The Rasputin File Edvard Radzinsky, 2001-12-04 From the bestselling author of *Stalin* and *The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin's inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant

*To Kill Rasputin* Andrew Cook, 2011-10-21 The murder of Rasputin on the night of 17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra

*The New Underworld Order: Triumph of Criminalism the Global Hegemony of Masonic Intelligence* Christopher Story, 2006

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

**Alix and Nicky** Virginia Rounding, 2012-01-17 The dramatic story of Emperor Nicholas II and his wife Alexandra Fyodorovna the last Tsar and Tsarina of Russia A penetrating and deeply personal study that gives profound psychological insight into their marriage and how it shaped the events that engulfed them There are few characters in history about whom opinion has been more divided than the last Tsar of Russia Nicholas II and his wife the Empress Alexandra Fyodorovna On one hand they are venerated as saints innocent victims of Bolshevik assassins and on the other they are impugned as the unwitting harbingers of revolution and imperial

collapse blamed for all the ills that befell the Russian people in the 20th century. Theirs was also a tragic love story for whatever else can be said of them there can be no doubt that Alix and Nicky adored one another. Soon after their engagement Alix wrote in her fiancé's diary: "Ever true and ever loving, faithful, pure and strong as death words which met their fulfillment twenty-four years later in a blood-spattered cellar in Ekaterinburg." Through the letters and diaries written by the couple and by those around them, Virginia Rounding presents an intimate, penetrating and fresh portrayal of these two complex figures and of their passion, their love and their suffering. She explores the nature and possible causes of the Empress's ill health and examines in depth the enigmatic triangular relationship between Nicky, Alix and their favourite, Ania Vyubova, protégée of the infamous Rasputin, extracting the meaning from words left unsaid from hints and innuendoes. The story of Alix and Nicky of their four daughters, known collectively as OTMA, and of their hemophiliac little boy, Alexei, is endlessly fascinating and Rounding makes these characters come alive, presenting them in all their human dimensions and expertly leading the reader into their vanished world.

*Realm of the Black Mountain* Elizabeth Roberts, 2024-10-24

Montenegro was admitted to the UN as its 192nd member in June 2006, thus recovering the independence it had lost nearly ninety years earlier at the Versailles Peace Conference. This is the first full-length history of the country in English for a century, tracing the history of the tiny Balkan state from its earliest roots in the medieval empire of Zeta through its consistently ambiguous and frequently problematic relationship with its larger neighbour, Serbia, the emergence of a priest-warrior ruler in the shape of the Vladika and its emergence from Ottoman suzerainty at the Congress of Berlin. In more recent history, the book focuses on Montenegro's troubled twentieth century, its prominent role in the Balkan wars, its unique deletion from world maps as an independent state despite being on the winning side in the Great War, its ignominious role in the wars leading to the disintegration of Yugoslavia and its final reemergence as a member of the international community on the anniversary of the Battle of Kosovo in 2006. Since independence, Montenegro has grappled with the question of Euro-Atlantic integration, including membership of NATO, achieved and the EU applicant. Even as it has fought to define its identity, it has gone from being one of the poorest nations in the Western Balkans to having the highest per capita income of the region. It successfully navigated democratic transition in 2020.

*Performing Femininity* Rachel Morley, 2016-12-15

Oriental dancers, ballerinas, actresses and opera singers: the figure of the female performer is ubiquitous in the cinema of pre-Revolutionary Russia. From the first feature film, Romashkov's *Stenka Razin* (1908) through the sophisticated melodramas of the 1910s to Viskovsky's *The Last Tango* (1918) made shortly before the pre-Revolutionary film industry was dismantled by the new Soviet government, the female performer remains central. In this groundbreaking new study, Rachel Morley argues that early Russian film-makers used the character of the female performer to explore key contemporary concerns, from changing conceptions of femininity and the emergence of the so-called New Woman to broader questions concerning gender identity. Morley also reveals that the film-makers repeatedly used this archetype of femininity to experiment with cinematic technology and develop a specific cinematic

language *Psychics, Sensitives and Somnambules* Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference
