Rainbow Love:

Love'S Fire Works Andrew Carey,2015-12-15 Loves Fire Works The Rule Breaker is an explosive power packed work that communicates boldly about Gods fiery works to birth loves greater mysteries The author shares his journey to overcome panic attacks and marital fireworks and his personal stories offer hope and perspective for those struggling with relationships anxiety depression hopelessness or identity issues This challenging yet grace filled work is a refuge and light for connecting with God during trials This work cries out with a tenacious ever pursuing love beyond the rules and ways of this earth and yet with a divine justice that feeds and gathers the poor afflicted and outcast Going further with God means breaking our rules burning away the old to awaken us to know Gods perfect love that casts out fear and judgment This ground breaking thought provoking work will stir the Spirit to greater life within you for a long time to come Love'S Story Ajit Sripad Rao Nalkur,2012-11-30 Loves Story the final volume of Ajit Sripad Rao Nalkurs trilogy on love highlights his vision and realisation of true love on Earth The poems in this volume were written over a period of twenty years while Nalkur was living and working in Australia and the United States and after he returned to his birth country India This volume is divided into three parts The Vision contains poems he began to write in Australia in the early 1990s and takes a narrative form with much of the work appearing in prose It offers the poets visionary experience of love Part two entitled Love on Earth addresses the realisation and actualisation of that love The third and final part of the book Poets Corner contains verse on the art of poetry Loves Story explores true love in all its aspects and considers the realisation of a dream of such a love on Earth **Rainbow Love** Joan Walsh Anglund,1982 Expresses how rainbows can lighten the dark and sad times of our lives and that we must find our rainbows and keep them close LOVE OPENS the VALLEY of EMPTINESS Daniel Lynn Ferguson,2017-02-18 within are a collage of poems exploring all forms of love friendship and the journey we share called life together we share love and friendship in many ways these are some of the ways I have shared my thoughts about love and friendship life is a journey we should dive in and enjoy it while we are learning to be one with it what we give to life we receive from life **Beauty** P.Y. Kiprop-Mbaaga,2015-07-27 Works of art broadly speaking is interesting To be able to do something in creative writing is joy for an artist This is most especially through poetry as a talent hobby The hundred compositions mirror five things principally Firstly is how poetry makes an earnest attempt to capture language at its deeper level Secondly is how poetry can be made to appeal indiscriminately Thirdly is pursuing the possibility of poetry being a catechetical tool in the Roman Catholic Tradition Fourthly like an ice berg is of the immensity of a recognized and actualized talent more so when it flexes its muscles as a hobby in constructive leisure thanks to the God given poetic spark Lastly the acme for that matter is the Judaic age old adage that the reverential fear of the Lord is the genesis of knowledge wisdom and discipline cf Prov 1 7 Ps 111 10 Is 11 2 All this is in the context of a reading reflecting writing culture This is a culture that is worth inculcating in our lives Try it today if you have not and you will behold its beauty Is it not the nature of those who read

and or reflect to write The Poems are arranged on seven fold broad based thematic sections These are Wonder Moments Events Circumstances Personalities Dedications and Institutions In a word Beauty Book I present poetry for everybody anywhere everywhere *The Burning Flame of Love* Jean Maalouf,2017-08-17 Nothing is neither fuller nor better in heaven and earth Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love 1 John 4 16 No wonder Thomas Kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things But if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonders one will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart *Rainbow's Hidden Treasures* Kyle Walker,2011-05 Just like the rainbow has no end God's promise has no end Just like the rainbow will last forever I want us to last Forever in a bond of unbreakable love sent from the Father in Heaven There is more to the rainbow than the pot of gold at the end What if we have been looking at the wrong place and the treasure that we seek is not at the end of the rainbow but within the rainbow itself Join Kyle Walker on a journey to find this true treasure as he explores themes of faith and love in inspirational verse *From the Salt of my Tears...* Gia Renell,2009-05 No description supplied **Catalog of Copyright Entries** Library of Congress. Copyright Office,1978 *Leading Young Catholics Into Scripture* Mary Kathleen Glavich,2010 A how to book for teaching Scripture that is paced with hundreds of exciting classroom ideas It gets children doing From dramatization to creating scriptural art from playing Bible games to motions in response to Scripture from choral readings to
