post Communist countries is normal gradual evolution in the Anglo American way is the exception to the rule While most recent books on democratization focus on Latin America and to some extent Asia the present volume offers a unique look at the process currently under way in nine eastern European countries the Czech Republic Hungary Slovakia Poland Slovenia Bulgaria Romania Belarus and Ukraine Despite the many problems these post Communist societies are experiencing in making the transition to a more open and democratic polity the authors conclude that a little democracy is better than no democracy at all

The Political Economy of Asian Transition from Communism Sujian Guo, 2017-11-28 A comparative study of the political economy of the transition from communism in East and Southeast Asian countries China North Korea Vietnam Laos and Cambodia addressing the key theoretical questions generated from the debate between shock therapists and gradualists While accurately defining the pre reform model this book explores the causal variables that have contributed to reform efforts within Asia examining the significance of the sequencing of political and economic transition and the interplay between politics and the economy in determining variations in transition outcomes Comparing the real world experiences of transition

nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of communism This book makes an important contribution to the political economy theory of comparative communist and post communist studies and provides detailed analytical insights that will prove influential in future theoretical work *Environmental Transitions* Petr Pavlínek, John Pickles, 2002-09-26 *Environmental Transitions* is a detailed and comprehensive account of the environmental changes in Central and Eastern Europe both under state socialism and during the period of transition to capitalism The change in politics in the late 1980s and early 1990s allowed an opportunity for a rapid environmental clean up in an area once considered one of the most environmentally devastated regions on earth The book illustrates how transformations after 1989 have brought major environmental improvements as well as new environmental problems It shows how environmental policy economic change and popular support for environmental movements have specific and changing geographies associated with them *Environmental Transitions* addresses a large number of topics including the historical geographical analysis of the environmental change health impacts of environmental degradation the role of environmental issues during the anti communist revolutions legislative reform and the effects of transition on environmental quality after 1989 *Environmental Transitions* contains detailed case studies from the region which illustrate the complexity of environmental issues and their intimate relationship with political and economic realities It gives theoretically informed ideas for understanding environmental change in the context of the political economy of state socialism and post communist transformations drawing on a wide body of literature from West Central and Eastern Europe *Politics, Paradigms, and Intelligence Failures* Ofira Seliktar, 2015-05-20 Washington's failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire's demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary ***Designs for Democratic Stability*** Abdo I. Baaklini, Helen Desfosses, 2016-06-16 Since the 1980s and the collapse of communist military and race based regimes across the world the euphoria has given way to the question of how to enhance the viability of democratic constitutional government This text covers this issue ***The Political Economy of China's Great Transformation*** Xingyuan Feng, Christer Ljungwall, Sujian Guo, 2016-07-15 The Political Economy of China's Great Transformation consists of three parts first covering the current political transformation providing

a general political background for the socio economic fiscal and urban and rural transformation The book analyses the economic transformation and addresses the shortcomings of existing interpretations of the Chinese Miracle and develops a new multi dimensional framework In addition it shows how the private sector has been developing and what a major role it is playing in pushing forward the overall economic development The book also focuses on the analysis of China s fiscal transformation With the set of refined principles of fiscal federalism that the author has developed it examines the problems of Chinese fiscal federalism in contrast to them It further elaborates on topics such as the local government debt and explains why further reforms are necessary making this book a very comprehensive read to understand China s progress

Freedom's Ordeal Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union Freedom s Ordeal recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy s viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism Freedom s Ordeal is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms

The Demise of the Soviet Union Jan Hallenberg, 2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general

Ukrainian Foreign and Security Policy Jennifer D.P. Moroney, Taras Kuzio, Mikhail A.

Molchanov, 2002-04-30 A key country for stability and security in Europe Ukraine is struggling to create consistent foreign and security policies Political alliances identity struggles economic goals and geopolitical position all pull this newly emergent state in different and often conflicting directions Due to its dependencies on both the West and Russia Ukraine s foreign policy is in a state of flux To ensure stability in this newly emergent state the contributors to this volume argue that the West should be more assertive in offering an unambiguous developmental perspective supporting democracy and the rule of law and offer E U affiliation in the near future International Relations theory and Ukraine s foreign policy are examined in

the first section followed by chapters exploring civil military relations Next comes a look at Ukraine s foreign and security policy orientations in comparative context The book concludes with chapters focusing on matters of national identity ideology and their impact on Ukrainian security policy Scholars and analysts of contemporary Eastern European politics will be interested in what these well known scholars and government officials have to say about the contemporary state of affairs in this pivotal nation

Sowing Market Reforms M. Crumley,2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia s agrarian sector today

The Legacy of the Soviet Union W. Slater,A. Wilson,2004-03-31 The Legacy of the Soviet Union offers a distillation by a group of eminent scholars of their experience of the post Soviet years Analysis of the post Soviet landscape is accompanied by meditations on the impact of the post Soviet transition on both policy makers and academics The book therefore examines both assumptions of transition and reconsiders the experience of Soviet communism in the light of its demise

Understandings of Russian Foreign Policy Ted Hopf,2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

Russian Studies and Comparative Politics Frederic J. Fleron Jr.,2016-12-27 This book brings together several of the author s empirical studies that demonstrate the strength and utility of sociologist Robert Merton s classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century the book offers a new way of approaching

the study of Russian politics for the 21st Century

The Rise and Fall of the Soviet Navy in the Baltic 1921-1941

Gunnar Åselius, 2005-01-10 This book based on extensive work in Russian archives investigates how strategy organisational rivalry and cultural factors came to shape naval developments in the Soviet Union up to the invasion of 1941

Eventually, you will completely discover a supplementary experience and carrying out by spending more cash. yet when? complete you agree to that you require to get those all needs subsequent to having significantly cash? Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology has opened up a world of possibilities. Downloading Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers,

and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Books
