Post Communist Transition Emerging Pluralism In Hungary:

Post-communist Transition András Bozóki, András Körösenyi, George Schöpflin, 2018 The transition from communist dictatorship to multi party democracy has proved a long and painful process for the countries of Eastern Europe and has met with varying degrees of success In Hungary the radical opposition was uniquely successful in fighting off attempts by the old guard communist elite to hijack reform programmes by forcing free elections and creating a multi party system This volume focuses on the Hungarian experience analysing in detail the process of transition from dictatorship to pluralist democracy Some of Hungary's leading political scientists examine issues such as the legitimization crisis of communist rule resulting struggles within the ruling elite and the forces behind transition Constitutional reform party formation and voting behaviour at the first free elections are also taken into account The concluding section places the Hungarian experience in comparative perspective within the context of other Central and Western European states Bloomsbury Publishing

Transition to Democracy in Eastern Europe K. Beyme, 1996-11-15 This is the first comprehensive study of the transition to democracy in Eastern Europe which includes the processes in party formation political culture building institution building and economic transformation and to differentiate between areas and countries East and southeastern Europe are included as well as the Republics of the former Soviet Union The theories of transformation to democracy developed in former transitions such as 1919 1945 and the 1970s are tested in the case of Eastern Europe In many areas the picture developed by the author is not very optimistic He feels that Anocracy a mixture between democracy and authoritarian regimes is likely to develop in many countries
