The Words of a Selection of Songs, by the Most Eminent Composers, and Sung by Messrs. Braham, Incledon, Phillips, Sinclair, &c ,1814 *Rapture Ready!* Daniel Radosh,2008-04-08

What does it mean when a band is judged by how hard they pray rather than how hard they rock Would Jesus buy Jesus junk or wear witness wear What do Christian skate parks raves and romance novels say about evangelicalism and America Daniel Radosh went searching for the answers and reached some surprising conclusions Written with the perfect blend of amusement and respect *Rapture Ready* is an insightful entertaining and deeply weird journey through the often hidden world of Christian pop culture This vast and influential subculture a 7 billion industry and growing can no longer be ignored by those who want to understand the social spiritual and political aspirations of evangelical Christians In eighteen cities and towns throughout thirteen states from the Bible Belt to the outskirts of Hollywood Radosh encounters a fascinating cast of characters including Bibleman the Caped Christian Rob Adonis the founder and star of Ultimate Christian Wrestling Ken Ham the nation s leading prophet of creationism and Jay Bakker the son of Jim and Tammy Faye Bakker and pastor of his own liberal punk rock church From Christian music festivals and theme parks to Passion plays and comedy nights Radosh combines gonzo reporting with a keen eye for detail and just the right touch of wit *Rapture Ready* is a revealing survey of a parallel universe and a unique perspective on one of America s most important social movements

Amulet's Rapture Linnea Tanner,2019-10-29 Blood stains her Celtic home and kingdom The warrior Druid princess will do anything to retake her kingdom Although Catrin is the rightful heir to the Celtic throne in Britannia she is lucky to be alive After witnessing the slaughter of her family at the hands of her half brother who was aided by the Romans she is enslaved by a Roman commander He disguises her as a boy in the Roman Legion with the belief that she is an oracle of Apollo and can foretell his future The sole bright spot in her miserable new life is her forbidden lover Marcellus the great grandson of the famed Roman General Mark Antony But Marcellus has been wounded and his memories of Catrin and their secret marriage were erased by a dark Druidess Though Marcellus reunites with Catrin in Gaul and becomes her ally as she struggles to survive the brutality of her Roman master he questions the legitimacy of their marriage and hesitates to help her escape and retake her kingdom If their forbidden love and alliance are discovered her dreams of returning to her Celtic home with Marcellus will be shattered

American Rapture CJ Leede,2024-10-31 From CJ Leede the author of *Maeve Fly* and a new voice in the feminist horror space comes a scorching new apocalyptic novel *Blessed* are the meek *Sophie* was taught *blessed* are the pure of heart *Blessed* is the good Catholic girl who honours her father and mother who renounces the sins of pride greed wrath gluttony envy and sloth for she will inherit the earth But nothing in her strict religious upbringing could have prepared *Sophie* for the arrival of the scorching winds that sweep through the Midwest not the righteous breath of God but an evil gust that delivers an ungodly fevered lust unto the virtuous and the wicked alike Separated from her family in the chaos of the apocalypse *Sophie* is overcome by an unfamiliar

fire from within a steady pulse from somewhere beneath her belly that draws her toward the boys her mother warned her against their eyes their lips their hands their skin The hellscape around her is foreign and strange but so is the frantic desire that blooms in Sophie tempting her away from the light Though her own body has become a carnal battleground she must somehow find her way through the ravaged world to rescue her brother hoping the fever hasn't taken him hoping he can still be saved Keep an eye on this rising feminist voice **Tori Amos** **Shamrock Rapture** Pasquale De Marco, 2025-04-13

J. Pearsall, 2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of In Memoriam Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet's fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson's Rapture investigates the poet's previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentecostalism with its belief in the oncoming

Rapture and its formative relation to his poetic innovation Tennyson's work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson's major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer's raptured Troy was a verifiable site or the province of the poet's imagination Tennyson's attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam's political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson's long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self revealing and ignorant of the implications of their speech Tennyson's Rapture probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues
