Palm Springs in Vintage Postcards Judy Artunian, Mike Oldham, 2005 Palm Springs has been a desert vacation oasis for nearly a century and remains the ultimate posh desert spa in pop culture Film stars put Palm Springs on the map as a destination for weekend getaways In the postwar era it became a centerpiece for golfers and a second home for such Hollywood icons as Bob Hope and Bing Crosby Over the years postcards portraying Palm Springs have concentrated on its hotels spas golf courses celebrities and other aspects that have fed the national reputation of the city and its environs as a playground for the rich and famous Postcards from the Front 1914-1919 Kate J. Cole, 2016-05-15 Postcards from the Front 1914 1919 captures the essence of this medium in a unique and fascinating way bringing to life the pathos the trauma and the mud and the blood of Flanders and France as the embattled Tommies wrote home to their loved ones Michael Hitchcock, Ken Teague, 2019-09-16 This title was first published in 2000 Souvenirs broadly conceived are generally thought to be the material counterpart of travels events relationships and memories of all kinds The material items classed as souvenirs discussed in this text have memorial functions usually connected with the owner's travels But not all of the items are souvenirs of tourism they are also souvenirs of other past phenomena such as political events suffragettes colonial history India former artistic pre eminence Awaji Ningyo puppetry or former ways of life South American ceramic archaisms The authors do not necessarily focus on material souvenirs in their memorial function as prompters of memory They also use their case studies as starting points for the discussion of many interesting contemporary phenomena such as cottage industries for economic development in Mexico and Ainu as devices to invigorate or maintain artistic practices as emblems of cultural conformity Surrealists or as symbolic weapons in national and international political arguments A key focus of many of the chapters is the question of meaning what is the meaning of any particular souvenir or collection and for whom does it bear that meaning Quick and Easy Ways to Connect with Students and Their Parents, Grades K-8 Diane Mierzwik, 2016-04-26 The research is indisputable The more involved parents are with their child's education the more successful that child will be in school Therefore finding ways as a teacher to reach out to students and their parents is crucial in improving academic performance Quick and Easy Ways to Connect With Students and Their Parents Grades K 8 provides strategies to enrich the classroom environment motivate students and improve communication with parents Supplying numerous sample forms documents and letters that teachers can use or adapt for their own purposes author Diane Mierzwik offers simple classroom tested methods for building relationships with students and their parents Designed for both beginning and experienced teachers this hands on guidebook includes information on Facilitating constructive parent teacher conferences Preparing for Back to School nights Reaching out to uninvolved parents Talking to parents about troubled students Motivating even the most difficult students Using e mail as a communication tool and other time saving tips The activities suggestions and techniques in this book can help any teacher make a substantive impact on the lives of

students Snapshots and Short Notes Kenneth Wilson, 2020-08-14 Snapshots and Short Notes examines the photographic postcards exchanged during the first half of the twentieth century as illustrated first hand accounts of American life Almost immediately after the introduction of the generic postcard at the turn of the century innovations in small accessible cameras added black and white photographs to the cards The resulting combination of image and text emerged as a communication device tantamount to social media today Postcard messages and photographs tell the stories of ordinary lives during a time of far reaching technological demographic and social changes a family s new combine harvester that could cut 40 acres a day a young woman trying to find work in a man's world the sight of an airplane in flight However postcards also chronicled and shared hardship and tragedy the glaring reality of homesteading on the High Plains natural disasters preparations for war and the struggles for racial and gender equality With a meticulous eye for detail painstaking research and astute commentary Wilson surveys more than 160 photographic postcards reproduced in full color that provide insights into every aspect of life in a time not far removed from our own **60 Postcards** Rachael Chadwick, 2015-02-26 The heartfelt and uplifting story of how a project to scatter 60 Postcards in memory of her mother helped a young girl come to terms with her loss On 11 February 2012 Rachael Chadwick lost her Mother to cancer just sixteen days after first being diagnosed and her world shattered right in front of her Utterly fed up of the milestones and reminders in December of that year she decided she would do something different and created a project based around her Mum's approaching 60th Birthday Desperate to spread the word about the wonderful person she had lost Rachael had the brainwave of leaving notes around a city in her memory Deciding she would take it a step further she wondered what would happen if she could ask people to respond to her Full of hope and energy she hand wrote sixty postcards each with her email address at the bottom asking the finder to get in touch But one question remained where should she go Knowing how much she longed to visit Paris the last gift that Rachael s mum had given her was Eurostar vouchers and so it seemed fitting that this would be her chosen city So off she went with a group of friends to celebrate discover and to scatter her memories Filling their time in Paris with sight seeing food and drink Wilson's Photographic Magazine ,1909 laughter and of course postcards The Moon by Day Ginny Anderson, 2004

Storytime: True Friends Duba Kolanovic, 2018-10-18 When Fox meets a goose who has been left by her flock he decides to help her catch up with her migrating friends A beautiful story about discovering true friendship sure to appeal to children <u>Understanding the U.S. Wars in Iraq and Afghanistan</u> Beth Bailey, Richard H. Immerman, 2015-12-18 and parents Understanding the United States wars in Iraq and Afghanistan is essential to understanding the United States in the first decade of the new millennium and beyond These wars were pivotal to American foreign policy and international relations They raised critical ethical and legal questions they provoked debates over policy strategy and war planning they helped to shape American domestic politics And they highlighted a profound division among the American people While more than two million Americans served in Iraq and Afghanistan the vast majority of American and their families remained untouched by and frequently barely aware of the wars conducted in their name far from American shores in regions about which they knew little Understanding the U S Wars in Irag and Afghanistan gives us the first book length expert historical analysis of these wars It examines the lessons and legacies of wars whose outcomes may not be clear for decades Back cover Wartime Japan, 1940-1945 Samuel Hideo Yamashita, 2017-02-19 The population of wartime Japan 1940 1945 has remained a largely faceless enemy to most Americans thanks to the distortions of US wartime propaganda popular culture and news reports At a time when this country's wartime experiences are slowly and belatedly coming into focus this remarkable book by Samuel Yamashita offers an intimate picture of what life was like for ordinary Japanese during the war Drawing upon diaries and letters written by servicemen kamikaze pilots evacuated children and teenagers and adults mobilized for war work in the big cities provincial towns and rural communities Yamashita lets us hear for the first time the rich mix of voices speaking in every register during the course of the war Here is the housewife struggling to feed her family while supporting the war effort the eager conscript from snow country enduring the harshest most abusive training imaginable in order to learn how to fly the Tokyo teenagers made to work in wartime factories the children taken from cities to live in the countryside away from their families and with little food and no privacy the Kyushu farmers pressured to grow ever more rice and wheat with fewer hands and less fertilizer and the Kyoto octogenarian driven to thoughts of suicide by his inability to contribute to the war How these ordinary Japanese coped with wartime hardships and dangers and how their views changed over time as disillusionment impatience and sometimes despair set in is the story that Yamashita's book brings to the American reader A history of life during war Daily Life in Wartime Japan 1940 1945 is also a glimpse of a now vanished world
