**Poverty in Canada and the United States** Benjamin Schlesinger, 1966      **Urban Poverty in Canada** Kevin Kaalip Lee, Canadian Council on Social Development, 2000 Based on 1991 and 1996 Census data      **The Truth about Canada** Mel Hurtig, 2011-12-28 Renowned as a passionate Canadian bestselling author Mel Hurtig has combed through world statistics to see how Canada really measures up and the results are astonishing and often shocking This book is about how Canada has changed very much for the worse in the last twenty years As a result of these profound often hidden changes we are no longer the people we think we are To take one example the Canadian media usually leaves us with the impression that Canadians are really heavily taxed Yes compared to the U S A the usual point of comparison No compared to other countries with our standard of living other OECD countries for example there we come in 23rd on the high tax scale The shocks in this book build up chapter by chapter How do we rank in the world in voter turnout Try 109th Number of physicians per 100 000 population Try 54th Our rank in reducing pollution 126th out of 146 countries Some of the statistics are internal comparing Canada then and now They back up two of the book's most powerful themes the failure of Canadian big business to turn record profits into ongoing investment in our country and no coincidence the sellout of our assets at a rate that no other country would allow This statistics based book ranges across all areas of our lives including health wages productivity culture the media the most concentrated in the world and much else Mel Hurtig's message is that we can't do anything to fix the direction we're drifting in unless we recognize it and recognize The Truth About Canada      Canadian Social Policy, Fifth Edition Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service

deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

*Social Policy and Practice in Canada* Alvin Finkel, 2006-04-17 Social Policy and Practice in Canada A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism's attack on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty

**The Canadian Fact Book on Poverty** David Ross, 1975-01-01 Published in 1975 this pamphlet looks at facts and figures regarding poverty in Canada It offers an unparalleled overview of social conditions in Canada in the mid 1970s

**Ideological Perspectives on Canada** M. Patricia Marchak, 2011 In Ideological Perspectives on Canada Patricia Marchak builds on her earlier descriptions of Canadian reality its liberalism and socialism to argue that today's corporatism differs from its forerunners in both its values and its definition of society Marchak argues that liberalism and socialism have many commonalities such as the goals of equality and freedom for citizens Corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology To support her argument Marchak provides a general overview of the study of ideologies analyzes liberalism and socialism in the context of Canada and uses Marxist

theory to explain past and present class structure and the emergence of a corporatist social structure A valuable contribution to the debate about the society we live in Ideological Perspectives on Canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the Canadian case is steeped in liberalism socialism and corporatism      **Poverty in Canada** John Harp, John R.
