Postwar Novel In Canada Narrative Patterns And Reader Response:

The Postwar Novel in Canada Rosmarin Heidenreich, 2006-01-01 As a comparative study which includes the analysis of both English Canadian and Quebec novels this book provides an overview of the novel as it has developed in this country since the Second World War Focusing on narratological rather than thematic elements the book represents a systematic application of the insights and analytical tools of reader reception theory in particular the models proposed by Wolfgang Iser and Hans Robert Jauss Placing the emphasis on the text and its effects rather than on the historical or psycho sociological genesis of the text the author invokes the models and paradigms of other literatures to establish a broader cultural context permitting the significance of a literature to emerge as a carrier of meaning in and beyond the culture that produces it Tracing a critical path from Hugh MacLennan's hierarchic romance structures and Gabrielle Roy's social realism to the metafiction of Hubert Aquin and Timothy Findley the author reveals that the novel's narratological features themselves are often closely linked with ideological positions

The Routledge Concise History of Canadian Literature Richard J. Lane, 2012-04-27 The Routledge Concise History of Canadian Literature introduces the fiction poetry and drama of Canada in its historical political and cultural contexts In this clear and structured volume Richard Lane outlines the history of Canadian literature from colonial times to the present key texts for Canadian First Peoples and the literature of Quebec the impact of English translation and the Canadian immigrant experience critical themes such as landscape ethnicity orality textuality war and nationhood contemporary debate on the canon feminism postcoloniality queer theory and cultural and ethnic diversity the work of canonical and lesser known writers from Catherine Parr Traill and Susanna Moodie to Robert Service Maria Campbell and Douglas Coupland Written in an engaging and accessible style and offering a glossary maps and further reading sections this guidebook is a crucial resource for students working in the field of Canadian Literature

History of Literature in Canada Reingard M. Nischik, 2008 The development of literature in Canada with an eye to its multicultural multiethnic multilingual nature From modest colonial beginnings literature in Canada has arrived at the center stage of world literature Works by English Canadian writers both established writers such as Margaret Atwood and new talents such as Yann Martel make regular appearances on international bestseller lists French Canadian literature has also found its own voice in the North American and francophone worlds CanLit has likewise developed into a staple of academic interest pursued in Canadian Studies programs in Canada and around the world This volume draws on the expertise of scholars from Canada Germany Austria and France tracing Canadian literature from the indigenous oral tradition to the development of English Canadian and French Canadian literature since colonial times Conceiving of Canada as a single but multifaceted culture it accounts for specific characteristics of English and French Canadian literatures such as the vital role of the short story in English Canada or that of the chanson in French Canada Yet special attention is also paid to Aboriginal literature and to the pronounced transcultural ethnically diverse character of much contemporary Canadian literature thus moving clearly

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide

God Behind the Screen Janko Andrijasevic, 2018-09-03 This interdisciplinary study of literary characters sheds light on the relatively under studied phenomenon of religious psychopathy God Behind the Screen Literary Portraits of Religious Psychopathy identifies and rigorously examines protagonists in works from a variety of genres written by authors such as Aldous Huxley Jane Austin Sinclair Lewis and Steven King who are both fervently religious and suffer from a range of disorders underneath the umbrella of psychopathy

Margaret Atwood Shannon Hengen, Ashley Thomson, 2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988 including her novels Cat's Eye The Robber Bride Alias Grace and the 2000 Booker Prize winner The Blind Assassin Rather than just including Atwood's books this guide includes all of Atwood's works including articles short stories letters and individual poetry Adaptations of Atwood's works are also included as are some of her more public quotations Secondary entries i.e. interviews scholarly resources and reviews are first sorted by type and then arranged alphabetically by author to allow greater ease of navigation The individual chapters are organized chronologically with each subdivided into seven categories Atwood's Works Adaptations Quotations Interviews Scholarly Resources Reviews of Atwood's Works and Reviews of Adaptations of Atwood's Works The book also includes a chapter entitled Atwood on the Web as well as extensive author and subject indexes This new bibliography significantly enhances access to Atwood material a feature that will be welcomed by university public and school librarians Margaret Atwood A Reference Guide 1988-2005 will appeal not only to Atwood scholars but to students and fans of one of Canada's greatest writers

Timothy Findley's Novels Between Ethics

and Postmodernism Dagmar Krause, 2005 Timothy Findley 1930 2002 is one of the most important contemporary Canadian writers His novels have been classified as postmodern exhibiting characteristic features such as parody historiographic metafiction and hybrid genres This classification of Findley as a postmodern writer however largely neglects the fact that Findley is deeply committed to the exploration of certain ethical and political themes Recurring topics in his work are for instance fascism environmental concerns and the problem of responsibility Sparked off by the fascinating question of how postmodernism and ethics can be reconciled at all and inspired by the so called ethical turn in the literary theory of the 1990s this study supplies a closer look at Findley's ethics with regard to its postmodern potential A detailed analysis of five of his novels *The Wars* *Famous Last Words* *Not Wanted on the Voyage* *The Telling of Lies* and *Headhunter* explores the ethical dimension of Findley's work and its consequences for his categorization as a postmodern writer

Shifting the Ground of Canadian Literary Studies Smaro Kamboureli, Robert Zacharias, 2013-02-26 *Shifting the Ground of Canadian Literary Studies* is a collection of interdisciplinary essays that examine the various contexts political social and cultural that have shaped the study of Canadian literature and the role it plays in our understanding of the Canadian nation state The essays are tied together as instances of critical practices that reveal the relations and exchanges that take place between the categories of the literary and the nation as well as between the disciplinary sites of critical discourses and the porous boundaries of their methods They are concerned with the material effects of the imperial and colonial logics that have fashioned Canada as well as with the paradoxes ironies and contortions that abound in the general perception that Canada has progressed beyond its colonial construction Smaro Kamboureli's introduction demonstrates that these essays engage with the larger realm of human and social practices throne speeches book clubs policies of accommodation of cultural and religious differences Indigenous thought about justice and ethics to show that literary and critical work is inextricably related to the Canadian polity in light of transnational and global forces

The Canadian Encyclopedia James H. Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the

proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Essays on Canadian Writing, 1991 **Canadian Review of Comparative Literature**, 1995 *Marie-Claire Blais* Irene Oore, Oriel MacLennan, 1998-03 The most comprehensive reference guide to one of Canada's most distinguished writers A three time Governor General's Award winner Marie Claire Blais has changed the literary landscape of the nation An indispensable source for information on both Blais's works and on the wealth of criticism devoted to the writer this bibliography also provides accurate and insightful details about manuscript and archival material Oore and MacLennan have fully annotated all of the critical material concerned with Blais's writing and their book also includes thorough coverage of Blais related radio and television broadcasts in France and Canada as well as a guide to all published interviews with this important writer An essential text to Blais scholars and of great interest to students and researchers in both Canadian and Quebec literature and in women's studies and comparative literature

A.M. Klein Zailig Pollock, 1994-12-21 Modernism offered Klein freedom for personal exploration and artistic expression but the rootlessness implicit in modernism repelled him **French-Canadian & Québécois Novels** Ben-Zion

Shek,1991 French Canadian novels began as a marginal offshoot of French metropolitan writing and are now read and studied not only in English Canada but around the world This collection of essays offers a history and analysis of French Canadian fiction from the 1830s to the present day Besides discussing a variety of works and writers most available in English translation the book explores the rapid development of new women s writing in the last twenty years treats the art of translation and presents a bibliography of criticism and anthologies **World Literature Today** ,1990 **Scatology and Civility in the English-Canadian Novel** Reinhold Kramer,1997 Except as eighteenth century satiric invective scatology has almost never been the subject of a full length study this despite the insistent references to bodily functions in postwar Canadian literature This eccentric and interdisciplinary study provides a full listing of examples of scatology in a wide range of Canadian novels from the nineteenth century to the present and in so doing develops another kind of thematic approach to Canadian prose Since pollution rites are a culture specific language scatology sets up categories of class race and gender although Kramer argues that material signifiers refer to the world and are never purely rhetorical Scatology as used by Canadian novelists thus raises epistemological problems alternately undermining and naturalizing political ideologies and religious beliefs University of Toronto Quarterly University of Toronto,2001 The American Humanities Index Stephen H. Goode,1993 Canadian Books in Print ,2003
