Randall Made Knives:

Randall Knives Robert E. Hunt, 2006-01-01 This is the third book in a collector s series on Randall Made Knives by Robert Hunt These publications reflect the author s interest in the historical role that knives have played and he has documented their use during the wars of the 20th Century This volume introduces the rare unique and experimental knives of W D Randall many either made or designed by him The initial section explores knives from the Randall Museum where over 50 images reflect the commitment to design innovation which was and is still today a hallmark of Randall Made Knives The second section contains knives from a private collection which was uncovered by the author Interestingly enough the knives in this grouping have roots in some of the museum examples and various designs can be found in Randall early experiments displayed in the museum cases

Randall Fighting Knives in Wartime Robert Eugene Hunt, 2002 This first ever publication offers the reader a colorful and interesting guide to Randall knives spanning WWII the Korean War and the Vietnam War which involved American Soldiers Sailors Airmen and Marines Randall Fighting Knives in Wartime contains many never before published full color photos of rare Randall made knives Pictured alongside the knives is a range of distinctive militaria separating this book from other publications A descriptive narrative and specific technical data accompanies each photo linking the Randall knives throughout each war in the book A Collector s Value Guide rounds out this book giving the reader an at a glance comparison of the value of each knife

Randall Military Models Robert E. Hunt, 2004-06-30 Author Bob Hunt s first book Randall Fighting Knives in Wartime provided him the opportunity for further study on this subject It was apparent before publication of the first book that the subject matter could not be exhausted In his second book Hunt continues the process of identifying describing and dating fighting knives produced in the dramatic early days of the Randall experience This new volume provides a vast amount of material carefully organized and presented to enable the reader to further his own research in the areas most interesting to him
