## **Power Greed A Short History Of The World:**

**Power & Greed** Philip Deane, 2002 What has driven human beings throughout history This lively fascinating book deals with the nature of human greed and the eternal quest for power that in every era and culture has determined the outcome of world events In a fast track through time Gigant s introduces on the one hand the great rule makers for a just society such as Moses Solon Jesus and Muhammad and on the other the rule breakers or the Grand Acquisitors The latter use every trick to get more than their fair share from the warring chieftains of early societies to the robber barons of the nineteenth century and in our own times the emergence of the superpower states Gigant s examines the dramatic consequences of their actions from Crusades revolutions and the conquering of continents to wars recent events in the US and a world that is turning more and more into a global village

Power & Greed Philip Deane, 2002 Traces the history of the world through four millennia from the perspective of dominant driving forces omnivorous human greed and the unquenchable thirst for power explaining how these two factors have shaped human history across the centuries

Courage: The Heart of Leadership Annabel Beerel, 2025-03-04 Courage lies at the heart of leadership Leaders need courage to make wise decisions not self interested ones They need to be able to set aside their egos to feel vulnerable to face challenges yet remain principled and hold the course This book presents many suggestions on how to make a real difference in organizations and explains how one can develop the courage to be an effective leader step by step The book is designed to give leaders the self awareness and the tools to overcome the obstacles that prevent us from leading effectively Leadership requires working through the systemic barriers that serve as forcefields pulling and pushing us in various directions Drawing on interviews with over 20 organizational leaders in a variety of industries the book helps leaders to address key areas that are rarely discussed the personal baggage attached to authority self esteem and self differentiation ego management and the terror of the group It highlights with examples how fear impairs our ability to make good decisions and how our tendency to reactivity and the quick fix vitiates our attempts at being courageous The hallmark of courage is the ability to have courageous conversations that invite transformation The book is ideal reading for organizational leaders who are seeking ways to break through some of the personal and systemic barriers to leading with purpose in a way that makes a real difference
