**The Gold Leaf Lady and Other Parapsychological Investigations** Stephen E. Braude,2008-11-15 For over thirty years Stephen Braude has studied the paranormal in everyday life from extrasensory perception and psychokinesis to mediumship and materialization The Gold Leaf Lady and Other Parapsychological Investigations is a highly readable and often amusing account of his most memorable encounters with such phenomena Here Braude recounts in fascinating detail five particular cases some that challenge our most fundamental scientific beliefs and others that expose our own credulousness Braude begins with a south Florida woman who can make thin gold colored foil appear spontaneously on her skin He then travels to New York and California to test psychokinetic superstars and frauds like Joe Nuzum who claim to move objects using only their minds Along the way Braude also investigates the startling allegations of K R a policeman in Annapolis who believes he can transfer images from photographs onto other objects including his own body and Ted Serios a deceased Chicago elevator operator who could make a variety of different images appear on Polaroid film Ultimately Braude considers his wife s surprisingly fruitful experiments with astrology which she has used to guide professional soccer teams to the top of their leagues as well as his own personal experiences with synchronicity a phenomenon he argues that may need to be explained in terms of a refined extensive and dramatic form of psychokinesis Heady provocative and brimming with eye opening details and suggestions The Gold Leaf Lady and Other Parapsychological Investigations will intrigue both adherents and detractors of its controversial subject matter alike **Randi's Pet Surprise** Effin Older,1997-10-06 The Figure Eights are having a skate a thon to raise money for a nearby animal shelter Randi is having difficulty getting pledges She is keeping a kitten from the shelter but her parents don t want her to have a pet and don t know she has it **The Price of Gold** Marty Nothstein,Ian Dille,2012-06-05 The harrowing triumphant tale of a cyclist s journey to Olympic victory and the price he paid to achieve greatness Marty Nothstein one of the greatest cyclists of all time arrived at the 1996 Olympic Games a heavy favorite In the match sprint at the Atlanta Olympics an event akin to prizefighting on a bicycle he raced around a banked oval track Nothstein lost by a hair s width on the finish line and vowed to win the gold at the next Olympics saying I didn t come here for a silver medal In The Price of Gold Marty Nothstein eloquently and honestly tracks his journey to the games in Sydney and the events that molded him into the world s fastest man on a bicycle from his tough love upbringing in a blue

collar split home to the borderline outlaw cast of cycling characters who helped guide him through the ranks I had to become the worst to become the best Nothstein says of the single minded determination that turned him into a veritable monster on his bike but often forced him to neglect his own family Sure to become a sports classic this book will be published in time for the 2012 Olympics when the world s eyes are trained on London and international conversation will turn to the question of what it takes to win the gold
