Pounds Cantos:

Ezra Pound's Cantos Peter Makin, 2006 Publisher description **The Cantos of Ezra Pound** Ezra Pound, 1996 The Cantos of Ezra Pound is the most important epic poem of the twentieth century A Companion to the Cantos of Ezra Pound Carroll Franklin Terrell, Ezra Pound, 1980-01-01 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos *A Guide to the Cantos of Ezra Pound* William Cookson, 1985 Ideas Into Action Clark Emery, 1958 **Pound's Cantos Declassified** Philip Furia, 1990-12-13 By using his Cantos for storing making new and transmitting historical documents Pound was returning the epic to its ancient function as a tribal archive for the luminous details of history that define a culture's past and shape its future So argues this book which does not overlook the poem's brilliant lyrical passages but for the first time focuses on those vast stretches of Pound's epic composed not of literary touchstones but of that most unpoetic of literary forms historical documents Pound's task as epic poet was complicated by the fact that the documents he wished to renew and transmit to his culture were largely unknown often because in his mind they had been suppressed by a widespread conspiracy throughout the ages which he termed the historical black out His Cantos therefore he believed must be a counter conspiracy to rescue vital documents from that black out renew them and then recirculate them to combat the economic and political forces behind the black out Drawing on recent research by numerous scholars Furia traces the arcane documents Pound unearthed from libraries around the world and shows how he transmuted this documentary mass into poetry first by framing passages of prose to highlight their poetic texture and then by weaving these shards and fragments into a collage of intricate structure Among the documents Furia declassifies are Chinese edicts Italian bank charters British factory commission reports Byzantine guild regulations American Presidential papers municipal records judicial writs parliamentary statutes legislative codes contracts deeds mandates treaties diary entries and correspondence by such diverse figures as Lorenzo de Medici Martin Van Buren Napoleon Eleanor of Aquitaine Mustapha Kemal and Kubla Khan Pound's Cantos Declassified traces the poet's struggle to shape the content of the epic poem that absorbed most of his creative life *Guide to Ezra Pound's Selected Cantos* George Kearns, 1980 **Pound's Cantos Declassified** Philip Furia, 1990-12-13 By using his Cantos for storing making new and transmitting historical documents Pound was returning the epic to its ancient function as a tribal archive for the luminous details of history that define a culture's past and shape its future So argues this book which does not overlook the poem's brilliant lyrical passages but for

the first time focuses on those vast stretches of Pound's epic composed not of literary touchstones but of that most unpoetic of literary forms historical documents Pound's task as epic poet was complicated by the fact that the documents he wished to renew and transmit to his culture were largely unknown often because in his mind they had been suppressed by a widespread conspiracy throughout the ages which he termed the historical black out His Cantos therefore he believed must be a counter conspiracy to rescue vital documents from that black out renew them and then recirculate them to combat the economic and political forces behind the black out Drawing on recent research by numerous scholars Furia traces the arcane documents Pound unearthed from libraries around the world and shows how he transmuted this documentary mass into poetry first by framing passages of prose to highlight their poetic texture and then by weaving these shards and fragments into a collage of intricate structure Among the documents Furia declassifies are Chinese edicts Italian bank charters British factory commission reports Byzantine guild regulations American Presidential papers municipal records judicial writs parliamentary statutes legislative codes contracts deeds mandates treaties diary entries and correspondence by such diverse figures as Lorenzo de Medici Martin Van Buren Napoleon Eleanor of Aquitaine Mustapha Kemal and Kubla Khan Pound's Cantos Declassified traces the poet's struggle to shape the content of the epic poem that absorbed most of his creative life

Language, Sexuality, and Ideology in Ezra Pound's Cantos Jean-Michel Rabaté, 1986-01-01 Ezra Pound's Cantos remains among the most influential and difficult of twentieth century poetic writings But now for the first time Rabaté's powerful and original study presents a theory of reading adequate to the challenge of Pound's writing Using elements from Lacanian psycho analysis and Heidegger's powerful meditation of poetry and language this book constructs a theory of reading which both gives full force to the strategies of writing deployed in the Cantos and to the historical and political situations to which those strategies are a response This study provides a fresh reading of the familiar Pound canon Homer Dante Ovid but also of the less well known Ruskin Browning Frobenius Pound's practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis ellipsis condensation and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will Crucial to an understanding of Pound's situation is the relationship between Chinese and Greek culture an analysis of which allows Rabaté to elaborate the tragic dimension in Pound's life and works This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce and with his immediate heirs like William Carlos Williams H D Zukofsky and Olson

The Genesis of Ezra Pound's CANTOS Ronald L. Bush, 2014-07-14 Ronald Hush traces the organic development of the poem and demonstrates that what seems to be eccentricity in the Cantos frequently corresponds to the common practice of Pound's contemporaries Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and

hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Selected Cantos of Ezra Pound Ezra Pound,1970 This selection from the Cantos was made by Ezra Pound himself in 1965 It is intended to indicate main elements in the long poem his personal epic with which he was engaged for more than fifty years His choice includes of course a number of the Cantos most admired by critics and anthologists such as Canto XIII Kung Confucius walked by the dynastic temple Canto XLV With usura hath no man a house of good stone and the passage from The Pisan Cantos LXXXI beginning What thou lovest well remains the rest is dross and so the book is an ideal introduction for newcomers to the great work But it has too particular interest for the already initiated reader and the specialist in its revelation through Pound s own selection of main elements of the relative importance which he himself placed on various motifs as they figure in the architecture of the whole poem **Ezra Pound: The Cantos** George Kearns,1989-11-23 Pound s 800 page Cantos written over a period of more than fifty years 1917-1972 invites the reader to join the poet on a journey from darkness and despair towards light and positive activity In this book George Kearns addresses the reader approaching The Cantos for the first time He examines the poem s aesthetic and political ethical didactic dimensions and shows that despite its complexity and the many objections which can be raised to its poetics and politics its study can be greatly rewarding A Light from Eleusis Leon Surette,1979 **The Late Cantos of Ezra Pound** Michael Kindellan,2017-10-19 Drawing extensively on archival research The Late Cantos of Ezra Pound critically explores the textual history of Pound s late verse namely Section Rock Drill 1955 and Thrones 1959 Examining unpublished letters draft manuscripts and other prepublication material this book addresses the composition revision and dissemination of these difficult texts in order to shed new light on their significance to Pound s wider project his methods and techniques and the structures of authority literary and political that govern the meaning of his poetry Illustrated by reproductions of archival documents The Late Cantos of Ezra Pound is an innovative new study of one of the most important poets of the 20th century A Companion to The Cantos of Ezra Pound Carroll F. Terrell,1993-04-16 The Companion is a major contribution to the literary evaluation of Pound s great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10421 separate glosses that include translations from eight languages identification of all proper names and works Pound s literary and historical allusions and other exotica with exegeses based upon Pound s sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos **The Cambridge Companion to Ezra Pound** Ira B. Nadel,1999-02-11 An international team of scholars provides an invaluable introduction to Pound s work and life **Ezra Pound's Adams Cantos** David Ten Eyck,2012-11-29 *Approaches to Teaching Pound's Poetry and Prose* Demetres P. Tryphonopoulos,Ira B. Nadel,2021-04-05

Offers pedagogical techniques for teaching works by Ezra Pound including his prosody his references to classical and Asian traditions and his role in modernism as well as his fascism anti-Semitism and other problematic beliefs Gives syllabus suggestions for undergraduate and graduate literature courses including many online resources **The Pisan Cantos** Ezra Pound, 2003 At last a definitive paperback edition of Ezra Pound's finest work Ezra Pound and Neoplatonism P. Th. M. G. Liebrechts, 2004 This book is a detailed study of Ezra Pound's explicit and implicit use of elements of the Neoplatonic tradition in his prose and poetry and of the way it informed his poetics as well as his political and social economic views The book not only discusses the ideas of those Pound considered to be leading figures in the development of Neoplatonism such as Plotinus Dionysius the Areopagite Eriugena Dante Gennepus Plethon and Thomas Taylor but more importantly it shows how and why Pound adapted and appropriated their notions to develop his interpretation of what he saw as an ongoing Neoplatonic tradition Through this adaptation of Neoplatonism Pound's work may be seen as an insightful commentary upon this religious philosophical tradition as well as a contribution to it

Pounds Cantos Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pounds Cantos has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pounds Cantos has opened up a world of possibilities. Downloading Pounds Cantos provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pounds Cantos has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pounds Cantos. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pounds Cantos. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pounds Cantos, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pounds Cantos has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
