

Random Thoughts are stray thoughts. It is also called automatic semantic memories that may or may not hold a deep seated meaning.

Are you doing the right thing by doing nothing?

McDonalds have 'Happy meals'. Do they keep 'Sad meals' too?

You can call someone and tell them 'you cannot call now'

Life is not by chance and choice, rather it is by change

If you enjoy wasting time then it cannot be a 'wasted time'

We say noses run but they are fixed in one place. How is it possible?

A Year with Mordecai Kaplan Steven Carr Reuben, 2019-04-01 You are invited to spend a year with the inspirational words, ideas and counsel of the great twentieth century thinker Rabbi Mordecai Kaplan through his meditations on the fifty-four weekly Torah portions and eleven Jewish holidays. A pioneer of ideas and action, teaching that Judaism is a civilization encompassing Jewish culture, art and peoplehood, demonstrating how synagogues can be full centers for Jewish living, building one of the first shuls with a pool and creating the first ever bat mitzvah ceremony for his daughter Judith, Kaplan transformed the landscape of American Jewry. Yet much of Kaplan's rich treasury of ethical and spiritual thought is largely unknown. Rabbi Steven Carr Reuben, who studied closely with Kaplan, offers unique insight into Kaplan's teachings about ethical relationships and spiritual fulfillment, including how to embrace godliness in everyday experience, our mandate to become agents of justice in the world and the human ability to evolve personally and collectively. Quoting from the week's Torah portion, Reuben presents Torah commentary, a related quotation from Kaplan, a reflective commentary integrating Kaplan's understanding of the Torah text and an intimate story about his family or community's struggles and triumphs, guiding twenty-first century spiritual seekers of all backgrounds on how to live reflectively and purposefully every day.

Leaver's essays on Bach's sacred music, exploring the religious aspects of this repertoire through consideration of three core themes: liturgy, hymnology and theology. Including research from across a span of forty years, the chapters in this volume have been significantly revised and expanded for this publication, with several pieces appearing in English for the first time.
