## **Ranch On The Cariboo:**

**The Ranch on the Cariboo** Alan Fry, 2009-09-14 Alan Fry was just twelve years old when he became a cowboy on the Fry Homestead. It was the summer of 1943 and most of the work force was at war. The adults who stayed behind were left with the hard labour and it was mainly the children who had to gather the harvest. This fast paced true story describes the joys and hardship of small scale ranching in the Cariboo country of central British Columbia during the 1940s. Alan tells the stories of driving cattle, hunting bear, working in the fields and the barns, and reminiscences of the colourful characters that make up his lively world. Back cover

**The Ranch on the Cariboo**, 2011 It was the summer of 43 on a Cariboo ranch. He was 12 and had to become a man. If you were a man you could become a cowboy. Join the author on this nostalgic look back on the joys, frustrations, and observations of growing up and discovering where he belongs. Excerpt from Eldon Lee's foreword. This book by Alan Fry is probably the best book ever written on ranch life in the Cariboo. His account of everyday events is so perceptive and so true to the mark that all we country types yearn to re-experience its joys and its miseries. The Ranch on the Cariboo is a good book and while it may not make a pretty sight to the tractor jockeys by damn, it is authentic. I should know because I was raised on a similar ranch just 18 miles north.

**Ranch Tales** Ken Mather, 2019-06-25 An entertaining fast paced look at early ranching in British Columbia. Frontier historian Ken Mather is known for his fascinating in depth profiles of the men and women who established a distinctive ranching culture in Western Canada over a hundred years ago. Now in this concise collection of stories based on Mather's column in the Vernon Morning Star, readers will meet even more colourful characters, gain insightful tidbits on cowboy culture, and read about little known cattle drives that stagger the imagination. Ranch Tales highlights the achievements, hardships, and exploits of Newman King of the Range, Squires lady rancher Elizabeth Greenbow, cow boss Joe Coutlee, the gold seeking Jeffries brothers who came all the way from Alabama, and many more. This delightful book is a perfect companion to Mather's other ranching histories and will appeal to anyone interested in the early days of the western frontier.

**Buckaroos and Mud Pups** Ken Mather, 2011-02-01 Remarkable cattle drives, famous ranches, and legendary characters are at the heart of Ken Mather's account of the early days of ranching in British Columbia. These are stories about drovers, ranchers, cowboys, and mud pups, the remittance men of the ranching industry. You'll meet such people as the flamboyant Harper brothers, drovers who went on to become the biggest landowners in BC with interests in the Harper Perry Hat Creek and famous Gang ranches; Johnny Wilson, one of the most successful ranchers in the industry who became known as the BC Cattle King; Jim Madden, nicknamed Big Kid for his exuberant personality and childish innocence, and whose simple lifestyle and colourful adventures made him famous in the Nicola and surrounding valleys; Coutts Marjoribanks, a mud pup whose skills as a cowboy and his exploits such as riding his horse up the steep steps and into the Kalamalka Hotel bar, far outshone his talents as the ranch manager; his rich family forced him to be. The story begins at the time of BC's first gold rush and the start of a decade that would see more than 22,000 head of cattle brought into the
