Delphi Complete Works of Hugh Lofting - Complete Doctor Dolittle Books (Illustrated) Hugh Lofting, 2020-10-21 The English-born American author Hugh Lofting was the creator of the beloved children's character of Doctor Dolittle, the eccentric yet genial physician that can talk to the animals. The genesis of the series appeared in illustrated letters sent by Lofting to his children while he was undergoing the horrors of the trenches in World War I, when news was too horrible to send. The Dolittle books are celebrated for their charming wit and the humorous treatment of the doctor's bachelor household in Puddleby on the Marsh. However, Lofting's works provide a recurring message of pacifism and censure of warmongering, which is most evident in Lofting's anti-war poem *Victory for the Slain*. For the first time in publishing history, this edition presents Lofting's complete works with numerous illustrations, rare texts, and concise introductions. Version 1 is beautifully illustrated with images relating to Lofting's life and works. Concise introductions to the novels and other texts. All of the Doctor Dolittle books, including ALL of Lofting's original illustrations. Rare novels appearing for the first time in digital publishing. Images of how the books were first published, giving your eReader a taste of the original texts. Excellent.
