Sociology After Postmodernism David Owen, 1997-03-25 Postmodernism is frequently described as dealing a death blow to sociology This book however argues that it is a mistake to conceive postmodernism in terms of a fatal attack upon what sociologists do The contributors locate the identity of sociology after postmodernism as a contested site which opens up the possibility of re imagining the enterprise of sociology They show how this re imagination might be conducted and trace some of the key potential consequences

The Politics of Postmodernity John R Gibbins, Bo Reimer, 1999-07-06 What happens to politics in the postmodern condition The Politics of Postmodernity is a political tour de force that addresses this key contemporary question Politics in postmodernity is carefully contextualized by relating its specific sphere the polity to those of the economic social technological and cultural The authors confront globalization and the notion of postmodernity as disorganized capitalism They analyze the role of the mass media the changing ways in which politics is used the role of the state and the progressive potential of politics in postmodern times Closing with a postscript on the future of the discipline of political science this book offers a profound yet highly accessible account

A Critical Rewriting of Global Political Economy V. Spike Peterson, 2004-03-01 Moving beyond a narrow definition of economics this pioneering book advances our knowledge of global political economy and how we might critically respond to it V Spike Peterson clearly shows how two key features of the global economy increasingly determine everyday lives worldwide The first is explosive growth in financial markets that shape business decision making and public policy making and the second is dramatic growth in informal and flexible work arrangements that shape income generation and family wellbeing These developments though widely recognized are rarely analyzed as inextricable and interacting dimensions of globalization Using a new theoretical model Peterson demonstrates the interdependence of reproductive productive and virtual economies and analyzes inequalities of race gender class and nation as structural features of neoliberal globalization Presenting a methodologically plural cross disciplinary and well documented account of globalization the author integrates marginalized and disparate features of globalization to provide an accessible narrative from a postcolonial feminist vantage point

Political concepts Richard Bellamy, Andrew Mason, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Offers a sophisticated analysis of central political concepts in the light of recent debates in political theory Introduces students to some of the main interpretations of key political concepts highlighting their strengths and weaknesses Tackles the principle concepts employed to justify any policy or institution and examines the main domestic purposes and functions of the state Examines the relationship between state and civil society

and finally looks beyond the state to issues of global concern and inter state relations Studies the relationship between state and civil society and finally looks beyond the state to issues of global concern and inter state relations *Progress Compromised* John L. Glenn, 2018-12-10 In *Progress Compromised* John L. Glenn examines how African American literature engages in debates about the political and cultural tensions prompted by black social movements during the 1950s and 1960s Glenn presents detailed case studies of four major novels that illuminate specific periods crucial in the history of African American political struggles including campaigns for racial integration the zenith of the civil rights movement black nationalism and the immediate legacy of the civil rights era His analysis provides a nuanced understanding of black postmodern culture and shows how writers use fiction to postulate new modes of resistance and selfhood that defy societal constraints In Colson Whitehead's *The Intuitionist* the first black female elevator inspector and her male counterparts reconsider their notions of what progress means for African Americans newly integrated into civil service and mass industry Alice Walker's *Meridian* observes the novel's title character as she copes with the psychological distress experienced by activists participating in the civil rights movement emphasizing how they bear the psychic and emotional weight of their struggle for equality John Oliver Killens's satire *The Cotillion or One Good Bull Is Half the Herd* considers class stratification among black communities and social organizations by following the protagonists as they expose the biases of a society women's group set against a backdrop of late 1960s black nationalism Finally Toni Morrison's *Tar Baby* concerns members of the post civil rights generation who struggle to achieve self renewal through introspection while confronting unresolved issues about racial identity and socioeconomic mobility *Progress Compromised* showcases the discourse on black cultural politics circulating within late twentieth century African American literature revealing how postmodern fiction investigates the effects of historical movements on individuals their respective communities and their efforts to resist social conformity and retain personal identity

Batsleer, Beth Humphries, 2005-11-17 *Welfare Exclusion and Political Agency* develops key topics in social work and social policy relating to exclusion social divisions and control in welfare. It provides theoretical tools for students academics and professionals whose work involves them in supporting the political agency of excluded groups. At a time when there have been profound shifts in the organization of welfare and the underpinning theories of the associated professions the book tackles issues such as the move away from publicly funded welfare the loss of a public service ethic reduction of input from professionals in policy loss of professional skills increase of bureaucracy **Modern/Postmodern** Peter V. Zima, 2010-08-05 *Modern Postmodern Society* Philosophy Literature offers new definitions of modernism and postmodernism by presenting an original theoretical system of thought that explains the differences between these two key movements. Taking a contrastive approach Peter V Zima identifies three key concepts in the relationship between modernism and postmodernism ambiguity ambivalence and indifference. Zima defines modernism and postmodernism as problematics as opposed to aesthetics stylistics or ideologies. Unlike modernism which is grounded in an increasing ambivalence towards social norms and values postmodernity is presented as an era of indifference i.e. of interchangeable norms values and perspectives. Taking an historical interdisciplinary and intercultural approach that engages with Anglo American and European debates the book describes the transition from late modernist ambivalence to postmodern indifference in the contexts of philosophy literature and sociology. This is the ideal guide to the relationship between modernism and postmodernism for students and scholars throughout the humanities *The RoutledgeFalmer Reader in Education Policy and Politics* Bob Lingard, Jenny Ozga, 2007-01-24 This Reader brings together selected papers from leading scholars to address the most significant recent development in educational policy and politics the impact of globalisation. The papers discuss document and analyse evidence of globalisation's effects on the new direction of education policies and practices and in the production of globalised agendas for the redesign of state provision and the governance of education. The Reader is organised in two parts. The first part provides a selection of articles that interrogate globalisation and its effects from a variety of analytical perspectives and explore what kind of politics are possible in the framing context of globalisation. The second part documents and discusses different types of engagement with politics and policy in a variety of settings and sectors including numerous European and Pacific Rim policy contexts. This important collection underlines the need to approach globalisation education policy and politics from numerous perspectives and offers analytical empirical and theoretical resources for the reframing of contemporary education politics. Students of educational policy and politics will find this Reader an invaluable resource for understanding theorising and researching in these academic fields **Critical Perspectives on Bell Hooks** Maria del Guadalupe Davidson, George Yancy, 2009-03-04 In *Critical Perspectives on bell hooks* contributors in the field of education philosophy and social work offer critical reflections on bell hooks work where she has been most influential. This is a must read for scholars professors and students interested in issues of race class and gender *Pluralism* Gregor McLennan, 1995
