Raptures Rage:

Rapture Ready...Or Not? Terry James,2016-06-01 Read the detailed precise frame of reference of where this generation stands on God s prophetic timeline Discover how each chapter points specifically to what the strange troubling things happening in a world seemingly gone insane with unstoppable violence means for the immediate future and beyond Reflect on the very Word of God the Bible in pointing to the only hope the reader and those he or she loves has for escaping God s righteous judgment that is about to fall on a rebellious world Rapture Ready or Not is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright abundant future The Rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers Jesus Christ is the Shelter from the coming Tribulation storm of God s wrath and judgment

New friends don't grow on trees, so any is good, especially if they want to escape the town as badly as you do. Rose, the cute Ice Queen, seems like the perfect partner until her past surfaces. Rapture or Tribulation

Richard W. Tow, 2022-04-04. We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church, Israel, and the world as it is and will be. I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation. Therefore, I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book. A generation of believers, young and old, are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness. I highly recommend that Richard's book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord's return.

David Sliker, President, International House of Prayer University. My friend and fellow minister for many years, Richard Tow, has written a must-read book if you are interested in eschatology. His comprehensive, scholarly, non-dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse. Rapture or Tribulation is the kindest, most thorough book I have read on the topic.
