Carroll, 2001 Cooney s large body of work for adolescents defies easy classification She has written award winning adventure suspense romance family mystery and historical fiction as well as action driven horror stories and a time travel trilogy Her purpose in some books most notably horror like *The Perfume* is just to encourage reluctant readers to enjoy literature However in her most serious and artistic books Cooney relies on a source that is likely to surprise her readers biblical stories and parables For example readers can find the seed of the idea that eventually became *Whatever Happened to Janie* in the story of King Solomon s wisdom when he was asked to decide which of two women both of whom claimed to be mother of an infant should be recognized as the true mother The parable of the Good Samaritan provides a backdrop in several of Cooney s most successful novels Cooney s understated use of biblical stories and the way her Christian faith subtly informs her fiction are explored in the book The organization of the text reflects Cooney s major fiction categories the Janie mysteries romances catastrophe novels horror and suspense novels the time travel trilogy and her historical fiction Representative books are discussed in detail within each chapter Although most of the text is devoted to critical analysis of her literary work and of the intersection of fiction and faith in her novels Cooney s biography is also presented within the frame of her life as a single mother of grown children The influences of her talents as an organist who played regularly for her church the lessons she has learned from her children when they were teenagers and life experiences that have led her to consider issues of race and gender are examples of issues that are discussed For children s and YA libraries and students of children s literature **The Face on the Milk Carton**

Spirituality in Young Adult Literature Patty Campbell,2015-06-24 In a time when almost any gritty topic can be featured in a young adult novel there is one subject that is avoided by writers and publishers Faith and belief in God seldom

appear in traditional form in novels for teens The lack of such ideas in mainstream adolescent literature can be interpreted by teens to mean that these matters are not important Yet a significant part of growing up is struggling with issues of spirituality The underlying problem of course is that there are so few writers who are willing to talk to teenagers about God even indirectly or who themselves have the religious literacy for the task Spirituality in Young Adult Literature The Last Taboo tackles a subject rarely portrayed in fiction aimed at teens In this volume Patty Campbell examines not only realistic fiction but young adult literature that deals with mysticism apocalyptic end times and even YA novels that depict the Divine Encounter Campbell maintains that fantasy works are inherently spiritual because the plots nearly always progress toward a showdown between good and evil As such the author surmises that the popularity of fantasy among teens may represent their interest in the mystical dimensions of faith and the otherworldly In this study Campbell examines works of fiction that express perspectives from Christianity Judaism Islam Buddhism Hinduism and Sikhism Distinguished YA novelist Chris Crowe provides a chapter on Mormon values and Mormon YA authors and how their novels integrate those values into their books By looking at how spirituality is represented in novels aimed at teens this book asks what progress if any has been made in slaying the taboo Although most of the books discussed in this study are recent an appendix lists YA books from 1967 to the present that have dealt with issues of faith A timely look at an important subject Spirituality in Young Adult Literature will be of interest to young adult librarians junior and senior high school teachers and students and instructors of college courses in adolescent literature as well as to parents of teens
