Ralph Naders Practicing Democracy 1997:

Ralph Nader Kevin Graham, 2000-12-15 This authorized biography based on numerous interviews with Ralph Nader and his family and friends succinctly covers his fascinating and exciting life Everything from his childhood to his famous 1965 auto safety book Unsafe at Any Speed to his 2000 presidential campaign is included along with many stories of his life never before published This biography provides both young readers and adults an engaging summary of Ralph Nader's influential life with comments from well known authorities such as Pulitzer Prize winner David Halberstam and Public Citizen's Joan Ralph Nader's Practicing Democracy 1997 Katherine Isaac, 1997 This text gives students the methods and sources needed to get involved in politics Reflecting current political trends and organizations this text lists over 400 political action groups liberal conservative and moderate with important contact information including Internet URLs It also offers examples of letters memos and op ed pieces showing the political process at work Stories that Changed America Carl Jensen, 2011-01-04 Exuberantly written highly informative Jensen's Stories That Changed America examines the work of twenty one investigative writers and how their efforts forever changed our country Here are the pioneering muckrakers like Upton Sinclair author of the fact based novel The Jungle that inspired Theodore Roosevelt to sign the Pure Food and Drug Act into law Queen of the Muckrakers Ida Mae Tarbell whose McClure magazine expos s led to the dissolution of Standard Oil s monopoly and Lincoln Steffens a reporter who unearthed corruption in both municipal and federal governments You ll also meet Margaret Sanger the former nurse who coined the term birth control George Seldes the most censored journalist in American history Nobel Prize winning novelist John Steinbeck environmentalist Rachel Carson National Organization of Women founder Betty Friedan African American activist Malcolm X consumer advocate Ralph Nader and Bob Woodward and Carl Bernstein the Pulitzer Prize winning reporters whose Watergate break in coverage brought down President Richard Nixon The courageous writers Jensen includes in this deftly researched volume dedicated their lives to fight for social civil political and environmental rights with their mighty pens Democratic Education for Social Studies Anna S. Ochoa-Becker, 2006-12-01 In the first edition of this book published in 1988 Shirley Engle and I offered a broader and more democratic curriculum as an alternative to the persistent back to the basics rhetoric of the 70s and 80s This curriculum urged attention to democratic practices and curricula in the school if we wanted to improve the quality of citizen participation and strengthen this democracy School practices during that period reflected a much lower priority for social studies Fewer social studies offerings fewer credits required for graduation and in many cases the job descriptions of social studies curriculum coordinators were transformed by changing their roles to general curriculum consultants The mentality that prevailed in the nation's schools was back to the basics and the basics never included or even considered the importance of heightening the education of citizens We certainly agree that citizens must be able to read write and calculate but these abilities are not sufficient for effective citizenship in a democracy This version of the original work appears at a time when

young citizens teachers and schools find themselves deluged by a proliferation of curriculum standards and concomitant mandatory testing In the 90s virtually all subject areas including United States history geography economic and civics developed curriculum standards many funded by the federal government Subsequently the National Council for the Social Studies issued the Social Studies Curriculum Standards that received no federal support Accountability captured in the No Child Left Behind Act passed by Congress has become a powerful political imperative that has a substantial and disturbing influence on the curriculum teaching and learning in the first decade of the 21st century Teen Legal Rights David L. Hudson Jr., 2015-03-10 The only book of its kind to examine all aspects of a young adult's legal rights at school at work and at home including recent developments in teen oriented legislation Widespread Internet use and evolving privacy concerns compromise the legal rights of teenagers While smart phones social networking and online music downloading pose new legal complications for teens and their parents to navigate the Supreme Court has grappled with rights concerning every aspect of a young adult s life long before now This newly updated text written in accessible language and presented through an informal FAQ format simplifies the laws rights and constitutional implications affecting young people today In an easy to understand non intimidating style First Amendment scholar David L Hudson Jr provides an authoritative analysis of the judicial system utilizing actual court cases and legal arguments to help teens better understand their rights under the law Additionally the text presents recent changes and interpretations of legal areas still in debate This third edition features an updated examination of recent topics that includes cyberbullying sexting social media privacy and illegal downloads of online **Teaching in the Cracks** Brian D. Schultz, 2017 This engaging book shows how teachers and schools are content creating emergent democratic progressive education amidst the current context of high stakes accountability In this follow up to his bestseller Spectacular Things Happen Along the Way Schultz explores how today s rhetoric and restrictive mandates result in curriculum that fails to capture the attention of students For meaningful learning that develops transferable skills and engages students teachers and sometimes whole schools need to find spaces to teach in the cracks so that students can connect with issues relevant to their lives Teaching in the Cracks provides both a theoretical and practical foundation for incorporating an action focused curriculum that meets academic standards and provides students with opportunities for agency and to use their voices in their own learning Through compelling examples Brian Schultz shares how educators can help students use their powers From the Foreword by Deborah Meier teacher principal and advocate This book is an invitation to rethink teaching from top to bottom to dive into classroom life as a passionate adventure in discovery and surprise From the Afterword by William Ayers education activist For teachers who genuinely seek to make a difference through their work this book will be a helpful resource Pedro A Noguera University of California Los Angeles Composing a Civic Life Michael Berndt, Amy Muse, 2004 Promoting the examined life as an ideal that brings inquiry and action together this text addresses the critical thinking reading and writing skills It promotes active citizenship by encouraging students to

write as a means of inquiry and civic participation It shows students how to work toward negotiation and positive social action The Ralph Nader Reader Ralph Nader,2000-11-07 Four generations of Americans have come to associate Ralph Nader with the political issues that have defined our age be it car safety in the 1960s or the anti WTO demonstrations that recently shut down Seattle His work has successfully shaped the Left increased government accountability made possible new laws and served as a powerful check against abuses of corporate power In this landmark collection the essays that reveal the intellectual social and political underpinnings of this legendary citizen advocate are brought together for the first time In The Ralph Nader Reader we follow the trajectory of Nader's concerns from 1956 to the present and his personal evolution from consumer advocate to presidential candidate The result is a monumental book an invaluable resource for anyone interested in a unique vision of democracy that places citizenship over consumerism communities over corporations and public interest over private power
