Raising Good Children:

Raising Good Children Thomas Lickona, 2012-05-02 Raising decent caring and responsible children is the most complex and challenging job in every parent's life and an increasingly difficult one in today's society. Here is the most authoritative book available on this crucial subject: a valuable and sensitive guide for parents who want their children to grow up with lifelong positive values. Based on fascinating research, this groundbreaking work by psychologist and educator Dr. Thomas Lickona describes the predictable stages of moral development from birth to adulthood. And it offers you down-to-earth advice and guidance for each stage: Seven caring ways to discipline terrible twos. Why your preschooler lies and how to handle it. What to do about a four-year-old's back talk. How to handle your seven-year-old's endless negotiations about what's fair. Why teens have trouble with peer pressure and how to help them. How to talk to your child about drugs, drinking, and sex. How to help children of any age reason more clearly about what's right and wrong. PLUS: A list of more than one hundred children's books that teach moral values and much more. An excellent book on a vastly neglected aspect of raising children. Dr. Fitzhugh Dodson, author of *How to Parent* and *How to Father*. We have been waiting for a book like this for a long time: a readable work that translates a moral development into parents' language and experience. Dolores Curran, author of *Traits of a Healthy Family*. Truly integrates a moral development theory into a consistent approach to childrearing. Word of mouth recommendations from parent to parent may lift it to the level of popularity once held by Dr. Spock's book on child care. Moral Education Forum

Raising Good Humans Hunter Clarke-Fields, 2019-12-01 A wise and fresh approach to mindful parenting. Tara Brach, author of *Radical Acceptance*. A kinder, more compassionate world starts with kind and compassionate kids. In *Raising Good Humans*, you'll find powerful and practical strategies to break free from reactive parenting habits and raise kind, cooperative, and confident kids. Whether you're running late for school, trying to get your child to eat their vegetables, or dealing with an epic meltdown in the checkout line at a grocery store, being a parent is hard work. And as parents, many of us react in times of stress without thinking, often by yelling. But what if, instead of always reacting on autopilot, you could respond thoughtfully in those moments, keep your cool, and get from A to B on time and in one piece? With this book, you'll find powerful mindfulness skills for calming your own stress response when difficult emotions arise. You'll also discover strategies for cultivating respectful communication, effective conflict resolution, and reflective listening. In the process, you'll learn to examine your own unhelpful patterns and ingrained reactions that reflect the generational habits shaped by your parents, so you can break the cycle and respond to your children in more skillful ways. When children experience a parent reacting with kindness and patience, they learn to act with kindness as well, thereby altering generational patterns for a kinder, more compassionate future. With this essential guide, you'll see how changing your own autopilot reactions can create a lasting positive impact, not just for your kids but for generations to come. An essential must-read for all parents now more than ever. To raise the children we hope to raise, we have to learn to become the person we hoped to be.

Raising Great Kids Warrants Great Parents Deirdre King,2020-08-03 Book Description

Raising Great Kids Warrants Great Parents is about becoming aware of your role as a parent and the great impact that you have on your child's life. It is about being mindful of your words and actions and how they affect your child. It is about transforming our lives and transforming the way in which we parent so that our children can have great lives. It is about raising children who are empowered to be confident, self-reliant, happy, and successful human beings.

StrongHeart Jill Garner,2024-07-02 For all parents who desire to raise a generation of kids with strong hearts. Parenting is the most important endeavor of our lives. And there's no shortage of advice on how to raise kids. But amidst the chatter of competing voices, how do we sort the folly from the wisdom? In *StrongHeart*, author Jill Garner cuts through modern parenting myths and trends to deliver the bold truth about what it will take to raise the next generation. Jill provides evidence-based solutions for parents seeking to raise children of character who can overcome rather than succumb to a culture full of turmoil. Jill focuses on the education of the heart as she shows parents how to champion self-respect rather than self-esteem. Replace happiness with deep, lasting joy. Instill a heart of gratitude that stifles innate selfishness. Develop GRIT: Guts, Resilience, Integrity, and Tenacity. Engrave other-centeredness on kids' hearts and more. More than ever, parents feel burdened to raise kids who are brave, resilient, and kind. This book enables us to see beneath the surface of our children's struggles to the heart attitudes that determine kids' thoughts and actions. This is an essential resource for parents, grandparents, and anyone who has a heart for cultivating in children a *StrongHeart*.

Raising Happy Toddlers Greg Cook,Shania Walker,2022-10-27 Powerful strategies on how to raise the kids that you want. Does your kid seem to have anger issues? Raising Good Children - Guides To Better Prepare Your Children To Strive In The Society Chris Doig,2021-05-15 What does it take to raise great kids? If you've read any books on parenting, conflicting opinions have probably left you feeling confused. Get tough. Show acceptance. Lay down the rules. Lighten up already. In this book, the reader will find numerous stories about things that have worked in my family and mistakes that I have made during the different stages of bringing up my children. This book is more about parenting than about preparing our children for prestigious schools. My belief is that if children develop strong personal values and communication skills, higher academic achievements will naturally follow.
