fiction **The Living Church** ,1953 **I Never Left Home** Margaret Randall,2020-03-13 In 1969 poet and revolutionary
Margaret Randall was forced underground when the Mexican government cracked down on all those who took part in the
1968 student movement Needing to leave the country she sent her four young children alone to Cuba while she scrambled to
find safe passage out of Mexico In I Never Left Home Randall recounts her harrowing escape and the other extraordinary
stories from her life and career From living among New York s abstract expressionists in the mid 1950s as a young woman to
working in the Nicaraguan Ministry of Culture to instill revolutionary values in the media during the Sandinista movement

the story of Randall's life reads like a Hollywood production. Along the way she edited a bilingual literary journal in Mexico City, befriended Cuban revolutionaries, raised a family, came out as a lesbian, taught college, and wrote over 150 books. Throughout it all, Randall never wavered from her devotion to social justice. When she returned to the United States in 1984 after living in Latin America for twenty-three years, the U.S. Immigration and Naturalization Service ordered her to be deported for her subversive writing. Over the next five years, and with the support of writers, entertainers, and ordinary people across the country, Randall fought to regain her citizenship, which she won in court in 1989. As much as *I Never Left Home* is Randall's story, it is also the story of the communities of artists, writers, and radicals she belonged to. Randall brings to life scores of creative and courageous people on the front lines of creating a more just world. She also weaves political and social analyses and poetry into the narrative of her life. Moving, captivating, and astonishing, *I Never Left Home* is a remarkable story of a remarkable woman.

Triomf Marlene Van Niekerk, 2005-03-29 A scatological black satire, *Triomf* may be the signal Afrikaans novel of the 1990s. A daring, vicious, and hilarious flight of imagination, *The Washington Post* calls it "the story of the four inhabitants of 127 Martha Street in the poor white suburb of Triomf. Living on the ruins of old Sophiatown, the freehold township razed to the ground as a so-called black spot, they await with trepidation their country's first democratic elections. It is a date that coincides fatefully with the fortieth birthday of Lambert, the oversexed misfit son of the house. There is also Treppie, master of misrule and family metaphysician; Pop, the angel of peace teetering on the brink of the grave; and Mol, the materfamilias in her eternal housecoat. Pestered on a daily basis by nosy neighbors, National Party canvassers, and Jehovah's Witnesses, defenseless against the big city towering over them like a vengeful dinosaur, they often resort to quoting to each other the only consolation that they know: we still have each other and a roof over our heads." *Triomf* relentlessly probes Afrikaner history and politics, revealing the bizarre and tragic effect that apartheid had on exactly the white underclass who were most supposed to benefit. It is also a seriously funny investigation of the human endeavor to make sense of life even under the most abject of circumstances. South Africa as you've never seen it: a tale of incest and white trash. Funny, feisty, ferociously clever. Gillian Slovo, author of *Ten Days*. A world-class tragicomic novel, the kind of book that stabs at your heart while it has you rolling on the floor. *The New York Times Book Review*.
