

Rape Inequality Among Genders

over the past decade, that state's reputation is as well as its high standards. The staff, after a significant increase in support, has been reduced and a 20 percent increase in the reported number of rape and sexual assault cases was reported.

Managerial Decision Support Systems
The book is divided into two parts. The first part is devoted to the theory of decision support systems, and the second part is devoted to the application of decision support systems in various fields of management.

Rape And Inequality

Anastasia Powell, Nicola Henry

Rape And Inequality:

Rape and Inequality Julia R. Schwendinger, Herman Schwendinger, 1983-05 The authors review popular legal and scientific explanations of rape and offer a new and persuasive approach to understanding violence against women They show that rape is not common to all societies and conclude that it is linked to general levels of sexual inequality sexism and violence It is seen as a consequence of the development of capitalism In supporting their thesis the authors present material that will be of great interest to anthropologists criminologists political economists and people in women s studies This is the best book available on rape and will remain so for the foreseeable future It is inordinately well written brilliantly conceived and imaginatively researched I wholeheartedly recommend **Violence, Inequality, and Human Freedom** Peter Iadicola, Anson D. Shupe, 2003 This insightful work examines such issues as cultural roots of violence interpersonal violence economic violence religious violence state violence and other Crime and Inequality John Hagan, 1995 These essays examine how and why inequality affects the patterning of crime and criminal justice They evaluate the merits of various theoretical ideas debates and controversies regarding crime and inequality document the dynamics of inequality in varied crime settings examine methodologies used in exploring the crime inequality relationship and set forth new research and policy agendas for future work Sexual Inequalities and Social Justice Niels Teunis, Gilbert H. Herdt, 2007 This pioneering collection of ten ethnographically rich essays signals the emergence of a new paradigm of social analysis committed to understanding and analyzing social oppression in the context of sexuality and gender The contributors an interdisciplinary group of social scientists representing anthropology sociology public health and psychology illuminate the role of sexuality in producing and reproducing inequality difference and structural violence among a range of populations in various geographic historical and cultural arenas In particular the essays consider racial minorities including Hispanics Koreans and African Americans discuss disabled people examine issues including substance abuse sexual coercion and HIV AIDS and delve into other topics including religion and politics Rather than emphasizing sexuality as an individual trait the essays view it as a social phenomenon focusing in particular on cultural meaning and real world processes of inequality such as racism and homophobia The authors address the complex and challenging question of how the research under discussion here can make a real contribution to the struggle for social justice *Addressing Rape Reform in Law and Practice* Susan Caringella, 2009 The first comprehensive book on rape since Susan Brownmiller s *Against Our Will* and Susan Estrich s *Real Rape* this volume probes every aspect of rape law and the discrepancies between ideal law on the books and real law in action Susan Caringella canvasses the success and failure of reform in the United States as well as Australia Britain Canada and New Zealand and assesses alternative perspectives on rape reform making use of theoretical models court cases and statistical data She uniquely delineates a creative model for change while addressing the discretion that undermines efforts at change This includes charging the accused and plea bargaining confronting a lack of transparency and accountability in

implementing law and acquiring funding for such changes Critical Criminology: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

Rape during Civil War Dara Kay Cohen,2016-07-13 Rape is common during wartime but even within the context of the same war some armed groups perpetrate rape on a massive scale while others never do In Rape during Civil War Dara Kay Cohen examines variation in the severity and perpetrators of rape using an original dataset of reported rape during all major civil wars from 1980 to 2012 Cohen also conducted extensive fieldwork including interviews with perpetrators of wartime rape in three postconflict counties finding that rape was widespread in the civil wars of the Sierra Leone and Timor Leste but was far less common during El Salvador s civil war Cohen argues that armed groups that recruit their fighters through the random abduction of strangers use rape and especially gang rape to create bonds of loyalty and trust between soldiers The statistical evidence confirms that armed groups that recruit using abduction are more likely to perpetrate rape than are groups that use voluntary methods even controlling for other confounding factors Important findings from the fieldwork across cases include that rape even when it occurs on a massive scale rarely seems to be directly ordered Instead former fighters describe participating in rape as a violent socialization practice that served to cut ties with fighters past lives and to signal their commitment to their new groups Results from the book lay the groundwork for the systematic analysis of an understudied form of civilian abuse The book will also be useful to policymakers and organizations seeking to understand and to mitigate the horrors of wartime rape *Crime And Capitalism* David Greenberg,2010-06-10 Classic and contemporary viewpoints on crime **Feminist Theory** Robin O. Andreasen,Ann E. Cudd,E. Díaz-León,2025-04-03 Bringing together influential voices and groundbreaking new essays Feminist Theory A Philosophical Anthology examines the key questions at the heart of feminist philosophy through a clear structure and accessible yet rigorous content This carefully curated selection

of classic and contemporary essays emphasizes the flourishing growth of feminist thought over time ranging from foundational texts by Simone de Beauvoir Judith Butler and Kimberl Crenshaw to new essays by contemporary scholars like Kate Manne Talia Mae Bettcher and Robin Dembroff This edition expands on the original with fresh scholarship and a broader range of perspectives on gender identity knowledge production and justice New essays address intersectionality gender identity the critique of ideal theory feminist critiques of traditional ethics the impact of social norms on autonomy and epistemic injustice and much more Including critiques of traditional philosophical frameworks and self reflection of feminism itself this essential collection highlights how feminist theory shapes and challenges our current understanding of society Designed for students and scholars in philosophy gender studies and social theory **Feminist Theory A Philosophical Anthology** is ideal for students taking courses in feminist philosophy and feminist theory educators in social sciences and humanities and activists and professionals seeking a nuanced understanding of feminist philosophy

Sexual Violence in a Digital Age Anastasia Powell,Nicola Henry,2017-06-29 This book examines how digital communications technologies have transformed modern societies with profound effects both for everyday life and for everyday crimes Sexual violence which is recognized globally as a significant human rights problem has likewise changed in the digital age Through an investigation into our increasingly and ever normalised digital lives this study analyses the rise of technology facilitated sexual assault revenge pornography online sexual harassment and gender based hate speech Drawing on ground breaking research into the nature and extent of technology facilitated forms of sexual violence and harassment the authors explore the reach of these harms the experiences of victims the views of service providers and law enforcement bodies as well as the implications for law justice and resistance Sexual Violence in a Digital Age is compelling reading for scholars activists and policymakers who seek to understand how technology is implicated in sexual violence and what needs to be done to address sexual violence in a digital age

Violence Against Women and Children Carol J. Adams,Marie Fortune,1995-11-01 Violence against women and children has reached epidemic proportions It cuts across all economic strata and is found in our urban centers and the farthest corners of the nation This is the only sourcebook on domestic violence for clergy and counselors

Sex, Power, Conflict David M. Buss,Neil Malamuth,1996-04-11 Sexual harassment in the workplace date rape and domestic violence dominate the headlines and have recently sparked scholarly debates about the nature of the sexes Concurrently the scientific community is conducting research in topics of sex and gender issues Indeed more research is being done on the topics of sexual conflict and coercion than at any other time in the history of the social sciences Despite this attention it is clear that these issues are being addressed from two essentially different perspectives one is labeled feminist while the other viewed as antithetical to the feminist movement is called evolutionary psychology which emphasizes the history of reproductive strategies in understanding conflict between the sexes This book brings together leading experts from both sides of the debate in order to discover how each could offer insights lacking in the other The editors overall goal is to show how the

feminist and evolutionary approaches are complementary despite their evident differences then provide an integration and synthesis In fact several of the contributors to this unique volume consider themselves advocates of both approaches As a stimulating presentation of the dynamics of sex power and conflict and a pioneering rapprochement of the diverse tendencies within the scientific community this book will attract a wide audience in both psychology and women s studies fields

Good Governance and Economic Development Ramesh Chandra Das,2024-09-27 Good governance is a prerequisite to development improving the quality of life and health and ensuring equity This book examines the interdependency of good governance and economic development by exploring perspectives from the Global North and the Global South It assesses the impact of good governance on economic development of countries such as the USA India Nigeria Turkey Pakistan Bangladesh Nepal and others and on groups of developing nations like BRICS or ASEAN The book investigates the interrelationships between development indicators like education health gender equity resource distribution environmental preservation quality of life livelihood and others with governance and provides empirical verifications of the impact of good governance upon development Further it offers insights into the economic and governance challenges that developing countries face and highlights strategies for governance that have proved effective in bolstering sustainable growth This volume will be of interest to students and researchers of economics political science social science international relations public administration and sociology

Sexual and Gender Minority Health Brea L. Perry,Allen J. LeBlanc,2021-01-15 This volume of *Advances in Medical Sociology* showcases rich theoretical and empirical contributions on SGM health and wellbeing The chapters address a variety of topics drawing from classic and contemporary sociological frameworks and constructs and reflecting intersecting interdisciplinary approaches to SGM health

Poverty and Policy in Post-apartheid South Africa Haroon Bhorat,S. M. Ravi Kanbur,2006 The political freedoms ushered in by the post 1994 transition were seen at that time as the basis for redressing long standing economic deprivations suffered by the majority of the population The reduction of poverty in all its dimensions was the goal The volume will be of interest to researchers graduate students and to the technical staff of international agencies and government ministries

European Perspectives on Attrition in Sexual Offenses Rahime Erbas,2023-07-17 Many factors contribute to attrition in sexual offense cases from victim reluctance to systemic barriers This book examines the attrition of sexual offenses across seven countries Bosnia and Herzegovina Germany Italy Spain Sweden the UK and Türkiye Using various jurisdictions and legal systems sheds light on how those systems distinctive features impact investigation and adjudication Through the critical analyses of various sexual offenses and statistical data *European Perspectives on Attrition in Sexual Offenses* demonstrates how cases continue to attrite through their journey from commencement to the finalization within the European criminal justice systems This book would be of interest to scholars studying criminology criminal justice and law as well as practitioners within the criminal justice and legal professions

Crime and Criminology Jay Livingston,1996 Known for its

engaging and accessible writing style this probing text covers the traditional areas of criminology but also addresses questions of popular concern and policy debate using systematic evidence to explore such topics as deterrence and incapacitation race and social class the rights of the accused and domestic violence Challenging readers to think about even the most obvious and commonsense ideas in terms of the evidence that might support or contradict it the text delves even deeper encouraging them to see the connection between abstract theoretical propositions and the reality they see everyday in their own lives and in the media Using a highly perceptive lively and absorbing writing style to make serious ideas and evidence easily understandable to a wide range of readers the book integrates interesting boxes throughout to bring experientially distant ideas closer and make concepts more relevant On Campus Boxes highlight crime and other topical issues as they relate to campus life and Crime in the News Boxes take items from newspapers to illustrate ideas and provide models for discussing current cases and issues Reviewer Richard Wright from the University of Scranton says the text offers insightful typologies of crime presenting a superb comparison of the interactionist a cultural and structural explanation of homicide a first rate discussion of felony murder and exemplary sections on bookmaking and loansharks Features new to this edition include an increased number of graphs and tables to help readers get a better grasp of quantitative data chapter key terms chapter outlines and a thorough end of book glossary for better understanding and lucid discussions on Hirschi and Gottfredson s self control theory community policing and date rape For sociologist and criminologists

Rape Justice

Nicola Henry, Anastasia Powell, Asher Flynn, 2015-09-01 This book explores the burgeoning interest in alternative and innovative justice responses to sexual violence both within and outside the legal system It explores the limits of criminal law for achieving rape justice and highlights possibilities for expanding how we think about justice in the aftermath of sexual violence

Radical and Marxist Theories of Crime Paul B. Stretesky, 2017-03-02 The essays selected for this volume show how radical and Marxist criminology has established itself as an influential critique since it emerged in the late 1960s Unlike orthodox criminology which emphasizes individual level explanations of criminal behavior radical and Marxist criminology emphasizes power inequality and structures especially those related to class as key factors in crime law and justice This collection of essays draws attention to the way in which structural forces shape and influence both individual and institutional for example governmental behavior highlights neglected crime corporate governmental state corporate and environmental which causes more extensive damage than the street crimes examined by orthodox criminology and discusses the ways in which law and criminal justice processes reinforce power structures and contribute to class control

Recession, Crime and Punishment Steven Box, 1987-08-21 We are often told that unemployment is no excuse for committing crimes It certainly does not follow as many in government would have use believe that crime is unrelated to social conditions Examining a mass of evidence from Great Britain the United States Canada and other industrialised countries Steven Box shows how criminal activity increased with unemployment poverty and sharpened competition between

firms He demonstrates that corporate as well as individual crime is affected by the experience of recession and that changing pressures and opportunities alter the character and distribution of deviance as well as increasing its incidence Although deterioration in material circumstances does lead to more crime however it does not alone account for the massive increase in prison populations or increasingly repressive systems of social control These developments the author argues flow more from government attempts to restructure the labour force and the natural reaction of minor state officials like judges police and probation officers to the changing logic of their situations

Thank you for reading **Rape And Inequality**. Maybe you have knowledge that, people have search hundreds times for their favorite books like this Rape And Inequality, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some harmful virus inside their desktop computer.

Rape And Inequality is available in our digital library an online access to it is set as public so you can get it instantly. Our book servers spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Rape And Inequality is universally compatible with any devices to read
