divDIVLongtime music journalistand former editor of Mojo magazine Mat Snow has been writing about the Beatles for years and he s doing fresh interviews with friends and colleagues of the Beatles to gain insight into the solo lives of these four extraordinary men div **Takin' Care of Business** George Case,2021-03-05 By the early 1970s practically everyone under a certain age liked rock music but not everyone liked it for the same reasons We typically associate the sounds of classic rock n roll with youthful rebellion by juvenile delinquents student demonstrators idealistic hippies or irreverent punks But in this insightful and timely book author George Case shows how an important strain of rock music from the late 1960s onward spoke to and represented an idealized self portrait of a very different audience the working class Average Joes who didn t want to change the world as much as they wanted to protect their perceived place within it To the extent that working class populism describes an authentic political current it s now beyond a doubt that certain musicians and certain of their songs helped define that current By now rock n roll has cast a long shadow over hundreds of millions of people around the world not just over reckless kids but over wage earning parents and retired elders not just over indignant youth challenging authority but over indignant adults challenging their own definition of it Not only have the politics of rock fans drifted surprisingly rightward since 1970 some rock as Case argues has helped reset the very boundaries of left and right themselves That God guns and Old Glory can be understood to be paid fitting tribute in a heavy guitar riff delivered by a long haired reprobate in blue jeans but that Me Too Occupy Wall Street or Black Lives Matter might not hints at where those boundaries now lie

I, Shithead Joey Keithley,2011-02 Joe Keithley aka Joey Shithead founded legendary punk pioneers D O A in 1978 Punk kings who spread counterculture around the world they ve been cited as influences by Red Hot Chili Peppers Green Day Rancid and The Offspring and have toured with The Clash The Ramones The Dead Kennedys Black Flag Nirvana PiL Minor Threat and others and are the subject of two tribute albums But punk is more than a style of music it s a political act and D O A have always had a social conscience having performed in support of Greenpeace women s rape crisis centres prisoner rights and anti nuke and anti globalization organizations Twenty five years later D O A can claim sales of more than 500 000 copies of their eleven albums and tours in thirty different countries and they are still going strong I

Shithead is Joe's recollections of a life in punk starting with a bunch of kids in Burnaby transfixed with the burgeoning punk movement and traversing a generation disillusioned with the status quo stories of riots drinking travelling playing and conquering all manner of obstacles through sheer determination And through it all Joe reveals that the famous D O A slogan talk action 0 is for him more than a soundbyte With an introduction by music producer Jack Rabid publisher of seminal New York music magazine Big Takeover
