**Iconoclastic Sex** Henry Walter Spaulding III, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking Habits of Highly Effective Christians Ron Meyers, 2003-06 **Communication Plus** Marita Littauer, Florence Littauer, 2006-05-08 Want to improve your communication skills By understanding your personality type you're off to a great start This essential guide to better communication for men and women teams up experienced communicators and trainers Florence and Marita Littauer Communication Plus explores and outlines each of the four personality types with their differing personality approaches to conversation compliments and criticism And it helps readers practically put into play what they've learned about their own and others personalities via written communication and the ABCs of public speaking including developing researching and organizing a topic and putting power into the presentation Professionals who are on the lookout for keys to success in business and in life will learn not only how to communicate but to communicate with confidence **The 10 Best Decisions Every Parent Can Make** Pam Farrel, Bill Farrel, 2006-03-15 Popular authors Bill and Pam Farrel are the parents of three active children From their personal experience comes wisdom and encouragement for other parents The Farrels offer ideas for loving and nurturing special needs strong willed and prodigal children With real life examples and biblical inspiration this book examines the 10 best decisions parents can make to unlock the unique gifts inside their children including temperament goals talents spiritual development and leadership abilities Packed with creative motivational tools and games that allow children to blossom and succeed this resource is a great gift or parenting tool for parents who want their children to become everything God designed them to be *Oh Grow Up* Kathy Fray, 2017 OH GROW UP is about parenting with spirit strength guts soul whatever spirit means to you The result is a truly remarkable eclectic fusion of ordinary old school middle of the road methodologies combined with extraordinary old age new age philosophies including Parenting's 21 Golden Insights 21 Magical Secrets and 21 Universal Principles **The Complete Book of Christian**

**"Raising Sexually Pure Kids"** Claire Greslé-Favier, 2009 Raising Sexually Pure Kids Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency

Not Just Private Craig Bakker, 2023-03-07 Both within the church and outside of it popular discourse around sex is often shallow and individualistic This is especially true on the topic of sex outside of marriage Not Just Private explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian

**Logizomai** Kyle McDanell,2010-10-14 Logizomai is the Greek word meaning to reckon or to reason The Apostle John identifies Jesus as the Logos John 1 1 14 the Divine Word To most Christians in the West today Christianity is nothing more than a duty a feeling a name badge or something one does on Sunday s But Christianity is more than that Christianity is a complete worldview that makes sense of the world A right theology results in a right understanding of the world and the gospel is that right theology The Church is sick because she is shallow What we need is a logizomai faith a reasonable faith Such a reasonable faith encounters hardships with perseverance animosity with love and evangelism with Spirit filled skill Most refuse to share their faith because they don t understand it and are unable to articulate it If Christianity is logizomai then the issues we face today present no real challenge We must therefore learn to apply the truths of the gospel to our dying

hurting world To do so we must have reason rooted in the gospel and inspired by the cross      **The Unshakeable Truth** Dr. Steven Catalano,2019-10-28 The Unshakable Truth is a nondenominational Christian guide to inner peace based on true biblical facts A system of cross referencing is used to quote multiple scriptures to provide the believer with the truth in God s instruction from His written Word With divine inspiration I clarify all the confusion to the questions asked Was Jesus Christ the Son of God Is there really the Trinity Is there only one God As Christians today are we expected to live under the Ten Commandments or abide in the blood covenant of Jesus Christ crucified Do Christians of today live by sight or faith What does it mean to live in faith love and blood and fear Is there really a history and message of the cross or is it just a shocking holy thing I have answered these questions and more through biblical facts and revelation from God I can tell you that God does have a prescribed order for Christian living today and that God spoke to Jesus and that there is only one God and none like God      Personality Plus for Parents Florence Littauer,2000-09 After profiling both adult child personalities Florence Littauer uses colorful examples to advise parents of factors that affect their relationships with their children      **Tragic Consequences** Oliver L North,David Goetsch,2022-05-18 Tragic Consequences was written for Americans who are concerned about the cultural decline they see all around them people who watch the nightly news and ask themselves What is happening to our country It seems we have become a nation of people who are offended by everything but sin What is happening to our country is simple to explain but sad observe We are seeing what a culture of sin can do to a country It is a culture of darkness and depravity a culture lacking in moral restraint and a culture where life has little value When a nation rejects God and accepts sin the lurid stories carried on nightly news programs are the inevitable result Within the problem is the solution Biblical morality reestablished in America by an uprising of God s people standing for righteousness will bring God s forgiveness and our healing      Families We Need Erin Raffety,2022-11-11 Set in the remote mountainous Guangxi Autonomous Region and based on ethnographic fieldwork Families We Need traces the movement of three Chinese foster children Dengrong Pei Pei and Meili from the state orphanage into the humble foster homes of Auntie Li Auntie Ma and Auntie Huang Traversing the geography of Guangxi from the modern capital Nanning where Pei Pei and Meili reside to the small farming village several hours away where Dengrong is placed this ethnography details the hardships of social abandonment for disabled children and disenfranchised older women in China while also analyzing the state s efforts to cope with such marginal populations and incorporate them into China s modern future The book argues that Chinese foster families perform necessary invisible service to the Chinese state and intercountry adoption yet the bonds they form also resist such forces exposing the inequalities privilege and ableism at the heart of global family making      **Centre for Christian Living annual 2020** Chase R Kuhn,Akos Balogh,Megan Best,Karina Brabham,Caroline Clark,Jordan Cunningham,Sam Davidson,Mark Earngey,Michael Figueira,Simon Gillham,Dan Gillis,Brooke Hazelgrove,Peter Jensen,Michael Kellahan,Jonathan Morris,Nigel Styles,Dani Treweek,Chris Thomson,Carl Trueman,David
