

Postcards From No Mans Land

Emer O'Sullivan

Postcards From No Mans Land:

Postcards From No Man's Land Aidan Chambers, 2004-06-17 Seventeen year old Jacob Todd is about to discover himself Jacob s plan is to go to Amsterdam to honor his grandfather who died during World War II He expects to go set flowers on his grandfather's tombstone and explore the city But nothing goes as planned Jacob isn't prepared for love 150or to face questions about his sexuality Most of all he isn t prepared to hear what Geertrui the woman who nursed his grandfather during the war has to say about their relationship Geertrui was always known as Jacob's grandfather's kind and generous nurse But it seems that in the midst of terrible danger Geertrui and Jacob's grandfather's time together blossomed into something more than a girl caring for a wounded soldier And like Jacob Geertrui was not prepared Geertrui and Jacob live worlds apart but their voices blend together to tell one story 150a story that transcends time and place and war By turns moving vulnerable and thrilling this extraordinary novel takes the reader on a memorable voyage of discovery from No Man's Land Aidan Chambers, 2010-11-30 Jacob aged 17 is abroad on his own for the time visiting his grandfather s grave at the commemoration of the Second World War Battle of Arnhem in Holland Jacob's life changing experiences are interwoven with the extraordinary wartime story of passion and treachery that he learns from Geertrui whose family is linked to Jacob's in a way he never suspected The Originals are the pioneers of fiction for young adults From political awakening war and unrequited love to addiction teenage pregnancy and nuclear holocaust The Originals confront big issues and articulate difficult truths The collection includes The Outsiders S E Hinton I Capture the Castle Dodie Smith Postcards from No Man's Land Aidan Chambers After the First Death Robert Cormier Dear Nobody Berlie Doherty The Endless Steppe Esther Hautzig Buddy Nigel Hinton Across the Barricades Joan Lingard The Twelfth Day of July Joan Lingard No Turning Back Beverley Naidoo Z for Zachariah Richard C O Brien The Wave Morton Rhue The Red Pony John Steinbeck The Pearl John Steinbeck Stone Cold Robert Swindells Cultural Heritage of the Great War in Britain Ross J. Wilson, 2016-04-22 As the hundredth anniversary approaches it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness but also to reflect upon its rich and substantial cultural legacy This book examines the heritage of the Great War in contemporary Britain It addresses how the war maintains a place and value within British society through the usage of phrases references metaphors and imagery within popular media heritage and political discourse Whilst the representation of the war within historiography literature art television and film has been examined by scholars seeking to understand the origins of the popular memory of the conflict these analyses have neglected how and why wider popular debate draws upon a war fought nearly a century ago to express ideas about identity place and politics By examining the history usage and meanings of references to the Great War within local and national newspapers historical societies political publications and manifestos the heritage sector popular expressions blogs and internet chat rooms an analysis of the discourses which structure the remembrance of the war can be created The book

acknowledges the diversity within Britain as different regional and national identities draw upon the war as a means of expression Whilst utilising the substantial field of heritage studies this book puts forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society

Cultural Heritage of the Great War in Britain Dr Ross J Wilson, 2013-10-28 As the hundredth anniversary approaches it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness but also to reflect upon its rich and substantial cultural legacy This book examines the heritage of the Great War in contemporary Britain It addresses how the war maintains a place and value within British society through the usage of phrases references metaphors and imagery within popular media heritage and political discourse Whilst the representation of the war within historiography literature art television and film has been examined by scholars seeking to understand the origins of the popular memory of the conflict these analyses have neglected how and why wider popular debate draws upon a war fought nearly a century ago to express ideas about identity place and politics By examining the history usage and meanings of references to the Great War within local and national newspapers historical societies political publications and manifestos the heritage sector popular expressions blogs and internet chat rooms an analysis of the discourses which structure the remembrance of the war can be created The book acknowledges the diversity within Britain as different regional and national identities draw upon the war as a means of expression Whilst utilising the substantial field of heritage studies this book puts forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society Teaching Drama With, Without and **About Gender** Jo Riley, 2021-11-29 This exciting new book offers practical resources and lesson plans for exploring gender in the drama curriculum It looks at how theatre performances throughout history have played with the concept of identity and gender and explains why drama lessons can provide a safe and considerate space for thinking about gender Drawing on theatre history world theatre theatre forms and theatre theory each chapter focuses on key topics that will challenge students to play and explore gender roles as they choose Introducing a new drama vocabulary drawn from archaeology and cartography this book includes a wide range of materials for excavation from traditional stories contemporary children s literature Greek mythology Elizabethan and Restoration theatre Japanese and Chinese theatre mask and physical theatre Providing new insight into how existing drama units can be redefined to create a space where the exploration of gender identity is not only allowed but something exciting and joyful to focus on this is an essential resource for all drama teachers

Young Adult Literature Michael Cart,2010-09-01 This insightful and often humorous work presents the evolution of YA lit in an appealing way making it equally useful for students of literary studies **Children's Literature in Translation** Jan Van Coillie,Walter P. Verschueren,2014-07-16 Children's classics from Alice in Wonderland to the works of Astrid Lindgren Roald Dahl J K Rowling and Philip Pullman are now generally recognized as literary achievements that from a translator s

point of view are no less demanding than serious adult literature This volume attempts to explore the various challenges posed by the translation of children's literature and at the same time highlight some of the strategies that translators can and do follow when facing these challenges A variety of translation theories and concepts are put to critical use including Even Zohar's polysystem theory Toury's concept of norms Venuti's views on foreignizing and domesticating translations and on the translator's in visibility and Chesterman's prototypical approach Topics include the ethics of translating for children the importance of child hood images the revelation of the translator in prefaces the role of translated children s books in the establishment of literary canons the status of translations in the former East Germany questions of taboo and censorship in the translation of adolescent novels the collision of norms in different translations of a Swedish children's classic the handling of cultural intertextuality in the Spanish translations of contemporary British fantasy books strategies for translating cultural markers such as juvenile expressions functional shifts caused by different translation strategies dealing with character names and complex translation strategies used in dealing with the dual audience in Hans Christian Andersen s fairy tales and in Salman Rushdie s Haroun and the Sea of Stories **Aidan Chambers** Betty Greenway, 2006-07-27 Aidan Chambers Master Literary Choreographer is a full length study that integrates the biography creative writing and criticism of one of the most important figures in young adult literature and incorporates these strands into a complete picture that will enhance the understanding of readers Teachers librarians and scholars of young adult literatures as well as devoted fans and students doing research on Chambers or the subjects of his novels will benefit from this in depth examination of how his life Tolerance Discourse and Young Adult Holocaust Literature Rachel and thought have influenced his work Dean-Ruzicka, 2016-11-25 What exactly does one mean when idealizing tolerance as a solution to cultural conflict This book examines a wide range of young adult texts both fiction and memoir representing the experiences of young adults during WWII and the Holocaust Author Rachel Dean Ruzicka argues for a progressive reading of this literature Tolerance Discourse and Young Adult Holocaust Literature contests the modern discourse of tolerance encouraging educators and readers to more deeply engage with difference and identity when studying Holocaust texts Young adult Holocaust literature is an important nexus for examining issues of identity and difference because it directly confronts systems of power privilege and personhood The text delves into the wealth of material available and examines over forty books written for young readers on the Holocaust and in the last chapter neo Nazism The book also looks at representations of non Jewish victims such as the Romani the disabled and homosexuals In addition to critical analysis of the texts each chapter reads the discourses of tolerance and cosmopolitanism against present day cultural contexts ongoing debates regarding multicultural education gay and lesbian rights and neo Nazi activities The book addresses essential questions of tolerance and toleration that have not been otherwise considered in Holocaust studies or cultural studies of children's literature *Into the Closet* Victoria Flanagan, 2013-08-21 Into the Closet examines the representation of cross dressing in a wide variety of children's fiction

ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children's narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date Into the Closet fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender Into the Closet is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children's literature and film as a strategy to educate or enculturate children about gender Young Adult Literature, Fourth Edition Michael Cart, 2022-05-09 Editorial Advisory Board Sarah Park Dahlen Associate Professor School of Information Sciences University of Illinois Urbana Champaign Marianne Martens Associate Professor School of Information Kent State University Amy Pattee Associate Professor and Co coordinator of Dual Degree MS LIS MA Children's Literature School of Library and Information Science Children's Literature Simmons University Comprehensive and substantial a highly recommended resource raved VOYA about the third edition Now to keep pace with changes in the field of publishing and realign itself to the newest generation of young adults Cart returns with a sweeping update of his classic text Relied upon by educators LIS instructors and students and practitioners for its insight and thoroughness his book surveys the landscape of YA lit both past and present sketching out its origins and showing how it has evolved to deal with subjects every bit as complex as its audience closely examines teen demographics literacy audiobooks the future of print the role of literary criticism and other key topics provides updated coverage of perennially popular genre fiction including horror sci fi and dystopian fiction delves deeply into multicultural and LGBTQIA literature substantially updated in this edition features expansive interviews with best selling authors like Eric Shanower Jackie Woodson and Bill Konigsberg as well as several publishers and leaders in the field discusses the impact of the Printz Award ALAN's Walden Award the National Book Award The Los Angeles Times Book Award and other honors and features abundant bibliographic material to aid in readers advisory and collection development Ways of Being Male John Stephens, 2013-10-18 Given the substantial impact of feminism on children's literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has emerges as an overt theme in children's literature and film critical consideration of the subject is timely if not long overdue Ways of Being Male addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the

ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ international discourses in literary criticism feminism social sciences film theory psychoanalytic criticism and queer theory in their wide ranging exploration of male representation With its illuminating array of perspectives this pioneering survey brings a long neglected subject into sharp focus **Modernist Postcards** Bradley D. Clissold, 2023-08-31 Informed by both new and old media theory materialist approaches to the study of everyday objects and a series of close readings that chart the critical history of postcard use in the fiction and correspondence of Ernest Hemingway Ring Lardner James Joyce and Wilfred Owen this book locates and attempts to rediscover lost misplaced and neglected postcard materialities as they relate to the archiving editing publishing and fictional repurposing of postcards across Anglo American Literary Modernism 1880 1939 It argues that postcards need to be recognized as important early twentieth century communication technologies and distinctly modernist textualities composed of multimedia recto verso intertextualities Moreover their material limitations encourage users to inscribe messages often in fragmented language forms and innovative cultural shorthands a k a postcardese This study redresses the ongoing widespread scholarly neglect of signifying postcard materialities in modernist studies and the editorial silencing of postcard features in collections of published author correspondence It also stresses that for these four literary figures of modernism the material choice of a postcard for communicating is always as much the meta message as any of the signifying materialities they carry uploaded onto their platforming surfaces Young Adult Literature: From Romance to Realism, Third Edition Michael Cart, 2017-11-21 Border Sexualities, Border Families in Schools Maria Pallotta-Chiarolli, 2010-05-16 The first book of its kind internationally Border Sexualities Border Families in Schools explores the experiences of bisexual students mixed sexual orientation families and polyamorous families in schools For the first time a book foregrounds the voices and experiences of these students and families who are falling into the gaps or on the borders of a school s gay straight divide in anti homophobia policies and programs and schools recognizing families as meaning either heterosexual couples or increasingly homosexual couples Drawing from interviews and online research with students parents and teachers as well as providing a comprehensive overview and analysis of international educational and health research and media popular cultural texts this book addresses the following what are the problematic and or empowering experiences and strategies of bisexual students multisexual and polyamorous families in educational systems what could schools be doing to promote healthy sexual emotional and social relationships for bisexual students and multisexual polyamorous families in school communities what recommendations implementations do bisexual students and multisexual polyamorous families suggest in regard to school curriculum school policies and student welfare in order to acknowledge and support family diversity in school communities In particular the research findings which are reported in this book show that border sexualities and border families use three types of strategies passing or normalization and assimilation in school settings

bordering or negotiation and navigation between the private world of home and public world of school and polluting or non compliance and resistance thereby outing their sexualities and families within the school world Within a social deconstructionist multicultural post colonial feminist queer theoretical framework this book spans health education sociology psychology gender family sexuality and cultural studies Crossover Fiction Sandra L. Beckett, 2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices. This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization **Intl Comp Ency Child Lit** E2 V1 Peter Hunt, 2018-12-12 Children's literature continues to be one of the most rapidly expanding and exciting of interdisciplinary academic studies of interest to anyone concerned with literature education internationalism childhood or culture in general This edition has been expanded and includes over 50 new articles New topics include Postcolonialism Comparative Studies Ancient Texts Contemporary Children's Rhymes and Folklore Contemporary Comics War Horror Series Fiction Film Creative Writing and Crossover literature The international section has been expanded to reflect world events

Children at War Kate Agnew, Geoff Fox, 2001-10-01 This book provides a critical appraisal of the treatment of war in children's reading during the 20th century covering World War I World War II and subsequent wars including Vietnam the Gulf War and the war in the Balkans Historical Dictionary of Children's Literature Emer O'Sullivan, 2023-04-24 History is constantly evolving and the history of children's literature is no exception Since the original publication of Emer O Sullivan's Historical Dictionary of Children's Literature in 2010 much has happened in the field of children's literature New authors have come into print new books have won awards and new ideas have entered the discourse within children's literature studies Historical Dictionary of Children's Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries This book will be an excellent resource for students scholars researchers and anyone interested in the field of children's literature studies
