Postcolonial Biblical Reader

R. S. Sugirtharajah

Postcolonial Biblical Reader:

The Postcolonial Biblical Reader R. S. Sugirtharajah, 2005-12-23 This wide ranging Reader provides a comprehensive survey of the interaction between postcolonial criticism and biblical studies Examines how various empires such as the Persian and Roman affected biblical narratives Demonstrates how different biblical writers such as Paul Matthew and Mark handled the challenges of empire Includes examples of the practical application of postcolonial criticism to biblical texts Considers contemporary issues such as diaspora race representation and territory Editorial commentary draws out the key points to be made and creates a coherent narrative **Exploring Postcolonial Biblical Criticism** R. S.

Sugirtharajah, 2011-03-29 Exploring Postcolonial Biblical Criticism History Method Practice offers a concise and multifaceted overview of the origins development and application of postcolonial criticism to biblical studies Offers a concise and accessible introduction to postcolonial biblical studies Provides a comprehensive overview of postcolonial studies by one of the field s most prominent figures Explains one of the most innovative and important developments in modern biblical studies Accessible enough to appeal to general readers interested in religion **The Postcolonial Biblical Reader** R. S.

Sugirtharajah, 2008-04-15 This wide ranging Reader provides a comprehensive survey of the interaction between postcolonial criticism and biblical studies Examines how various empires such as the Persian and Roman affected biblical narratives Demonstrates how different biblical writers such as Paul Matthew and Mark handled the challenges of empire Includes examples of the practical application of postcolonial criticism to biblical texts Considers contemporary issues such as diaspora race representation and territory Editorial commentary draws out the key points to be made and creates a coherent narrative Postcolonial Feminist Interpretation of the Bible Musa W. Dube Shomanah, Musa Dube, 2012-11 Taneda Santoka

s poetry attracted limited notice during his lifetime 1882 1940 but there has been a remarkable upsurge of interest in his life and writings Including 245 poems and selected diary excerpts For All My Walking makes Santoka s work available to English speaking readers **Postcolonial Biblical Interpretation** Jeremy Punt, 2015-01-08 In Postcolonial Biblical Interpretation

Jeremy Punt reflects on the nature and value of the postcolonial hermeneutical approach as it relates to the interpretation of biblical and in particular Pauline texts Showing when a socio politically engaged reading becomes postcolonial but also what in the term postcolonial both attracts and also creates distance exegesis from a postcolonial perspective is profiled The book indicates possible avenues in how postcolonial work can be helpful theoretically to the guild of biblical scholars and to show also how it can be practiced in exegetical work done on biblical texts *Postcolonial Commentary and the Old Testament*

Hemchand Gossai, 2018-11-01 This is the first volume to provide a wide range of postcolonial interpretations of and commentaries upon significant texts in the Hebrew Bible The volume intersects with the work of the key theorists in postcolonial studies such as Fanon Senghor Said and Spivak as well as with scholars such as Sugirtharajah Kwok Pui lan and Segovia who have applied this theory to biblical studies Texts have been chosen specifically for their relevance to

postcolonial discourse rather than seeking to cover each biblical document This volume is designed to demonstrate how historical criticism postmodernism and the important concerns of postcolonial readings may be integrated to obtain an informed explanation of the Hebrew Bible and the writings of early Judaism The chapters are written by scholars who represent a spectrum of national indigenous and diasporic contexts Taken together these perspectives and the interpretations they yield represent a continued expansion of the manner in which Old Testament texts are read and interpreted through postcolonial lenses reminding readers that the interpretive trajectories of these texts are almost inexhaustible As such the volume serves as not only an addition to ongoing scholarship on postcolonialism but also as an expansion of the horizon for dialogue

Postcolonial Criticism and Biblical Interpretation Rasiah S. Sugirtharajah, 2002 In this stimulating study R S Sugirtharajah explores the implications of postcolonial criticism for biblical studies He reveals how postcolonial criticism can offer an alternative perspective to our understanding of the Bible and how when the Bible has been deployed as a Western cultural icon it has come to be questioned in new ways

Exploring Postcolonial Biblical Criticism R. S. Sugirtharajah, 2011-05-02 Exploring Postcolonial Biblical Criticism History Method Practice offers a concise and multifaceted overview of the origins development and application of postcolonial criticism to biblical studies Offers a concise and accessible introduction to postcolonial biblical studies Provides a comprehensive overview of postcolonial studies by one of the field's most prominent figures Explains one of the most innovative and important developments in modern biblical studies Accessible enough to appeal to general readers interested in religion

From Historical to Critical Post-Colonial Theology Robert S Heaney, 2016-05-26 What is post colonial theology How does it relate to theology that emerged in historically colonial situations These are two questions that get to the heart of Robert S Heaney's work as he considers the extent to which theologians predating the emergence of post colonial theology might be considered as precursors to this theological movement Heaney argues that the work of innovative theologians John S Mbiti and Jesse N K Mugambi important in their own right must now also be considered in relation to the continued emergence of post colonial theology When this is done fresh perspectives on both the nature of post colonial theology and contextual theology emerge Through a sympathetic and critical reading of Mbiti and Mugambi Heaney offers a series of constructive moves that counter the ongoing temptation toward acontextualism that continues to haunt theology both in the North and in the South

Asian Feminist Biblical Studies : Perspectives and Methods Maggie Low, 2023-10-12 Groundbreaking and inspiring this book offers a comprehensive and up to date overview of Asian feminist biblical criticism It is a gift to the Asian churches and to the theological community I highly recommend it to all who search for biblical insights to empower women and men to work for justice Kwok Pui lan Dean's Professor of Systematic Theology at Candler School of Theology Emory University This is a superb collection of the different approaches of feminist biblical scholars in Asia I found it invigorating and thought provoking to learn about the multiple ways in which Asian feminists made their exodus from Western biblical studies to

interpret this foundational text in their own unique contexts Gale A Yee Nancy W King Professor of Biblical Studies Emerita Episcopal Divinity School This collection of essays by mostly younger Asian biblical scholars is a welcome addition to a small but growing body of Asian feminist studies The diversity of perspectives methodologies and creative interpretations makes it an ideal introductory text for anyone wishing to learn more about Asian feminism Simon Chan Editor Asia Journal of Theology

Global Dictionary of Theology William A. Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today's global context

From Text to Practice - The Role of the Bible in Daily Living of African People Today Joachim Kügler, Masiwa Ragies Gunda, 2013 Preaching the Word Karoline M. Lewis, 2023-04-11 The question of what to do with the biblical text in the sermon is perennial Biblical scholarship constantly evolves and grows making it hard even for biblical scholars themselves to apply the latest insights in their preaching The average pastor doesn't have time to keep up with the changes in biblical studies and as a result often defaults to interpretive methods learned in increasingly distant seminary years Preaching the Word addresses those needs by surveying recent developments in biblical studies with an eye to applying them in preaching the Gospel of John Noted New Testament Scholar and homiletician Karoline Lewis lays out these recent interpretive tools and methods demonstrating their application to preaching using specific passages in the Fourth Gospel *Reading Old Testament Narrative as Christian Scripture* Douglas S. Earl, 2017-03-03 Douglas Earl sets out a fresh perspective on understanding what is involved in reading Old Testament narrative as Christian Scripture Earl considers various narratives as examples that model different interpretive challenges in the form of exegetical ethical historical metaphysical and theological difficulties Using these examples the significance of interpretive approaches focused on authorial intention history of composition canonical context reception history and reading

context are considered in conjunction with spiritual literary structuralist existential historical critical and ethical critical approaches Christian interpretation of Scripture as Scripture is shown to be an inherently ad hoc task understood as a rule governed practice in Wittgenstein's sense an established goal directed activity for which no method hermeneutical principle or critical perspective discovers meaning or generates good interpretation Good interpretation involves exploration of various construals of the world of the text using hermeneutics of tradition and critique of ideology Ricoeur The interpreter's task is to discern faithful readings and develop their significance in a given intellectual or cultural context The interpretation of Scripture and its appropriation is seen to involve wisdom in forming judgments on a case by case basis learned through examples and experience on what constitutes good interpretation and use Earl shows how traditional hermeneutics and contemporary critical resources suggest that history ethics and theology can rarely be read off Old Testament narrative but also how Christians can appropriate ethically and historically problematic books such as Joshua faithfully adopt a minimalist approach to 1 2 Samuel and embrace a Trinitarian reading of Genesis 1

Prophecy and Power: Jeremiah in Feminist and Postcolonial Perspective Christl M. Maier, Carolyn J. Sharp, 2014-03-27 This volume advances the scholarly discussion of Jeremiah via rigorous feminist and postcolonialist theorizing of texts and interpretive issues in that prophetic book The essays here by seasoned scholars of Jeremiah offer significant traction on the biblical book's construction of the persona of Jeremiah and the subjectivity of Judah as subaltern analysis of gendered imagery for the speaking subject in Jeremiah and for the Judean social body exploration of rhetorics of imperialism and resistance and theological implications of feminist critical perspectives on YHWH and other deities represented in Jeremiah Essays here deftly synthesize historical literary and ideological critical insights in service of nuanced inquiry into Jeremiah as complex cultural production The collection represents the growing edge of recent critical thinking on Jeremiah in the United States Europe and elsewhere It should prove invaluable in shaping the parameters of the continuing scholarly conversation on the Book of Jeremiah

The New Cambridge History of the Bible: Volume 4, From 1750 to the Present John Riches, 2015-04-13 This volume examines the Bible's role in the modern world beginning with a treatment of its production and distribution that discusses publishers printers text critics and translators and continuing with a presentation of new methods of studying the text that have emerged including historical literary social scientific feminist postcolonial liberal and fundamentalist readings There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities The dissemination of the Bible throughout the globe has also produced a host of new interpretations and this volume provides a comprehensive geographical survey of its reception In the final chapters the authors offer a thematic overview of the Bible in relation to literature art film science and other disciplines They demonstrate that in spite of challenges to the Bible's authority in western Europe it remains highly relevant and influential not least in the Americas Africa and Asia

The Politics of Heaven Joseph A. Marchal, Was Paul an opponent of imperialism or a participant in the patriarchal social codes of his day

Joseph A Marchal moves beyond this too simple dichotomy to examine the language of power and obedience ethnicity and gender in Paul's letters

Numbers: An Introduction and Study Guide Eryl W. Davies, 2017-01-12 Davies outlines the composition and date of Numbers and the various attempts that have been made to establish a coherent and meaningful structure in its arrangement Davies also shows how the application of reader response criticism feminist criticism and postcolonial criticism have contributed to our understanding of selected passages in the book Addressing theological issues Davies considers three themes that occupy much of the content of Numbers namely land purity and holiness and rebellion The concluding chapter considers the contentious issue of the historicity of the book of Numbers in the light of recent discussions concerning the historical value of the Old Testament Davies shows how some of the issues Numbers raises war disease survival hunger race relations are among the perennial problems faced by nations across the centuries and across cultures While individual passages within Numbers may reflect a questionable sense of morality Davies demonstrates that the book when viewed in its totality encompasses a number of important theological themes which recur throughout the Old Testament the interplay of forgiveness and judgment and of sin and punishment and the need to trust in the power of God rather than human might

[The Oxford Handbook of Postcolonial Biblical Criticism](#) R. S. Sugirtharajah, 2023 The Oxford Handbook of Postcolonial Biblical Criticism is a comprehensive treatment of a relatively new form of scholarship Generally speaking postcolonialism aims to critique and dismantle hegemonic worldviews and power structures while giving voice to previously marginalized peoples and systems of thought This approach has inevitably engaged with the text and reception of the Bible a scripture that Western colonizers introduced to and often imposed upon their colonial subjects With a globally diverse list of contributors the Handbook aims to cover the perspective and context of the authors of the Bible as well as the modern experiences of imperialism resistance decolonization and nationalism

Bible and Justice Matthew J. M. Coomber, 2016-04-01 The Bible contains a variety of passages that defend the poor and champion the cause of the oppressed but are these ancient texts able to find a voice in confronting injustice in the modern world Bible and Justice examines the ways in which the Bible can speak to contemporary poverty environmental issues and state sponsored violence whilst exploring the difficulties that arise when ancient concepts of justice are applied to modern ideals The book covers a range of topics from human rights to deaf biblical interpretation and from hospitality to corporate globalization Broad and accessible Bible and Justice will be an invaluable resource for students of religious and biblical studies

Adopting the Tune of Expression: An Mental Symphony within **Postcolonial Bibilical Reader**

In a global taken by screens and the ceaseless chatter of fast connection, the melodic elegance and emotional symphony developed by the prepared word often diminish into the backdrop, eclipsed by the persistent sound and disturbances that permeate our lives. But, set within the pages of **Postcolonial Bibilical Reader** a wonderful literary treasure overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this fascinating masterpiece conducts visitors on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of this touching assessment, we will discover the book is central harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
