Random Descent A Novel:

Random Descent : a Novel Katherine Govier, 1980 Novel Gazing Eve Kosofsky Sedgwick, 1997-12-15 Novel Gazing is the first collection of queer criticism on the history of the novel The contributors to this volume navigate new territory in literary theory with essays that implicitly challenge the hermeneutic of suspicion widespread in current critical theory In a stunning introductory essay Eve Kosofsky Sedgwick delineates the possibilities for a criticism that would be reparative rather than cynical or paranoid The startlingly imaginative essays in the volume explore new critical practices that can weave the pleasures and disorientations of reading into the fabric of queer analyses Through discussions of a diverse array of British French and American novels including major canonical novels best sellers children s fiction and science fiction these essays explore queer worlds of taste texture joy and ennui focusing on such subjects as flogging wizardry exorcism dance Zionist desire and Internet sexuality Interpreting the works of authors as diverse as Benjamin Constant Toni Morrison T H White and William Gibson along with canonical queer modernists such as James Proust Woolf and Cather contributors reveal the wealth of ways in which selves and communities succeed in extracting sustenance from the objects of a culture whose avowed desire has often been not to sustain them The dramatic reframing that these essays perform will make the significance of Novel Gazing extend beyond the scope of queer studies to literary criticism in general Contributors Stephen Barber Renu Bora Anne Chandler James Creech Tyler Curtain Jonathan Goldberg Joseph Litvak Michael Lucey Jeff Nunokawa Cindy Patton Jacob Press Robert F Reid Pharr Eve Kosofsky Sedgwick Melissa Solomon Kathryn Bond Stockton John Vincent Maurice Wallace Barry Weller **The Cambridge Guide to Women's Writing in English** Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re reading of women s writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women s writing *The Literary History of Alberta Volume Two* George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this

inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone The Literary History of Alberta Volume Two extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture

Reading Smell in Eighteenth-Century Fiction
Emily C. Friedman,2016-06-27 Scent is both an essential and seemingly impossible to recover aspect of material culture Scent is one of our strongest ties to memory yet to remember a smell without external stimuli is almost impossible for most people Moreover human beings specifically Western humans ability to smell has been diminished through a process of increased emphasis on odor removal hygienic practices that emphasize de odorization rather than the covering of one odor by another While other intangibles of the human experience have been placed into the context of the eighteenth century novel scent has so far remained largely sidelined in favor of discussions of the visual the aural touch and taste The past decade has seen a great expansion of our understanding of how smell works physiologically psychologically and culturally and there is no better moment than now to attempt to recover the traces of olfactory perceptions descriptions and assumptions Reading Smell provides models for how to incorporate olfactory knowledge into new readings of the literary form central to our understanding of the eighteenth century and modernity in general the novel The multiplication and development of the novel overlaps strikingly with changes in personal and private hygienic practices that would alter the culture s relationship to smell This book examines how far the novel can be understood through a reintroduction of olfactory information After decades of reading for all kinds of racial cultural gendered and other sorts of absences back into the novel this book takes one step further to consider how the recovery of forgotten or overlooked olfactory assumptions might reshape our understanding of these texts Reading Smell includes wide scale research and focused case studies of some of the most striking or prevalent uses of olfactory language in eighteenth century British prose fiction Highlighting scents with shifting meanings across the period bodies tobacco smelling bottles and sulfur Reading Smell not only provides new insights into canonical works by authors like Swift Smollett Richardson Burney Austen and Lewis but also sheds new light on the history of the British novel as a whole

London in Contemporary British Fiction Nick Hubble, Philip Tew, 2016-07-28 Contemporary writers such as Peter Ackroyd J G Ballard John King Ian McEwan Will Self Iain Sinclair and Zadie Smith have been registering the changes to the social and cultural London landscape for years This volume brings together their vivid representations of the capital Uniting the readings are themes such as relationship between the country and the city the capacity of satirical forms to encompass the real London spatio temporal transformations and emergences the relationship between multiculturalism and universalism the

underground as the spatial equivalent of London's unconsciousness and the suburbs as the frontier of the future. The volume creates a framework for new approaches to the representation of London required by the unprecedented social uncertainties of recent years: an invaluable contribution to studies of contemporary writing about London. *The Cambridge History of the American Novel* Leonard Cassuto, Clare Virginia Eby, Benjamin Reiss, 2011-03-24 This ambitious literary history traces the American novel from its emergence in the late eighteenth century to its diverse incarnations in the multi-ethnic, multi-media culture of the present day. In a set of original essays by renowned scholars from all over the world, the volume extends important critical debates and frames new ones. Offering new views of American classics, it also breaks new ground to show the role of popular genres such as science fiction and mystery novels in the creation of the literary tradition. One of the original features of this book is the dialogue between the essays, highlighting cross-currents between authors and their works as well as across historical periods. While offering a narrative of the development of the genre, the History reflects the multiple methodologies that have informed readings of the American novel and will change the way scholars and readers think about American literary history. *Who's who in Canadian Literature*, 1997 **Philosophy of the Novel** Barry Stocker, 2018-11-02 This book explores the aesthetics of the novel from the perspective of Continental European philosophy, presenting a theory on the philosophical definition and importance of the novel as a literary genre. It analyses a variety of individuals whose work is reflected in both theoretical literary criticism and Continental European aesthetics, including Mikhail Bakhtin, Georg Lukács, Theodor Adorno, and Walter Benjamin. Moving through material from eighteenth-century and ancient Greek philosophy and aesthetics, the book provides comprehensive coverage of the major positions on the philosophy of the novel. Distinctive features include the importance of Vico's view of the epic to understanding the novel, the importance of Kierkegaard's view of the novel and irony along with his other aesthetic views, the different possibilities associated with seeing the novel as mimetic, and the importance of Proust in understanding the genre in all its philosophical aspects relating the issue of the philosophical aesthetics of the novel with the issue of philosophy written as a novel and the interaction between these two alternative positions. **The Novels of William Golding** Indu Kulkarni, 2003 Malcolm Bradbury On William Golding Golding Addressed Fundamental Questions Of Good And Evil Being Wholeness And Creative Aspiration In A Godless Age His Stories Were He Once Said Not Fables But Myths Fable Being An Invented Thing Out On The Surface Whereas Myth In Something That Comes Out Of The Roots Of Things In The Ancient Sense Of Being A Key To Existence And Experience As A Whole Golding's Work Challenges Many Of The Liberal And Humanistic Conventions Of Much British Fiction And There Is A Certain Timelessness About The Prose Though Not The Technique Which Makes It Stand Monumentally Apart From Much Contemporary Writing But It Is And Will Surely Remain A Central Contribution To The Modern British Novel The 1983 Nobel Prize Winner Author Golding Had The Unique Distinction Of Being Both A Fabulist And A Realist Golding's Works Will Remain Of Significant Relevance As Long As Man Continues To Careen Madly On The
