Raoul Le Fevre The History Of Jason:

The History of Jason John Munro,1913 **Revival: Caxton's History of Jason (1913)** William Caxton,2018-09-03 This book is based on William Caxton s translation of 15th century French author Raoul Lef vre book Histoire de Jason he wrote in 1460 The Histoire de Jason is known from 20 manuscripts and 30 different printed editions and was translated in English in 1477 by William Caxton and in Dutch in 1485 Lef vre was the chaplain of Philip the Good the creator of the Order of the Golden Fleece which was based on the classical Jason story **The History of Jason, Translated from the French of Raoul Le Fevre, by William Caxton,... Edited by John Munro... The Text** Raoul Le Fèvre,1913 **Raoul Le Fevre the History of Jason** William Caxton,John Munro,2014-03 This Is A New Release Of The Original 1813 Edition *Raoul Le Fevre the History of Jason* John Munro,2014-03 This Is A New Release Of The Original 1813 Edition *The History of Jason* Raoul Le Fevre,1913 **The History of Jason** William Caxton,John James Munro,Raoul Lefevre,2016-05-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The History of Jason** Raoul Lefèvre,2012-01-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The History of Jason** Raoul Lefèvre,William Caxton,1913 *The History of Jason* Raoul Lefèvre,William Caxton,1913 The History of Jason William Caxton,2015-07-20 Excerpt from The History of Jason Translated From the French of Raoul Le Fevre In preparing this text for the press I had the advantage of William Morris s type written copy of the Romance a copy which I believe he had had prepared for his own press but never used and which his executors very kindly handed over for the use of the Early English d104 Society In the text itself now reprinted for the first time I have indulged in much less interference with the original than is usual in the case of editing a manuscri pt feeling that scholars may most usefully be served by the reproduction as near as may be of Caxton s text in ail possible details The few

departures made from the original seemed more or less imperative The difficulty of following the dialogue in such talk as that between Jason and Corfus p 32 led me to adopt inverted commas The initials of proper names are capitalized where Caxton has occasionally used a lower case letter and the few contractions whereby he sometimes effected his spacing have been expanded In punctuation other than that mentioned above the original has been sedulously followed and though Caxton was not so liberal of points as the modern typographer his own system with which the text may easily be read and his own occasional disregard of it are probably more desirable here than our own lavishness I had hoped to have included in this volume the Introduction the collation with the French original the Notes and the Glossary but pressure of other affairs has forced me to postpone these for a second volume at some future time About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
