G. Walker**

Power Rights In Us Constitutional Law:

Power & Rights in US Constitutional Law Thomas Lundmark,2008-04-17 Power Rights in US Constitutional Law is a clear and accessible explanation of how the United States Constitution works It explores the tensions inherent in American constitutional law between the governing and the governed by combining text from seminal Supreme Court decisions with extensive analysis This second edition includes the most current legislative and Supreme Court decisions affecting constitutional law on subjects including the separation of powers the role of the executive executive privilege impeachment discrimination and judicial review of political questions It is an invaluable guide to the delicate balance between

governmental power and the constitutional rights of individual citizens **BOOK JACKET** **Constitutional Rights -What They Are and What They Ought to Be** Carl Wellman,2016-05-12 This work explains the nature of constitutional rights It does so by means of an analysis of the nature of law in general the nature of constitutions and the nature of rights It looks in detail at several aspects of constitutional law rights and institutions as well as aspects related to public officials private persons and associations In addition the book critically examines a considerable number of debates about whether some actual or proposed constitutional rights ought to be established and maintained in the United States constitution It then identifies the kinds of reasons that justify or fail to justify constitutional rights The book advances the debate and makes a contribution to the theory and the practice of constitutional rights **The U.S. Constitution and Constitutional Law**

Britannica Educational Publishing,2012-06-01 Although one of the shortest written constitutions in the world the U S Constitution designed to embody the rights laws and guiding principles of a diverse and ever changing populace remains an enduring document Since its ratification in 1787 the Constitution has been applied to a broad range of legal and political questions and while often the subject of much debate continues to serve as a stalwart reminder of the country s social and legal strides This detailed volume breaks down each section of the Constitution and its amendments also providing a concise overview of the field of constitutional law as it is applied around the world and in various forms of government

Constitutional Law For Dummies Glenn Smith,Patricia Fusco,2011-12-13 Discover the ins and outs of Constitutional law Are you a student looking for trusted plain English guidance on the ins and outs of Constitutional law Look no further Constitutional Law For Dummies provides a detailed study guide tracking to this commonly required law course It breaks down complicated material and gives you a through outline of the parameters and applications of the U S Constitution in modern easy to understand language Critical information on the Constitution s foundations powers and limitations A modern analysis of the Constitution s amendments Detailed information on the Supreme Court and federalism Explaining outdated governmental jargon in current up to date terms Constitutional Law For Dummies is just what you need for quick learning and complete understanding Students studying government will also find this to be a useful supplement to a variety of courses **Constitutional Law for a Changing America** Lee Epstein,Kevin T. McGuire,Thomas G. Walker,2025-02-26 In

Constitutional Law for a Changing America Institutional Powers and Constraints bestselling authors Lee Epstein Kevin T McGuire and Thomas G Walker show students how political factors influence judicial decisions and shape the development of constitutional law The Twelfth Edition updated with additional material such as recent court rulings more than 500 supplemental cases and greater coverage of executive legislative and judicial power facilitates a deeper understanding of how the U S Constitution defines what institutions can and cannot do This book is ideal for Constitutional Law courses in the two semester sequence that covers powers and constraints For courses that cover both rights and liberties and the separation of powers in one semester see Constitutional Law for a Changing America A Short Course U.S. Constitutional Law for German Jurists Dr. Jur. Eric Engle LL.M.,2012-10-31 Provides an overview of U S constitutional law with a focus on foreign relations and parallel concepts and terms in German law The Constitutional Law of the United States Westel Woodbury Willoughby,1929 The work as a whole is based upon lectures delivered during recent years to the graduate students in political science at the Johns Hopkins University Preface to the 1st edition 1910 Constitutional Law in the United States Robert A. Sedler,2017-10-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in the United States provides essential information on the country s sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in the United States will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law

The Cambridge Companion to Comparative Constitutional Law Roger Masterman,Robert Schütze,2019-10-03 What is the purpose of comparative constitutional law Comparing constitutions allows us to consider the similarities and differences in forms of government and the normative philosophies behind constitutional choices Constitutional comparisons offer hermeneutic help they enable us to see our own constitution with different eyes and to locate its structural and normative choices by references to alternatives evident in other constitutional orders This Cambridge Companion presents

readers with a succinct yet wide ranging companion to a modern comparative constitutional law course offering a wide ranging yet concise introduction to the subject Its twenty two chapters are arranged into five thematic parts starting with an exploration of the theoretical foundations Part I and some important historical experiences Part II it moves on to a discussion of the core constitutional principles Part III and state institutions Part IV finally it analyses forms of transnational constitutionalism Part V that have emerged in our global times
