

The background is a complex, abstract composition. It features a dark, textured base with various geometric shapes and colors. A large, light blue arrow points towards the top right. A bright green square is visible on the right side. In the lower half, there are several overlapping, translucent shapes in shades of blue, yellow, and red, creating a sense of depth and movement. The overall effect is one of intense, chaotic energy.

## **Rape Warfare The Hidden Genocide In Bosnia Herzegovina And Croatia:**

**Rape Warfare** Beverly Allen, 2005      *Genocide at the Millennium* Samuel Totten, 2017-12-02

Genocide at the Millennium is the fifth volume in the acclaimed series Genocide A Critical Bibliographical Review This latest volume s focus is both the genocidal activity that has taken place over the past fourteen years including that in Rwanda and the former Yugoslavia as well as a critique of the international community s response to genocide and potential genocidal situations including those of the United Nations and nongovernmental organizations Genocide at the Millennium is divided into ten chapters The opening chapter treats the Yugoslav genocide discussing the causes of the conflict the violence that ensued the reaction of the international community and the ramifications that are still being felt in that part of the world today Chapter 2 provides a detailed and thought provoking examination of the causes results and ramifications of the 1994 Rwandan genocide Chapter 3 examines the conflict in Kosovo and the events surrounding the controversial intervention by NATO Chapter 4 discusses the remarkable efforts and successes that various non governmental agencies have had in addressing a wide variety of issues related to genocide Chapter 5 examines the United Nations efforts to address the issue of genocide at the turn of the century The role of individual states confronting issues and cases of genocide is analyzed in chapter 6 Chapter 7 gives a solid overview of the evolution of international law as it pertains to the crime of genocide and how and why major changes in such law have begun to take place in the 1990s and early 2000s The international criminal tribunals for Rwanda and the former Yugoslavia are considered in chapters 8 and 9 The concluding chapter provides an extremely detailed and highly informative overview of key aspects of the International Criminal Court In keeping with the multidisciplinary approach of previous volumes in the series each of the essays and accompanying annotated

**Sexual Offenses in Armed Conflict and International Law** Noëlle Quénivet, 2021-10-01 No lle N R Qu nivet has constructed a valuable tool for navigating the morass of sexual offences and international law Using Bosnia Herzegovina a jumping off point she proceeds to show how over the last two decades the Western world has been swept up by a wave of feminist scholars writing about international law and more particularly humanitarian and human rights law Although these articles books and statements have covered a broad range of issues the focus has been on sexual offences and more specifically on rape in times of conflict These authors as well as NGOs supporting their ideas have made a series of assumptions concerning sexual offences in times of armed conflict On the basis of these presumptions they have claimed inter alia that international law does not adequately prohibit sexual offences and that prosecution is scarce This timely work examines whether the assumptions made by feminist scholars are solidly grounded in international law and whether their claims are still valid regarding the latest legal developments A thorough examination of the laws and the jurisprudence relating to sexual offences demonstrates that whereas before the creation of the ad hoc international criminal tribunals some of their claims were founded these claims are now partially ill founded Published under the Transnational Publishers imprint      **Routledge International Encyclopedia of Women**

**Tragedy** Ken Booth, 2012-12-06 The 1999 conflict in Kosovo is seen as being as significant for international affairs as the pulling down of the Berlin Wall because of the centrality of human rights in the build up conduct and aftermath of the war This volume is an attempt to explore this human rights tragedy “*I am Jugoslovenka!*” Jasmina Tumbas, 2022-02-22 I am Jugoslovenka argues that queer feminist artistic and political resistance were paradoxically enabled by socialist Yugoslavia’s unique history of patriarchy and women’s emancipation Spanning performance and conceptual art video works film and pop music lesbian activism and press photos of female snipers in the Yugoslav wars the book analyses feminist resistance in a range of performative actions that manifest the radical embodiment of Yugoslavia’s anti fascist transnational and feminist legacies It covers celebrated and lesser known artists from the 1970s to today including Marina Abramovic Sanja Ivekovic Vlasta Delimar Tanja Ostojic Selma Selman and Helena Janecic along with music legends Lepa Brena and Esma Red epova I am Jugoslovenka tells a unique story of women’s resistance through the intersection of feminism socialism and nationalism in East European visual culture *International Criminal Law and Sexual Violence against Women* Daniela Nadj, 2018-05-23 This book explores the prosecution of wartime sexual violence in international criminal law and asks what the juridicalisation of gender based violence signifies for women The book explores the portrayal of the various gendered identities that surface in armed conflict and it asks whether the law is capable of reflecting these in subsequent judgements Focusing on the International Criminal Tribunal for the Former Yugoslavia and the International Criminal Tribunal for Rwanda as well as subsequent developments in the International Criminal Court the book shows how the tribunals have delivered landmark jurisprudence in the area of sexual violence against women and provided a legacy for how gender justice is incorporated into international law However Daniela Nadj argues that in the relevant cases there is a tendency to depict women in monolithic fashion with little agency or sense of identity beyond their ethnicity By bringing to the surface the complexity and multifaceted gendered identities in wartime the book calls for a reconceptualisation of notions of femininity in armed conflict

**Why We Fight** Robert C. Engen, H. Christian Breede, Allan English, 2020-12-17 For decades the Canadian Armed Forces has used the work of foreign scholars and writers in its professional military education to try to understand the human dimension of warfare why and how people are motivated to fight and how they behave once they do fight Yet the specific Canadian context experience and perspective are often lost in favour of appeals to universal truths The first major Canadian study of combat motivation in almost forty years Why We Fight redresses this imbalance by presenting some of the best new work on the subject Bringing together top military practitioners and scholars to discuss some of the most controversial issues of modern warfare Why We Fight examines the face of battle as experienced by Canadians It explores sexual violence in war professionalism organizations leadership shared intent motivation in extremis and the toxicity of the warrior culture Its chapters offer key insights on combat motivation theories the modern operating environment and the collective and individual identities of the men and women who fight for Canada Many worry that technology is leading us towards a post

human age particularly in war Why We Fight affirms the centrality of the human being in warfare in Canada's past present and future

**Holocaust Studies** Steven T. Katz, 2019-04-08 The great majority of Holocaust scholarship concentrates heavily if not almost completely on the Final Solution from the German side The distinctive feature of this book both individually and as a collection is its concentration on the Holocaust from a Judeo-centric point of view The present essays make a unique contribution by exploring issues such as the effect of events specifically on Jewish women and children the character of the Nazi policy of slave labor in as much as this essential program resulted in different treatment with regard to Jews as compared to other workers how the destruction of European Jewry has been responded to by Jewish thinkers and how Jewish values such as the well known principle that all Jews are responsible for each other were exemplified and lived out during the war The collection also includes an essay on Elie Wiesel and another that explores the much discussed very controversial issue of Jewish resistance as well as several essays on philosophical and comparative issues raised by the Shoah CS1075

**Bosnian Studies** Dzeneta Karabegovic, Adna Karamelic-Oates, 2023-01-30 It has been 27 years since the end of the war in Bosnia and Herzegovina and the history of the conflict its consequences and long term implications for the politics and lives of its citizens has remained a source of interest for scholars across the globe and across disciplines This scholarship has included works by historians and political scientists seeking to explain the war's origins with a view to Bosnia's traditional multi ethnic character and background The country has been used as a case study in state and peace building as well as to study the implications of ongoing transitional justice processes Other scholars within the fields of human rights and genocide studies have focused on documenting the war crimes committed against the people of Bosnia and Herzegovina during the conflict and the mass scale displacement of people mostly Bosnian Muslims from their homes and homelands International law scholars have carried this work further tracing the development of courts created in response to war crimes in Bosnia and their effectiveness in generating justice for victims Diaspora communities have formed in North America especially in St Louis Europe and Australia because of war and displacement and have themselves become a considerable topic of study spanning the disciplines of anthropology migration studies political science memory studies conflict and security studies psychology and geography This volume seeks to illuminate how Bosnian migrant and diaspora scholars are contributing to the development of Bosnian Studies The authors included in this volume are either writing from their new home bases in Australia Austria Canada Switzerland the United Kingdom and the United States among others or they have returned to Bosnia after a period of migration Their chapters have distinct entry points of inquiry demonstrating how scholars have integrated Bosnia as a theme across the range of disciplines

in which they are situated The selections included in the volume range from literary analysis to personal memoirs of the conflict from studies of heritage and identity to political science analysis of diaspora voting to genocide studies and questions of or lack of ethics in the growing field of Bosnian Studies **Violence** Alex Alvarez, Ronet D. Bachman, 2024-02-22 The Fifth Edition of *Violence The Enduring Problem* offers an interdisciplinary and reader friendly exploration of the patterns and correlations of individual and collective violent acts using the most contemporary research theories and cases Responding to concerns regarding pervasive domestic and global violence authors Alex Alvarez and Ronet Bachman address the various legislative social and political efforts to curb violent behavior They incorporate a wide range of the most current cases to help readers interpret the nature and dynamics of various forms of violence This book stands apart from other texts with its broad perspective that includes coverage of collective acts of violence such as terrorism mob violence and genocide Women, War, and Violence Mariam M. Kurtz, Lester R. Kurtz, 2015-08-28 This set of original articles probes the breadth of vital issues surrounding the impact of war and violence on women globally and examines what is being done to mitigate their effects The story of men's roles in war and violence fills headlines and history books but the women's narrative too often goes unnoticed This two volume work brings women's voices to the fore highlighting new scholarship and journalism to offer a realistic understanding of this timely topic Including both historical context and contemporary issues the volumes explore types of violence affecting women and girls as victims of war and as combatants in and perpetrators of war Equally important it provides an in depth look at resistance movements and peacemaking efforts examining how these issues can and should be addressed The two volumes bring together a wide range of articles by experts from various fields and backgrounds to provide the first all inclusive overview of women war and violence Other works on the subject tend to be focused on Western nations offering a narrow view of a global issue This compendium in contrast takes a truly international approach It provides general readers policymakers students and scholars with a compelling collection of insights from around the world exposing the varied experiences women have had and continue to have with violence and war Living Gender after Communism Janet Elise Johnson, Jean C. Robinson, 2006-12-12 How has the collapse of communism across Europe and Eurasia changed gender In addition to acknowledging the huge costs that fell heavily on women *Living Gender after Communism* suggests that moving away from communism in Europe and Eurasia has provided an opportunity for gender to multiply from varieties of neo traditionalism to feminisms from overt negotiation of femininity to denials of gender This development in turn has enabled some women in the region to construct their own gendered identities for their own political economic or social purposes Beginning with an understanding of gender as both a society wide institution that regulates people's lives and a cultural toolkit which individuals and groups may use to subvert or transvalue the sex gender system the contributors to this volume provide detailed case studies from Belarus Bosnia the Czech Republic Poland Romania Russia and Ukraine This collaboration between young scholars most from postcommunist states and experts in the fields of gender studies and

postcommunism combines intimate knowledge of the area with sophisticated gender analysis to examine just how much gender realities have shifted in the region Contributors are Anna Brzozowska Karen Dawisha Nanette Funk Ewa Grigar Azra Hromadzic Janet Elise Johnson Anne Marie Kramer Tania Rands Lyon Jean C Robinson Iulia Shevchenko Svitlana Taraban and Shannon Woodcock Sexual Violence as a Weapon of War? Maria Eriksson Baaz, Professor Maria Stern, 2013-05-09 All too often in conflict situations rape is referred to as a weapon of war a term presented as self explanatory through its implied storyline of gender and warring In this provocative but much needed book Eriksson Baaz and Stern challenge the dominant understandings of sexual violence in conflict and post conflict settings Reading with and against feminist analyses of the interconnections between gender warring violence and militarization the authors address many of the thorny issues inherent in the arrival of sexual violence on the global security agenda Based on original fieldwork in the Democratic Republic of the Congo as well as research material from other conflict zones Sexual Violence as a Weapon of War challenges the recent prominence given to sexual violence bravely highlighting various problems with isolating sexual violence from other violence in war A much anticipated book by two acknowledged experts in the field on an issue that has become an increasingly important security legal and gender topic **The Roots and Consequences of 20th-Century Warfare** Spencer C. Tucker, 2016-09-06 This unique reference book introduces readers to the causes and effects of the 20th century s most significant conflicts and explains how the impact of these conflicts still resonates today The Roots and Consequences of 20th Century Warfare Conflicts That Shaped the Modern World introduces students to the causes and effects of the 20th century s most significant conflicts Covering conflicts that occurred in all regions of the world readers will gain knowledge on the causes and consequences of each conflict and become familiar with the historical context needed to understand the roots and consequences of these seminal events The text also identifies key opponents in each conflict and illuminates the reasons why each country or group decided to fight the scope of their involvement in the war and the impact of the war Reference entries on key battles are presented in chronological order supplying engaging details on the events and people who shaped each war The book also supplies maps of the key battles to illuminate the strategic movements of both sides of the conflict A lengthy bibliography offers a wealth of options to readers seeking more sources of information on any of the conflicts
