Poverty Reform In Canada 1958 1978 State And Class Influences On Policy Making:

Poverty Reform in Canada, 1958-1978 Rodney S. Haddow, 1993 Rodney Haddow explains and compares the Canada Assistance Plan CAP and the Social Security Review the two most extensive attempts by the federal government to reform Canadian poverty policy during the postwar era Using previously confidential government documents and interviews with many of the important players he examines the forces that stimulated the emergence and subsequent development of these two policy initiatives and the circumstances that determined their quite different fates Encyclopedia of World Poverty Mehmet Odekon, 2006-05-16 Poverty is more than just lack of income it is deprivation from basic capabilities rights and freedoms that provide individuals the necessary choices and opportunities they need to lead a life they value The Encyclopedia of World Poverty provides extensive and current information as well as insight into the contemporary debate on poverty The three volumes of this state of the art Encyclopedia contain over 800 original articles written by more than 125 renowned scholars The entries contributing to this work explore poverty in various regions of the world and examine the difficulties associated with the definition and measurement of poverty along with its causes and effects Key Features Examines the geographic political social cultural and other economic characteristics of 191 countries and provides current vital statistics on poverty such as the mortality disease literacy and illiteracy rate for each country Addresses the various definitions and measurement techniques of poverty and includes each country's ranking according to the Human Development Index and the Human Poverty Index whenever available Looks at potential causes of poverty ranging from discrimination to climate factors such as drought and famine as well as the potential effects of poverty including vulnerability insecurity powerlessness social exclusion and disqualification and stigmatization Acknowledges the importance of various associations combating poverty such as Civil Society Organizations Secular Charities Religious Charities and Non Governmental Organizations The Encyclopedia of World Poverty is an authoritative and rigorous source on poverty and related issues making it a must have reference for all academic libraries **Poverty** Professor John Dixon, John Dixon, David Macarov, 2002-01-04 This book addresses the long standing global issue of poverty An introductory chapter explores concepts and definitions of poverty the subsequent chapters providing detailed examinations of poverty in ten different countries UK USA Australia Canada Hong Kong Ireland Malta The Netherlands The Philippines and Zimbabwe Each chapter follows a consistent format to facilitate comparison and focuses on the following issues the socio economic and historical context within which poverty exists the extent and nature of poverty its causes the measures that have been taken to mitigate it This book will be essential reading for students of social policy and administration as well as development studies and anthropology *From Rights to Needs* Raymond B. Blake, 2009-07-01 This book explores the family allowance phenomenon from the idea's debut in the House of Commons in 1929 to the program's demise as a universal program under the Mulroney government in 1992 Although successive federal governments remained committed to its underlying principle of universality

party politics bureaucracy federal provincial wrangling and the shifting priorities of citizens eroded the rights based approach to social security and replaced it with one based on need In tracing the evolution of one social security program within a national perspective From Rights to Needs sheds new light on how Canada's welfare state and social policy has been transformed over the past half century *Welfare States in Transition* Gøsta Esping-Andersen, 1996-07-31 This book offers a global level comparison between welfare states actual and emerging in Europe East Asia Australia North Latin America The consequences of an ageing population deregulation and heightened inequality are discussed in detail [Social Policy and Practice in Canada](#) Alvin Finkel, 2012-05-09 Social Policy and Practice in Canada A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism's attack on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty **The Global Politics of Poverty in Canada** Will Langford, 2021-01-16 In the 1960s and 1970s in the midst of the Cold War and an international decolonization movement development advocates believed that poverty could be ended at home and abroad The Global Politics of Poverty in Canada explores the relationship between poverty democracy and development during this remarkable period Will Langford analyzes three Canadian development programs that unfolded on local regional and international scales He reveals the interconnections of anti poverty activism carried out by the Company of Young Canadians among Métis in northern Alberta and francophones in Montreal by the Cape Breton Development Corporation and by Canadian University Service Overseas in Tanzania In dialogue with the New Left liberal reformers committed to development programs they believed would empower the poor to confront their own poverty and thereby foster a more meaningful democracy However democracy and development proved to be fundamentally contested and development programs stopped short of amending capitalist social relations and the inequalities they engendered The Global Politics of Poverty in Canada explores how Canadians engaged in informal and formal politics in the course of their everyday lives locally and transnationally Langford provides an enduring

record of otherwise fleeting anti poverty programs and their effects the lived activism and opinions of development workers and ordinary people *Group Politics and Social Movements in Canada* Miriam Smith,2014-01-01 *Group Politics and Social Movements in Canada* Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics Many other areas of collective activity are also included the Occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture Christian evangelical groups environment and health movements Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on Canadian politics Each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures **Group Politics and Social Movements in Canada, Second Edition** Miriam Smith,2014-04-04 *Group Politics and Social Movements in Canada* Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics Many other areas of collective activity are also included the Occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture Christian evangelical groups environment and health movements Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on Canadian politics Each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures *Social Fabric Or Patchwork Quilt* Jeff Keshen,Raymond Benjamin Blake,2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide ranging and in depth collection *Social Fabric or Patchwork Quilt* explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State s involvement has increased considerably It also shows how the roles of governments at all levels have changed in recent times Chapters describe the developing Canadian welfare state from Confederation to the present Beginning with an integrative framework in the general introduction the selected essays represent many perspectives chronological regional multidisciplinary and ideological An important feature of this collection is the consideration of providers and recipients Such wide ranging outlooks are possible given the diverse backgrounds of contributors which include historians sociologists social workers public policy experts and political scientists As well as historical and sociological studies topics include key programs discussed in detail the quality of services received by principal target groups new directions in research some contributions even revisit foundational older works and key government documents **Inequality and the Fading of Redistributive Politics** Keith

Banting, John Myles, 2013-09-01 All advanced democracies have faced the pressures of globalization technological change and new family forms which have generated higher levels of inequality in market incomes But countries have responded differently reflecting differences in their domestic politics The politics of who gets what and why is at the core of this volume the first to examine this question in an explicitly Canadian context In *Inequality and the Fading of Redistributive Politics* leading political scientists sociologists and economists point to the failure of public policy to contain surging income inequality Government programs are no longer offsetting the growth in inequality generated by the market and Canadian society has become more unequal The redistributive state is fading due to powerful forces that have reshaped the politics of social policy including global economic pressures ideological change shifts in the influence of business and labour changes in the party system and the decline of equality seeking civil society organizations This volume demonstrates conclusively that action and inaction policy change and policy drift are at the heart of growing inequality calling into question Canada's record as a kinder gentler nation

Changing Canada Wallace Clement, Leah F. Vosko, 2003 *Changing Canada* examines political transformations welfare state restructuring international boundaries and contexts the new urban experience and creative resistance The authors question dominant ways of thinking and promote alternative ways of understanding and explaining Canadian society and politics that encourage progressive social change They examine how the evolution of capitalism is producing new types of transformations and new forms of resistance and show that aspects of the state and the wider society are being contested They also discuss the often paradoxical or contradictory effects of various social forces such as the liberating but also constraining features of new communications technologies new employment norms and new household forms Contributors include Laurie E Adkin University of Alberta Caroline Andrew University of Ottawa Pat Armstrong York University William Carroll University of Victoria Elaine Coburn Stanford University William D Coleman McMaster University Mary Cornish senior partner with Cavalluzzo Hayes Shilton McIntyre Cornish Judy Fudge York University Christina Gabriel Carleton University Sam Gindin York University Joyce Green University of Regina Eric Helleiner Trent University Robert G Hollands University of Newcastle Jane Jenson Universit de Montr al Roger Keil York University Stefan Kipfer York University Fuyuki Kurasawa York University Laura Macdonald Carleton University Rianne Mahon Carleton University Wendy McKeen Dalhousie University Elizabeth Millar consultant Nelligan O'Brien and Payne Law Firm and Labour Consulting Group Vincent Mosco Carleton University Susan Phillips Carleton University Ann Porter York University Tony Porter McMaster University Daniel Salee Concordia University Vic Satzewich McMaster University Jim Stanford Canadian Auto Workers Union Toronto Mel Watkins emeritus University of Toronto and Lloyd L Wong University of Calgary

Saskatchewan Politics Howard A. Leeson, 2001 The essays in this volume cover a broad range of topics on Saskatchewan politics including the role of the legislature and the Governor General political institutions premiers cabinets public service judiciary commissions political parties and their history and social issues the economy public finance health care reform economic development rural life

demographics First Nations public welfare federal relations the media Appendices include a table of provincial electoral results 1905 99 and lists of Saskatchewan premiers Lieutenant Governors and presidents chiefs of the Federation of Saskatchewan Indian Nations

Inequality in Canada Eric W. Sager, 2021-01-20 In *Inequality in Canada* Eric Sager considers one of the defining but hardest to define ideas of our era and traces its different meanings and contexts across the nineteenth and twentieth centuries Sager shows how the idea of inequality arose in the long evolution in Britain and the United States from classical economics to the emerging welfare economics of the twentieth century Within this transatlantic frame inequality took a distinct form in Canada different iterations of the idea appear in Protestant critiques of wealth labour movements farmer progressive politics the social gospel social Catholicism in Quebec English Canadian political economy and political and intellectual justifications of the social security state A tradition of idealist thought persisted in the twentieth century sustaining the idea of inequality despite deep silences among Canadian economists Sager argues that inequality goes beyond the distribution of income and wealth it is the idea that there are wide gaps between rich and poor that the gaps are both an economic problem and a social injustice and that when inequality appears it is as a problem that can be either eliminated or reduced It is precisely because inequality appears in different contexts and because it changes Sager reasons that we can begin to perceive the contours and cleavages of inequality in our time In our century a political solution to inequality may rest on the recovery of an ethical ideal and egalitarian politics that have long preoccupied the history of Canadian thought

Taking the Air Paul Kopas, 2007-12-01 Natural resource management is a major area of Canadian policy as recent literature reveals Yet analysts have devoted little attention to the management of parks and protected areas In *Taking the Air* Paul Kopas takes a comprehensive approach to this aspect of policy debate He scrutinizes the policy making process for national parks since the mid 1950s and interrogates the rationale and policies that have governed their administration Kopas argues that national parks and park policy reflect not only environmental concerns but also the political and social attitudes of bureaucrats citizens interest groups Aboriginal peoples and legal authorities He explores how the goals of each group have been shaped by the historical context of park policy influencing the shape and weight of their contributions

Still Renovating Greg Suttor, 2016-11-01 Social housing public non profit or co operative was once a part of Canada's urban success story After years of neglect and many calls for affordable homes and solutions to homelessness housing is once again an important issue In *Still Renovating* Greg Suttor tells the story of the rise and fall of Canadian social housing policy Focusing on the main turning points through the past seven decades and the forces that shaped policy this volume makes new use of archival sources and interviews pays particular attention to institutional momentum and describes key housing programs The analysis looks at political change social policy trends housing market conditions and game changing decisions that altered the approaches of Canadian governments their provincial partners and the local agencies they supported Reinterpreting accounts written in the social housing heyday Suttor argues that the 1970s shift from low

income public housing to community based non profits and co ops was not the most significant change highlighting instead the tenfold expansion of activity in the 1960s and the collapse of social housing as a policy priority in the 1990s As housing and neighbourhood issues continue to flare up in municipal provincial and national politics Still Renovating is a valuable resource on Canada s distinctive legacy in affordable housing

Disability and Labour in the Twentieth Century Radu Harald Dinu, Staffan Bengtsson, 2022-12-30 This volume puts disability and labour at the centre of historical enquiry It offers fresh perspectives on the history of disability and labour in the twentieth century and highlights the need to address the topic beyond regional boundaries Bringing together historians and disability scholars from a variety of disciplines and regions the chapters investigate various historical settings ranging from work cooperatives to disability associations and informal workplaces and analyse multiple meanings of labour in different political and economic systems through the lens of disability The book s contributors demonstrate that the nexus between labour and disability in modern industrialised societies resists easy generalisations as marginalisation and integration were often two sides of the same coin While the experience of many disabled people has been marked by exclusion from mainstream production labour also became a vehicle for integration and emancipation Addressing one of the research gaps of the disability history field which has long been dominated by British and North American perspectives the book sheds light on less studied examples from Scandinavian countries and Eastern Europe including Czechoslovakia Poland the Soviet Union Bulgaria and Romania Cutting across national cultural and class divides the volume provides a springboard for reflections on common experiences of disability and labour during the twentieth century It will be of interest to all scholars and students working in the field of disability studies sociology and labour history

The Constant Liberal Christo Aivalis, 2018-05-15 Pierre Elliott Trudeau radical progressive or unavowed socialist His legacy remains divisive Most scholars portray Trudeau s ties to the left as evidence either of communist affinities or of ideals that led him to found a progressive modern Canada The Constant Liberal traces the charismatic politician s relationship with left and labour movements throughout his career Christo Aivalis argues that although Trudeau found key influences and friendships on the left he was in fact a consistently classic liberal driven by individualist and capitalist principles While numerous biographies have noted the impact of the left on Trudeau s intellectual and political development this comprehensive analysis showcases the interplay between liberalism and democratic socialism that defined his world view and shaped his effective use of power The Constant Liberal suggests that Trudeau s leftist activity was not so much a call for social democracy as a warning to fellow liberals that lack of reform could undermine liberal capitalist social relations

Struggling for Social Citizenship Michael J. Prince, 2016-05-01 The Canada Pension Plan disability benefit is a monthly payment available to disabled citizens who have contributed to the CPP and are unable to work regularly at any job Covering the program s origins early implementation liberalization of benefits and more recent restraint and reorientation of this program Struggling for Social Citizenship is the first detailed examination of the single largest public contributory

disability plan in the country Focusing on broad policy trends and program developments and highlighting the role of cabinet ministers members of Parliament public servants policy advisors and other political actors Michael Prince examines the pension reform agendas and records of the Pearson Trudeau Mulroney Chr tien Martin and Harper prime ministerial eras Shedding light on the immediate world of applicants and clients of the CPP disability benefit this study reviews academic literature and government documents features interviews with officials and provides an analysis of administrative data regarding trends in expenditures caseloads decisions and appeals related to CPP disability benefits Struggling for Social Citizenship looks into the ways in which disability has been defined in programs and distinguished from ability in given periods how these distinctions have operated been administered contested and regulated as well as how through income programs disability is a social construct and administrative category Weaving together literature on social policy political science and disability studies Struggling for Social Citizenship produces an innovative evaluation of Canadian citizenship and social rights

Provinces Christopher Dunn, 2015-11-03 Provinces is now established as the most comprehensive yet accessible exploration of Canadian provincial politics and government The authors of each chapter draw on their particular expertise to examine themes and issues pertaining to all the provinces from a comparative perspective The book is organized into four major sections political landscapes the state of democracy in the provinces political structures and processes and provincial public policy The third edition features eleven new chapters including province building provincial constitutions provincial judicial systems plurality voting in the provinces voting patterns in the provinces provincial public service provincial party financing provincial health policy social policy climate change and labour market policy All other chapters have been thoroughly revised and updated
