Raising Lazarus A Memoir:

Raising Lazarus Robert Jon Pensack, 2005-05 Raising Lazarus is Dr Robert Pensack's personal memoir of his battle to maintain his sanity in the face of extraordinary suffering. Dr Pensack's story chronicles his near life-long struggle with a mortal illness Hypertrophic Cardiomyopathy or HCM formally known as IHSS a genetic illness marked by abnormality of the heart muscle. After the disease claimed the life of his young mother the adolescent Pensack and his brother Richard who also suffered from HCM went on to become chronic research heart patients at The National Institutes of Health in Bethesda Maryland. They endured a litany of surgeries and multiple near death experiences caused by cardiac arrests until thirty years later both received heart transplants that saved their lives. Remarkably and coincidentally Dr Pensack played a vital role in the evolution of organ transplantation and in his own survival helping to produce one of the anti rejection drugs with which he himself was later treated at the time of his greatest need. From recounting his feeling of being condemned to an existence laden with insufferable burden to the hope restored through the ultimate gift of life Raising Lazarus is Dr Pensack's inspirational story of survival and triumph. Extraordinary A doctor's memoir of his struggle against his own illness. An intimate account of the remarkable medical advances of the last few decades from a unique point of view. Sir Edward Thomason's Memoirs During Half a Century ... Sir Edward Thomason, 1845 **Sir Edward Thomason's Memoirs during Half a Century** Edward Thomason, 2024-04-28 Reprint of the original first published in 1845 **A Journey** John S. Campbell, MD, 2006-06-26 All of us repeatedly grieve, heal and reinvent ourselves throughout our lives. Being aware of and active in this inherent aspect of our existence I believe to be a less painful and more satisfying way of living than blindly struggling with or resisting these natural processes. John S Campbell M D author of A Journey Creative Grieving and Healing. We all die, he seems to be telling us. What is far more important is that we live a meaningful life before that time comes. We all need to dig deep to find our own wisdom so we may understand what John is telling us. Nikki DeFrain M S and John DeFrain Ph D from their Foreword **Sir E. Thomason's Memoirs during half a century** Sir Edward THOMASON, 1845 **The Journal, Lost Memoirs from the Civil War** Beth Harlow, 2013-03-25

When Mary gave a journal to her fiancé in 1861 before he left for war neither of them had any idea how many hands would write in it over the next four years. The little book travels back and forth across enemy lines and almost takes on a personality of its own as the new owners read what others have written and add their own reflections. The Journal covers some of the major battles of the Civil War from a personal point of view. Each soldier who writes in the journal is in a different place in his relationship with God and each draws strength and help from what others have written. Author Bio A native Texan Beth Harlow and her husband Gale live in Franklin Tennessee where one of the bloodiest battles of the Civil War was fought. They have three children and are members of Brentwood Church of Christ in Brentwood Tennessee. Beth spends as much time as she can with her four grandchildren Claudia, Lukas, Zachary and Tegan and spends the rest of her time painting, gardening, reading and
