Power Plays Maureen Ulrich, 2012 Jessie has left the close friendships she's had since her childhood and isn't having an easy time fitting into her new Grade Nine class. An older girl Kim takes a disliking to her pushing her around and setting her up to be attacked by a group of really rough kids who land her in jail. It looks like life is going to be downhill from now on. Then because she used to play ringette, Jessie is invited to try out for the girls' hockey team. She doesn't expect to like it but as her skills grow she makes new friends, girls who respect each other and rely on each other's strength and hard work. Some even help her resist the bullies until she can stand up for herself, stand up to Kim who's a pretty good hockey player herself although not as good as she thinks she is. Grace-Based Parenting Tim Kimmel, 2005-05-15 Discover a parenting style that nurtures a healthy family and displaces fear as a motivator for behavior. Learn how to meet your child's three driving inner needs for security, significance, and strength with the invaluable gifts of love, purpose, and hope. Modern parents are stressed out and tired. They've tried countless parenting books on the market, many of which are harsh, fear-based books that loving parents instinctively reject. As Christians, we frequently believe that the battle for a child's heart and soul is fought on the outside with rigid rules and boundaries when in fact the opposite is true. Dr. Tim Kimmel, founder of Family Matters ministries, offers a timeless look at parenting. Rejecting rigidity and checklists that don't work, Dr. Kimmel recommends a parenting style that is the opposite

emphasizing the importance of communicating the unconditional love that Christ offers and affirming this timeless message of grace to one's family In Grace Based Parenting you'll learn A parenting style that mirrors God's love reflects His forgiveness and displaces fear as a motivator Why fear based parenting is a guaranteed method to set children up for failure How to provide a safe space for children to develop into functional adults with purpose security and inner strength As we embrace the grace God offers we begin to give it creating a solid foundation for growing morally strong and spiritually motivated children This revolutionary book presents a whole new way to nurture your family The Gothic and the Everyday L. The Power of the Past Jessi Streib,2015-01-05

In an era in which class divisions are becoming starker than ever some individuals are choosing to marry across class *The Power of the Past* traces the lives of a subset of these individuals highly educated adults who married a partner raised in a class different from their own primarily between those from blue and white color backgrounds Drawing upon detailed interviews with spouses who revealed the inner workings of their marriages Jessi Streib shows that crossing class lines is not easy and that even though these couples shared bank accounts mortgages children and friends each spouse was still shaped by the class of their past and consequently so was their marriage Streib reveals what was rarely apparent to the husbands and wives she interviewed The class of their past did not only matter in determining the amount of money they had as children or what job their parents went off to each morning It also mattered in more subtle ways by systematically shaping their ideas of how to go about their daily lives Upwardly mobile spouses who grew up in blue collar families learned to take a laissez faire approach to the world around them they preferred to go with the flow make the most of the moment and avoid self imposed constraints Their spouses who grew up in professional white collar families however wanted to manage the world around them they organized planned monitored and oversaw Living with a spouse who was born into a different class means navigating these differences differences that appeared across nearly every aspect of their lives from how they manage their finances to how they manage their time both at home and on vacation to ideas about how their children should be raised *The Power of the Past* illustrates that when individuals are raised in different classes merged lives do not lead to merged ideas about how to lead those lives Individuals can come together across class lines but their enduring class characteristics cannot be left behind
